

CPMA

Radiology Course

Where: Hartford Marriott Downtown
200 Columbus Boulevard
Hartford, CT 06103

When: Friday, February 1, 2019, 8:00 AM - 11:30 AM

Fee: Assistant of CPMA/APMA Member \$165
Assistant of Non-CPMA Member \$285

Details: As per Connecticut guidelines, Connecticut Podiatric Medical Assistants are required to attend a class on radiation safety as well as office-based X-ray technique, and then pass a written test. This course is offered twice a year and is open to all assistants in podiatric offices. Some training and experience in the office setting is very helpful.

- The Radiology Certification Course is comprised of a classroom program followed by an examination.
- A packet of materials will be sent ahead of time to each registrant along with their confirmation and session time. The course packet is *for reference purpose only*- do not use the packet as a textbook. **The important information will be taught in class and the examination will be based on classroom instruction.**
- After the program is presented, participants will be ready to take the exam. The exam will be given at the conclusion of the course.
- The instructor will offer personal tutoring to those in the class.
- Prior to class, attendees will also receive a *Podiatric Assistant Radiology Office Training Requirements* form which certifies that the podiatrist in the attendee's office has trained employees on proper usage of the x-ray machine. **This form must be completed and signed prior to the course and be submitted to a CPMA representative at the time of the exam.** Course attendees are advised to please keep a copy of the form for their records and to bring a copy to the exam. *Attendees will not be allowed to take the exam unless there is a signed P.A.R.O.T.R. form.*

REGISTRATION
