

CPHR Saskatchewan

PROFESSIONAL DEVELOPMENT EVENTS SPEAKER PROPOSAL GUIDELINES

CPHR Saskatchewan invites HR professionals, industry experts, and learning and development practitioners from Saskatchewan and across the country, to share innovative, relevant and practical professional development sessions for our HR community.

WHO ARE WE

The Chartered Professionals in Human Resources (CPHR) Saskatchewan is the premiere professional association for human resource professionals. The association is the granting body of the Chartered Professional in Human Resources (CPHR) designation within the Province of Saskatchewan. CPHR Saskatchewan works to foster public confidence in the HR profession by acting in the public interest and promoting professional excellence.

As a member of the Chartered Professionals in Human Resources of Canada (CPHR Canada), CPHR Saskatchewan is linked to over 21,000 CPHRs and 41,000 professionals collectively across Canada. CPHR Saskatchewan represents over 1,200 human resource practitioners from all industries and geographical areas of Saskatchewan.

PROFESSIONAL DEVELOPMENT INFORMATION

CPHR Saskatchewan facilitates ongoing professional development for Saskatchewan's HR community by establishing quality professional development contracts, to offer the Saskatchewan HR community superior learning and development opportunities. These learning opportunities are available province wide, to all members of CPHR Saskatchewan, as well as non-members and those interested in Human Resources.

Speakers must align their sessions to one (or more) of the following 9 Human Resources Knowledge Areas:

- Strategy
- Professional Practice
- Engagement
- Workforce Planning and Talent Management
- Labour and Employee Relations
- Total Rewards
- Learning and Development
- Health, Wellness and Safe Workplace
- Human Resources Metrics, Reporting and Financial Management

For more information and definitions on the 9 HR Knowledge Areas, click [here](#)

Our audience is diverse and ranges from junior level (0 to 5 years' experience); mid-level (6 to 15 years' experience); senior level (16 to over 20 years' experience). Members are seeking professional development in all 9 HR Knowledge Areas and more specifically, they are looking for practical tools and interactive experiences they can apply to their workplaces.

The types of delivery methods (in-person or virtual) include, but are not limited to, the following:

Formal Delivery:

- One hour sessions
- ½ day workshop or full day workshop

Informal Delivery:

- Roundtables
