

4th Annual Cyber Electromagnetic Activity (CEMA)

ASSOCIATION
OF OLD CROWS

23-25 OCTOBER 2018 Aberdeen Proving Ground, MD

The CEMA 2018 conference committee is soliciting original papers from the United States and Five Eyes Nations, Government, Academia, Industry, Operators, and Subject Matter Experts to discuss current and emerging trends in Electronic Warfare, Cyber, Signals Intelligence, and Electromagnetic Spectrum Operations. Conference presentations may be classified TS/SCI US Only or REL FVEY, or Secret Releasable FVEY.

The theme for this year's CEMA conference is: "**CEMA as a Critical Enabler to Modernization Priorities**". It is our intent to showcase the important role CEMA technologies and capabilities can play in helping achieve the CSA's top 6 priority areas (Long Range precision Fire, Next Generation Combat vehicle, Future Vertical Lift, Network/C3I modernization, Advanced Missile Defense, and Soldier Lethality)

You are invited to submit an abstract of presentation that align with the following sub-topics:

1. Improved Survivability
2. Precision Targeting
3. SIGINT / ELINT (ground, air, space)
4. Mitigating Capability & Technology Obsolescence
5. Non-Kinetic Fires
6. Cyberspace Operations and the Multi-Domain Battle
7. Leveraging National Capabilities and Systems and RF Countermeasures
8. CEMA Operations and User Experience
9. Acquisition and Programs Update

All abstracts must be unclassified and MUST follow the attached abstract template.

Please forward abstracts Ms. Christine Armstrong at armstrong@crow.org by 20 July 2018.

IMPORTANT DATES¹:

Abstracts Due (MUST follow the attached template): 20 July 2018

Notification of Acceptance: 10 Aug 2018

Draft Agenda Published: 24 August 2018

Final Presentations with Foreign Disclosure paperwork: 14 September 2018

Security Clearance: 28 September 2018

¹ Note: dates are proposed for initial planning purposes only and subject to change based on the finalization of the foreign disclosure processes currently in staffing. Actual dates are expected to fall on or within 7 – 10 days of listed dates.
