

MASTERS OF ADVANCED CROCHET STITCHES AND TECHNIQUES

Dear Crocheter:

We regret to inform you that your CGOA Masters of Advanced Crochet Stitches and Techniques portfolio did not pass at this time. It is obvious that you have put a lot of effort into your portfolio, but because of the number of swatches in which directions have not been followed correctly, the CGOA Board has directed your reviewer to return the portfolio as "Not Passing at This Time".

If you would like to try again, please check your current work carefully, including taking care to follow all instructions. Rework any written and stitched items until they are the best you can do. Once you are satisfied, you may submit the material in error from your first portfolio review for a Subsequent Review per the guidelines below. **Please submit cover sheet with name, address and email address.**

Second Reviews may be submitted **for \$20, with the enclosed form, at least one month after but no longer than one year after the previous review.** (After one year, any review requires a full re-enrollment in the program at full price. Any third or more review for material that does not pass will require re-enrollment.)

Your portfolio will be added to the current waiting list and you will be notified once a reviewer is assigned.
