

Brown Bag Event

SSHP held their annual Brown Bag Event on October 21st 2023, at Mt San Antonio Gardens. In collaboration with pharmacists from Huntington Hospital, student members from our chapter were able to interact with the residents for medication review and reconciliation. Student pharmacists had the opportunity to review health history, provide medication counseling, educate geriatric patients on the importance of their medications, and encourage adherence. We had a successful turnout and our members were able to make a difference for the residents.

'Life After Graduation' Talk

On October 19th 2023, SSHP held a 'Life After Graduation Talk' over Zoom with Dr. Libby Shelton, an Industry Pharmacist working for Daiichi Sankyo in conjunction with Rutgers, and Dr. Mehr Virk, an Emergency Medicine Pharmacist working at UC Davis. Our members had the opportunity to talk and engage with these pharmacists to learn more about their everyday work life, ask questions about residency and fellowship, and learn what their prospective specialties have to offer.

DR. MEHR VIRK
Emergency Medicine Pharmacist

DR. LIBBY SHELTON
Industry Pharmacist, Mentor

CSHP Seminar

SSHP members attended CSHP Seminar at the Long Beach Convention Center from October 12th 2023 - October 15th 2023. Members from our chapter participated in Quiz Bowl as well as the Clinical Skills Competition. We also had the opportunity to attend various workshops, speaker events, and interact with other pharmacy students and pharmacists from all around California.

CSHP KGI Reception

On October 13th, 2023, our members came out for the KGI Reception at CSHP Seminar. Our members had the opportunity to engage and interact with other students, alumni, and professors at this event. We had an amazing turnout which served as a great opportunity for our members to network and have a fun time with previous KGI members and faculty.
