Health Equity Solutions

Our Vision: For every Connecticut resident to attain optimal health regardless of race, ethnicity, or socioeconomic status.

Our Mission: To promote policies, programs, and practices that result in equitable health care access, delivery, and outcomes for all people in Connecticut.
How can declaring racism a public health crisis create action?

- More than 100 studies have linked racism to worse health outcomes
- Intentionally embedding health equity in policymaking
- People of color disproportionately affected
Dismantling Racism in CT
