

Earn Your Advanced Practice Pharmacist (APP) Certification - Two Upcoming Dates!

Looking to advance your clinical skills and expand your practice authority? We have important updates regarding our [CSHP Advanced Practice Pharmacist \(APP\) Certificate Program!](#)

We currently have one final date left for 2026 in December that still has seats available. If you are hoping to complete your certification before the year wraps up, now is the time to secure your spot.

Additionally, we are excited to announce our **first new 2027 program date coming up in March!** Whether you are planning ahead for next year or looking to finish 2026 strong, we have options to fit your schedule.

Upcoming Program Dates:

- **December 2, 2026 Session — Last remaining seats of the year!**
- **March 3, 2027 Session — Newly announced!**

Why Complete the CSHP APP Certificate Program?

Designed for pharmacists looking to provide patient-centered care at the highest level, this comprehensive program covers advanced clinical assessment, collaborative practice agreements, patient communication, and health-system implementation.
