QUATRA COUNTY SOCIETY OF HEALTH-SYSTEM PHARMACISTS

STRATEGIC PLANS
2017-2022

Goal 1: QCSHP advances and promotes the profession of pharmacy

Objectives
• Advocate on behalf of the pharmacy profession in public, regulatory, and legislative arenas.
• Advocate for patient safety in public, regulatory, and legislative arenas.
• Promote advocacy within the local pharmacy community.

Strategies
1. Educate the public and key stakeholders (e.g., legislators, regulators, payers) on the value of pharmacy through local grassroots efforts.
2. Encourage and facilitate member involvement in the legislative and regulatory processes at the state and national levels
3. Encourage and facilitate member participation in efforts to improve medication safety and advance patient-care at the state and national levels.
4. Provide education to the local pharmacy community on emerging issues, future trends, and breakthrough developments in pharmacy practice

Goal 2: QCSHP is a progressive organization committed to improving member value and engagement

Objectives
• Increase membership and improve member satisfaction and retention.
• Enhance collaboration and communications with other pharmacy organizations.
• Enhance communication to members regarding chapter activities and benefits.

Strategies
1. Develop policies and programs that have professional relevance and value to members.
2. Develop and facilitate opportunities for member engagement and networking
3. Develop and facilitate mentoring with an emphasis on students and new practitioners.
4. Provide educational programs that focus on professional development for pharmacists and technicians.
5. Increase collaborative efforts between affiliate chapters of CSHP and other pharmacy organizations.
6. Improve methods of communicating professional and organizational information to members.
Goal 3: QCSHP develops leaders and role models

Objectives
• Encourage members to actively participate in leadership positions.
• Promote leadership and clinical training programs.
• Create and support mentoring programs.

Strategies
1. Facilitate member interest and involvement in leadership opportunities at the local, state, and national levels.
2. Support QCSHP members in expanding their leadership roles at the local and state levels.
3. Facilitate mentoring opportunities related to leadership and management.
4. Share best practices in leadership and provide networking opportunities.
5. Leverage existing resources to develop leadership training and mentoring programs.

Goal 4: QCSHP supports member participation in policy and organizational development

Objectives
• Adopt and promote CSHP’s and QCSHP’s mission and vision.
• Synchronize organizational integrity (e.g. governing documents) between CSHP and QCSHP.
• Provide a structure that enhances governance and policy development.
• Assist members in the development of professional policies.

Strategies
1. Make governance documents (e.g. CSHP Bylaws and policies, QCSHP Bylaws, Board Policies, and Regional Chapter Affiliation Agreements) accessible to members.
2. Align CSHP’s mission and vision statements with QCSHP’s mission and vision statements.
3. Ensure that QCSHP mission and vision are reflected in the development of QCSHP’s professional policies, organizational planning, and chapter activities.
4. Educate members and engage them in the process for developing and updating QCSHP Bylaws and policies.
