Beckerman Scholarship Recipient Honored

*Michael Trillanes, the 2012 Beckerman Scholarship Recipient,

Michael Trillanes, an engaging Western University student with a bright smile and kind eyes joined an elite few as the fourth recipient of the Joseph H. Beckerman Scholarship. The \$1,000 scholarship and plaque were presented to him by Joseph's daughter Carol Beckerman and Foundation Board member Virginia White at the Seminar Awards Ceremony.

Before presenting the award, Carol gave an eloquent tribute to her father and the profession he loved and encouraged the audience to support students and young professionals by mentoring them and promoting continuing education.

The Beckerman Scholarship of \$1,000 is presented annually to a California pharmacy student who exhibits a desire for a career in health-system pharmacy. For a student to qualify, she or he must also demonstrate characteristics that were important to Joe Beckerman: ethical behavior, professionalism, leadership, caring and compassion.

Preceptor Development Track Receives Rave Reviews at Seminar

The Preceptor mini-track at Seminar, which was planned and co-presented by the CSHP Foundation was a tremendous success. Presentations by Bryan Fusco, Nancy Nguyen and Maureen Smythe were a highlight of the Continuing

Pharmacy Education offered at Seminar 2012 and the hard work of both the Foundation and the presenters was evident in the quality of the presentations.

The CHSP Foundation was thrilled to co-present these courses as part of its mission to promote education.
