#### Other Funding Methods
Funding for the chapter is provided through workshops offered to counselors and other mental health providers in the New Orleans community. The primary events are listed below.  

**Big Times in the Big Easy Series** - This series of one-day workshops features many nationally recognized counselor educators and practitioners and provides students and mental health professionals with training in topics and issues relevant to counseling.  
**Louis V. Paradise Alumni Conference** - This annual workshop features leaders in the field of counseling and provides relevant training on current counseling topics.  
**Graduation Celebration** - This biannual event is free to graduating counseling students and CSI initiate, but all guests must purchase tickets. The event is catered and features awards and recognition for counseling graduate students.

#### Initiations
Initiations are held twice per year in May and December to coincide with the a program wide event to recognize graduates and other counseling honorees. These events are catered events held on the UNO campus in the evening. Admission is free for initiates and other guests pay $15 per ticket.

#### Business Meetings
Business meetings are held approximately 4 times per semester - once at the beginning and end of the semester, and then as needed throughout the semester. The meetings at the beginning and end of the semester are held at the CFA's home and the others are held on campus.

#### Workshops
In addition to the workshops described in the "other funding methods" section, we held two workshops (one in the spring and one in the fall) for students interested in presenting at counseling conferences (addressed proposal preparation, submission, and presentation), a workshop for students entering the working world (addressed the question "how do I get my first job as a counselor?" and was held in the spring), and two National Counselor Exam preparation workshops (held in the spring in and fall for 4 consecutive weekends each time) for students and counselors seeking licensure.

#### Social Events
In addition to the social events listed already, we held a new doctoral student mentorship mixer in the spring and fall at a CSI member's home. We hosted 2 (one in the spring and one in the fall) "back to school" social events for all counseling students at counseling program faculty members' homes, and we conducted a CSI chapter awards luncheon in October.

#### Newsletter
Our chapter is in the process of developing a vital newsletter.

#### Other Activities
In the spring 2004 Dr. Tom Sweeney was the featured speaker at our annual CSI induction dinner.

#### Accomplishments
Jonathan Orr, doctoral candidate, was selected as a CSI Fellow for 2004-2005 and Lea Flowers, doctoral candidate, was selected as a CSI Intern for 2005-2006.
Chapter Name: Alpha Mu
University: Walsh University
Web Page: www.walsh.edu  Link to grad programs
Chapter Dues: Dues are $10.00 per year.
Other Funding Methods: Funding methods include dues, scholarship donations, professional development programs, interest from the SLB scholarship endowment fund, basket raffles, sale of travel mugs, and direct solicitation.

Initiations: Alpha Mu chapter of Chi Sigma Iota held its 18th annual Induction Ceremony on November 13, 2004 in the Founder’s Room on the Walsh Campus. After introductions, the Sandra Lopez Baez scholarship recipient was named. The president initiated 16 students and one professional member. The guest speaker, Dr. Holly Moorhead, presented, The Counseling Philosophy: Wellness. President Guissome from Walsh University also addressed the luncheon. CEU’s were awarded for attendance.

Business Meetings: Business meetings were held once a month on the third Saturday of each month from September to May. The Executive Board and the Committee members followed an agenda which addressed business and updated the group about upcoming projects.

Workshops: Alpha Mu’s main workshop will be held on May 13, 2005 at the Walsh Campus. It will be titled, Risk Assessment: Violence, Suicide, and Stalking. Dr. Rusnick, internationally known for forensic psychiatry, will explore prevention of violence toward self and others, improving interviewing techniques in the assessment of dangerousness to self and others, recognizing legal issues in risk evaluation, and improving the level of practice regarding risk assessment. The workshop will run from 8:15 until 4:45 and six CEU’s have been approved by the Counselor and Social Worker Board.

Social Events: We are holding our First Annual Alpha Mu Brunch on May 21, 2005. This gathering will encourage networking, meeting the new Board members, and offer opportunities to learn more about Alpha Mu for its members. We also have a Bon Fire scheduled for fall of 2005 for Alpha Mu members and their families as a time for socializing and networking.

Newsletter: Alpha Mu published one four-page newsletter in November, 2004 and one four-page newsletter in March, 2005. We will publish one more four-page newsletter in May, 2005.

Other Activities: Alpha Mu offers several "Movie Nights" where members come together to view a movie which explores multicultural issues. After the movie, members discuss the moveie to earn CEU’s for their participation. This was done twice a year.

Accomplishments: Alpha Mu started an endowment fund of $4000 for the Sandra Lopez Baez scholarship which will earn interest and help to generate funds to continue this scholarship. The scholarship is awarded once a year and the recipient receives $1000 toward their tuition. Alpha Mu recognizes the importance of education and this scholarship provides financial assistance to graduate students to promote their education.

**University**  
University Of Toledo

**Web Page**  
http://cmhs.utoledo.edu/csi_ut/default.htm

**Chapter Dues**  
$5.00 per year

**Other Funding Methods**  
This organization also used raffles as a supplemental method to obtain funds.

**Initiations**  
04/15/05 (University of Toledo). This year, our chapter initiated 27 new members to Chi Sigma Iota. At the initiation, Dr. Osbourn, from Kent State University, was our speaker.

