

CGOA Mastering Crochet the CGOA Way

(Note that you have the option to take morning, afternoon or BOTH)

Wednesday, July 25 | Two Sessions: Morning: 9am-12pm and Afternoon: 2pm-5pm

Are you currently enrolled in, or would like to learn about, the CGOA Masters programs? Or do you simply want to take your crochet skills to the next level? Join us for a half or full day of learning, specifically targeted to enhance your crochet skills necessary for the CGOA Masters programs. Topics covered will include: organizing your Masters portfolio, gauge, yarn overs, smooth joining, finishing techniques, reading your stitches, foundation stitches, and more. We'll also be reviewing swatches to demonstrate how to review your own work and we'll explain what we're looking for in the portfolio reviews. Enrollment in the program is not necessary to attend.

Morning Session Will Cover:

Information and skills specific to the CGOA Masters programs, including introduction to both programs, meeting the reviewers, organizing your notebook, reviewing swatches and more.

Afternoon Session Will Cover:

Enhancing your crochet skills, master-level techniques for finishing and joining, knowing your stitches, and more.

Supplies to bring: Worsted weight yarn and crochet hooks. Current enrollees may bring up to three swatches for an onsite informal review.

Homework: Write down your questions for the CGOA Masters co-chairs and portfolio reviewers. Make any swatches from the program that you'd like to have reviewed onsite (limit of three).
