## **Annie's Signature Designs announces *Autumn 19 Collection*, an exciting mix of high fashion and cozy home crochet patterns**

BERNE, Ind.—Annie's, a leading special-interest publisher in the craft market, has created an exclusive pattern collection of 21 captivating crochet designs. The new collection, which includes fashion and a sophisticated home selection, is released Sept. 17, 2019.

The collection was envisioned by Annie's Lead Designer Lena Skvagerson, who draws from her years of experience in the European yarn and crochet design markets, and *Crochet!* Magazine Editor Connie Ellison, who provides expertise from a successful merchandise career. Collection contributors include Melissa Leapman, Rohn Strong, Tammy Hildebrand, Britt Schmiesing, Robyn Chachula, Jill Hanratty, Lee Sartori, Maria Isabel, Bendy Carter and Margret Wilson.

"I'm passionate about transforming my feelings for autumn into modern and wearable clothes and trendy home decor. Our Autumn 19 collection is focused on texture. You'll find Gansey crochet, inspired by the knitted fisherman sweaters of the British Isles, luscious embossed crochet and the classic and timeless granny square! All intended to be new and different while keeping the core values and principles of Annie's Signature Designs intact." says Skvagerson.

The selection of designs includes cardigans, sweaters, shawls, afghans and more.