**Business Meetings**  
10/06/04 (University of Toledo) û In this meeting there was a discussion of the newsletter, the web site, and community events for this year. This year, the group decided to give gifts during the holiday season. There were suggestions about other events like walk for the cure, Depression Screening Day, or Alcohol Screening Day. There was also a discussion about social events like a potluck and a Halloween party. One member also suggested wearing the CSI pin during different CSI events.

11/08/04 (University of Toledo) û In this meeting, there was a discussion on the spring initiation. Specifically there was a discussion of planning for the initiation. There was a discussion on speakers for the event and catering for the event. There was also a discussion on the procedures for informing nominees for induction. This year there will be a letter informing each member of his or her acceptance into CSI. There was also a discussion of a winter party. One member offered to host the event. The event was scheduled for December 7th. There was also a discussion about the web site and updating the site. Finally, one member suggested a workshop for the spring. A discussion of when and where this should take place occurred. There was also a discussion of the theme of the workshop.

12/06/04 (University of Toledo) û The meeting discussed the winter gathering and its preparation. One officer stated that he will take care of the gathering and that it is getting prepared. There was also a discussion about events for next year. The group discussed fundraising, and social events for the spring semester. It was decided to discuss this more in depth at the next meeting.

02/01/05 (University of Toledo) û This meeting there was a discussion of the newsletters and obtaining authors for various articles for the next issue. Members also talked about different fundraising methods. One suggestion was a 50/50 raffle while another suggestion was a bake sale. These were voted on and agreed to. One member also suggested having a bowling night as a social event. This was discussed and then voted on.

03/21/05 (University of Toledo). The first topic discussed was the initiation ceremony to be held in April. Each officer gave their report on their task for the ceremony. The past-president stated that all the accommodations for the speaker and food for the ceremony was taken care off. The president discussed other details that he has been working on for the initiation. Specifically, the president talked about what needed to be completed and what is ready for the ceremony. The advisor also discussed the ceremony and the format of the ceremony. Another member discussed the awards, and provided examples of what the awards would entail. Then there was a discussion of the poster presentation for the ACA conference. The president updated
the status of the poster. Finally, there was a discussion of the raffle and its success at the bowling night. The group talked about how this was an effective way to raise money, and suggested other ways to raise money for next year.

**Workshops**
09/04 (University of Toledo). The past president along with other CSI members had a workshop for new students to discuss Chi Sigma Iota and general questions about the University of Toledo doctoral program.

**Social Events**
Back to School Bash (9/04). This event was an open house at the local park for all Chi Sigma Iota members, University of Toledo Counseling faculty and students. This event entailed an opportunity for members, faculty, and students to meet in a non-traditional setting and have non-members learn more about Chi Sigma Iota. There was also a raffle to raise money for our chapter.      
Halloween Party (10/04). This event provided another opportunity for members to meet in a non-formal setting, and enjoy the fall season and the company of other members.      
Winter Gathering (12/04). Past President opened his home so that all members of Chi Sigma Iota and members from other Chi Sigma Iota chapters in the area would be able to meet, and enjoy the holiday season.      
Bowling Night (02/05). Members gathered and enjoyed a night of bowling and socializing with other Chi Sigma Iota members. There was also a raffle to raise money for our chapter.

**Newsletter**
This year, one of the officers developed and published a monthly newsletter for our chapter of Chi Sigma Iota. The newsletter provided information about upcoming Chi Sigma Iota events, information about the chapter and its members, and highlighted events important to counselors in the upcoming months.

**Other Activities**
Cherry Street Mission Food Drive (11/04). Members of the Alpha Omega chapter collected food to be donated to a local shelter in Toledo, Ohio.      
Gifts for Drug Court (12/04). Alpha Omega Chapter members donated gifts for family and children that are involved in the local Drug Court system for the holiday season.      
This year, the Alpha Omega Chapter launched a web site for our chapter.

**Accomplishments**
This year, the Alpha Omega Chapter of Chi Sigma Iota became recognized as a student organization at the University of Toledo. This chapter developed a presentation for CSI day at the ACA conference. This presentation was one of twelve that was accepted. At the ACA conference, various members of Chi Sigma Iota presented the poster

**Other Funding Methods**
- Workshops and Yardsale: As a fundraiser we had a rummage sale on March 5th, 2005 where we sold items for minimal costs and raised $560, which was deposited in our chapter bank account. Also, some funds were received from our annual workshop held here at AUM. We provide the workshop free for CSI members and site supervisors. Others who attend pay a small charge. This year we provided free CEUs for the site supervisors. Two planned fundraisers had to be cancelled. The AUM annual Mardi Gras celebration was cancelled due to weather. We had planned to sell temporary tattoos to children. Also, our plans to have a junk car and sledge hammer at AUMÆs AUMFest with the theme ôTake a Dent Out of Stressö had to be cancelled due to logistical complications. AUMÆs Student Services contributed monies to assist in sending members to the ACA Conference in Atlanta where members participated in the Leadership Training and CSI business meeting as well as benefiting from attending various workshops.

