

2019 Gallup-Darrow-Chester Scholarship

The Gallup-Darrow-Chester Scholarship was established to honor the memory of Virginia Seth Gallup, (1899-1995) grandmother of the originator of this fund, Catherine Virginia Darrow and her husband, William Spencer Chester, who currently reside in Evergreen, Colorado. This Fund is authorized to recognize this extraordinary woman who earned her college degree in the 1920's at a time when it was rare for women to attend college. Virginia Seth Gallup believed in the power of a college education to the extent that she provided the funds for all of her seven grandchildren to attend college. After graduating from Gloucester College with a degree in Public Administration, Virginia Seth Gallup raised a family and served as superintendent of the Talbot County Schools in the State of Maryland. To be eligible for a Gallup-Darrow-Chester Scholarship an applicant must be a member in good standing of CPRA at the time of application and be currently employed in a professional parks and recreation position. Please note that priority for the Gallup-Darrow-Chester scholarship funding will be given to members who are currently serving / have served CPRA or CPRA Foundation via committees, section involvement or board appointment.
