Foundation President's Message

First, I want to thank everyone who generously donated to the CSHP Research and Education Foundation, the Joseph H. Beckerman Memorial Scholarship, and the John J. Carbone Memorial Scholarship during Giving Tuesday and throughout the year. The Foundation and the scholarships that the Foundation administers rely on donations from CSHP members like you to keep them solvent and funded for the coming years.

Lisa Gunther Lum,
 PharmD, FASHP,
 FCSHP
 Foundation President

There have been some recent changes to our CSHP Research and Education Foundation Board of Directors. Dr. Cindy Odegard resigned from the Foundation Board since she took a new position that requires travel around the country. I and the entire Foundation Board wish to thank and recognize Dr. Odegard for her input and contributions to the Foundation Board.

The Foundation Board has welcomed and installed two new board members. From the CSHP Board of Directors, Dr. Jim D. Scott, has joined the Foundation Board to be a liaison from the CSHP Board to the Foundation Board and vice versa.

I am pleased to share with you that the Foundation was able to realize one of its long-time goals of adding a non-pharmacist to the board of directors. Ariana Longley, was installed as a member of the Foundation Board member in August.

Ms. Longley is the Executive Director of the Patient Safety Movement Foundation. The Patient Safety Movement Foundation was founded by Joe Kiani, our Keynote speaker at Seminar 2017. The Patient Safety Movement Foundation's mission - "to educate providers, health professionals in training, patients, and families about patient safety", and vision - "to get to zero preventable deaths", fit very nicely with the CSHP Foundation's mission and vision - "to promote public health and the safe use of medication".

I am also pleased to report that the Foundation has approved an investment policy and plan to keep our funds - the Foundation General fund and the Beckerman and Carbone memorial scholarships - safely invested. The core seed money is secure and thanks to your generous donations, the funds are strong.

Finally, I wish to congratulate and introduce our 2018 Joseph H. Beckerman and John J. Carbone scholarship recipients. Congratulations to Brian Ma, PharmD Candidate from the University of California San Francisco School of Pharmacy, recipient of the Joseph H. Beckerman Memorial Scholarship. I also want to congratulate Alexia Kimura, from the University of California San Francisco School of Pharmacy, recipient of the John J. Carbone Memorial Scholarship.
