

## Celebrating Members Who Help Our Community Shine

CSHP is proud to recognize our 2024–25 [Star Award](#) recipients — members who have gone above and beyond in strengthening our professional community by recruiting new CSHP members!

Each year, CSHP honors members who help grow our Society and advance the voice of health-system pharmacy in California. In appreciation, recipients receive CSHP Bucks valued at 10% of their annual dues, which can be used toward membership renewals, meeting registrations, and sponsorships.
