

## **Cynthia Bennett Named CSHP's 2024 Technician Achievement Award Recipient**

Awarded annually, CSHP's Technician Achievement Award recognizes a pharmacy technician who participates in CSHP activities, provides exemplary service to the pharmacy profession, and participates in activities that promote the advancement of pharmacy technician roles within the profession. **Cynthia Bennett, CPhT, CSPT**, has been selected for this year's CSHP Technician Achievement Award.

Ms. Bennett has been an active member of CSHP for many years, contributing significantly to the organization through a multitude of roles and responsibilities including serving on the Seminar Planning Committee (2018-current), the Pharmacy Technician Executive Leadership (2019-2023), the Continuing Pharmacy Education Committee (2019-2021), and serving as the Pharmacy Technician Liaison for the South Bay/Long Beach Society of Health Systems Pharmacists (2019-current).

As an Executive Assistant to the Vice President of Medication Management and Laboratory Services at PIH Health, Ms. Bennett has continued to demonstrate exceptional organizational skills and a profound understanding of regulatory compliance through her pivotal role in establishing new workflows for in-patient pharmacies, ensuring adherence to USP and standards. Her efforts have not only improved operational efficiency but also enhanced patient safety and care quality. She continues to teach Sterile Compounding at Marshall B. Ketchum University, College of Pharmacy as well as teaching a Pharmacy Technician Program at NLMAS.

Ms. Bennett has also demonstrated remarkable qualities of her commitment to continuous learning and professional development by regularly leading workshops, seminars, and continuing education courses to stay current with the latest advancements in pharmacy practice. This dedication not only improves her own skills but also positively impacts her colleagues, as she frequently shares valuable insights and best practices with the team.

We are proud to award Ms. Bennett with this achievement in recognition of her commitment and contributions to the pharmacy profession in California. She will be recognized during CSHP's Seminar 2024 Awards Ceremony on Saturday, November 2, 2024.
