

Conference of Radiation Control Program Directors, Inc.

Board of Directors Resolution

- Whereas:** The CRCPD program entitled, “Nationwide Evaluation of X-Ray Trends” (NEXT), a program that has been ongoing since 1971, has proven to be an invaluable tool to measure exposures from x-ray machines; and
- Whereas:** NEXT has provided a method to evaluate trends in x-ray exposures in the United States; and
- Whereas:** NEXT has provide valuable data for many radiographic projections, data that has been used for the development of guidance for the x-ray user; and
- Whereas:** Due to budget cuts, financial support for NEXT from FDA was terminated, appearing to cause the termination of this valuable program, and
- Whereas:** The American College of Radiology (ACR), realizing the value of NEXT in protecting the patient from unnecessary exposure, and in improving the quality of radiology in general, provided financial support of NEXT in the absence of FDA support.

Now be it resolved that:

The Board of Directors, Conference of Radiation Control Program Directors, on behalf of its membership, express their sincere thanks and appreciation to the American College of Radiology for their financial support to continue t h i s valuable program.

Bestowed by the Board of Directors this 16th day of May, 1998.
