Come Sail into Knowledge with the CSHP Foundation

It's that exciting time of year again - time to plan for CSHP Seminar! The CSHP Research and Education Foundation has been busy this past year working on its mission: to promote public health and safe use of medications through research and education. One of the avenues we use to achieve this is to educate the pharmacy professionals who care for patients. And what better venue to accomplish this than at the largest state organization meeting - CSHP Seminar. This year, Seminar will be held October 4-7 at the Sheraton Hotel and Marina in beautiful San Diego. Once again, the CSHP Foundation will be partnering with CSHP to offer educational opportunities on topics that affect public health. Plan on attending the Awards Ceremony where the Foundation will be honoring the student pharmacist recipients of the Joseph H. Beckerman and John J. Carbone Memorial Scholarships.

While you're at Seminar, stop by the CSHP Foundation booth in the exhibit hall where you can meet the Board members and gather more information about our mission and activities. We can also assist you in making your tax deductible contribution to the Foundation. You can sail home with the knowledge that your generous gift ensured the future of the CSHP Foundation and our work to improve the health of all Californians.

Attention Students: Two \$1,500 Scholarships Available

The CSHP Research and Education Foundation is accepting applications for the Joseph H. Beckerman Memorial Scholarship and the John J. Carbone Memorial Scholarship Fund. These \$1,500 scholarships are awarded annually to a California pharmacy student who exhibits a desire for a career in health-system pharmacy. For a student to qualify, he/she must also demonstrate characteristics that were important to these leaders in pharmacy. For more information, see the [CSHP Foundation website](#).
