Your Gift Helps Our Next Generation of Pharmacists

The CSHP Research and Education Foundation is extremely pleased and excited to be bestowing the first annual **John J Carbone** Memorial Scholarship at this year's Seminar in Anaheim. The Carbone Scholarship, named for founding R&E Foundation President, John J Carbone, is the most recent addition to our portfolio of sponsoring education programs/activities and supporting grants and scholarships, including the **Joseph H Beckerman** Memorial Scholarship. These scholarships awarded to future pharmacy leaders honor these two great pharmacy legends and pave the way for our next generation.

However you may not associate the Foundation with our research projects and publication, "The Pharmacist's Role in the Interdisciplinary Care of the Aging Population". This statewide initiative to strengthen the role and capacity of pharmacists to provide care for older adults was the result of a Foundation supported research project by CSHP members, **Steve Cheng, PharmD** and others. This project brought together organizations with a shared interest in seeing that older adults can increase both their longevity and their quality of life. The aging focus was selected to serve a potentially vulnerable population who would greatly benefit from increased interaction with and care from a pharmacist. If you are not familiar with the publication and wish to learn more, please click this link: http://www.cshp.org/?Aging_Project.

The Foundation needs your donations in order to continue our mission to promote public health through education and research in health-system pharmacy. Of course, any amount you can afford to give is great and gratefully accepted, but the more you give, the more good work we can do.

Celebrating our 10th year anniversary, the CSHP Research and Education Foundation is asking everyone to please consider making a tax-deductible charitable donation. To donate, go to the Foundation Donation page and click the link for your area(s) of giving interest: http://www.cshp.org/page/F_Donation_Home

One of the easiest ways donate is through your living trust or by a gift in your will. By including the Foundation in your will or living trust, you are ensuring that we can continue our mission for years to come. Your gift also may entitle your estate to an unlimited federal estate tax charitable deduction.

Our Mission

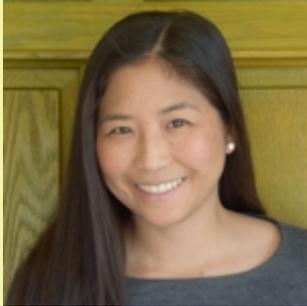

The CSHP Foundation's mission is to promote public health and the safe use of medication through research and education. The Foundation serves to promote public welfare through education and research in institutional pharmacy and related practices; to increase the cultural and diversity competence of health-system pharmacists; and to fund activities that support the mission and vision of the Foundation.

As leaders in the profession of Pharmacy, I highly encourage you to make a donation to the CSHP R&E Foundation today. I and the entire Foundation Board of Directors thank you and appreciate your generous gifts!
