- Be the author's first publication in a peer-reviewed journal
- Be a CSHP member
- Submissions from new practitioners, residents, fellows, and other new authors are encouraged

Founded in 1962, the California Society of Health-System Pharmacists (CSHP) is a non-profit professional association established to serve the needs of hospital and health-system pharmacists. Representing over 4,000 members who practice clinical pharmacy and specialized medicine, CSHP is the largest state association for pharmacists. CSHP members share a common mission – to promote wellness, patient safety and the optimal use of medication.