**Initiations**
Two initiations were held with one in the spring and the other during the fall semester. One was held at AUM, prior to a meeting with refreshments served. The second occurred in conjunction with a dinner at a local restaurant.

**Business Meetings**
One general membership meeting was held each semester and one additional executive meeting was held Fall 2004. Topics discussed included: service project exploration, fundraising ideas and planning, chapter organizational needs, community service projects, and membership. Pizza or snacks were served at some of our meetings. Dates of meetings: June 22, 2004

Initiations: We held one initiation on Saturday, April 2nd from 6 to 9pm at the Student Union at the University of Florida. The dress was business attire. The evening included a catered dinner, guest speaker, initiation ceremony, and awards.

Business Meetings: We held two planning meetings during summer 2004. They were held at the president's home. During the fall and spring semesters, we held one business meeting per month, except for December. Most of the meetings were held at school but a few were held at members' homes. We offered a pizza or pasta dinner at almost every meeting. Dates of meetings: 8/10, 8/31, 9/30, 10/26 (members' home), 11/30 (members home), 1/27, 2/24, 3/23, 4/20. At the meetings, we discuss the Chapter's future and past activities. We also discuss issues effecting the counseling field and students in our particular counselor education program. During several of our meetings this month, we had faculty members make presentations on issues of interest to the chapter members, such as international counseling issues and "what to do before graduation." Meeting minutes are posted to our web page after the meeting.

Workshops: The Beta chapter advertised local workshops, however we did not hold any. Instead, we offered "brown bag lunch" discussion sessions with faculty members. Faculty Presentations and discussion session on counseling related travels to China and Africa on 9/21. Faculty Presentation and discussion session on Licensure for Mental Health and Marriage & Family on 3/21.

Social Events: Our social committee chair organizes weekly social gatherings at restaurants, sporting events, parties, bowling alleys, movie theaters, etc. The weekly events are called "Where's Rew?" because Rew is the name of the person planning the social event. The events are announced on the student list serve for our counselor education department. Students, faculty, and significant others attend. Where's Rew usually takes place on Friday night. We had approximately 30 Where's Rew. When Rew is out of town, sometimes another member will host the event in their name. For example, one week we had a "Where's Kerry." In addition to "where's Rew, we shared two department pot lucks with another student organization in our department.

Newsletter: We did not publish a print newsletter this year. All of our activities were documented on the web page.

Other Activities: Our community service activities include the following: -Project Inspiration (sharing literature with adolescents in the juvenile detention center) on 11/6 and 3/12. -Multiple Sclerosis walk on Saturday, April 23rd -we collected money for Tsunami Relief and donated it to UNICEF in January and February. -Adopted a family for Hope for the Holiday in December by collecting items and donating money.

Accomplishments: We have been working on a book drive since the beginning of the fall semester. This project is ongoing this summer. We will be
distributing these books at the end of the summer or early next fall.
Chapter Name: Beta Alpha Omega

University: University of Colorado at Denver

Web Page: NA

Chapter Dues: $15 per year

Other Funding Methods: Sponsored a conference including a raffle, honor cord sales, and student government funding

Initiations: Fall initiation was held on campus November 13, 2004 at the St. Francis Center. New members were initiated and graduates recognized. Keynote speaker was Javier Del Castillo, the Clinical Director for the Ponder Project. Spring initiation will be held May 6, 2005 at the home of CPCE Division Chair. New members will be initiated, officers elected and inducted, and graduates recognized.

Business Meetings: Meetings were held on campus monthly during the Fall semester. In response to a member survey, most work was done via email during the spring semester. This included planning and organization for the Spring Conference. There will be a member meeting prior to the spring initiation.

Workshops: Spring Conference was held on March 12, 2005 on campus. The conference featured 11 speakers on a variety of counseling related topics. There were 55 attendees, including CSI members, other UCD CPCE students, students from other programs and practicing counselors.

Social Events: Chi Sigma Iota teamed up with the Student Advisory Council to have a Fall Kickoff to welcome new and returning students. It was held off campus at the Paramount Cafe. Attendees paid $5 and received complimentary snacks. Drinks could be purchased separately. Approximately 80 people attended. Both the Fall and the Spring initiation include a social component.

Newsletter: The chapter did a survey of current members at the beginning of the Spring semester. Valuable information was gathered as to which activities were of most interest to members and who was willing to support those activities.

Other Activities: Chi Sigma Iota - Beta Alpha Omega put on their first conference. There were 11 speakers on topics such as school counseling, grief and loss, dance therapy, music therapy, issues for new counselors, Jungian therapy, private practice, family violence and pre/perinatal psychology. The 55 attendees came not only from the UCD Counseling Program, but from other counseling programs and community agencies. The conference evaluations provided very positive feedback on both the overall conference organization and the individual speakers. This event also raised funds to be used to provide financial assistance to members who wish to attend counseling conferences.

<td>Initiations</td>
<td>Beta Kappa Tau holds one initiation per year. This year the initiation was held on Saturday, April 23, 2005, at the historic Austin College building on the campus of SHSU. Nineteen new members were initiated, and the 2005-2006 officers were installed: President, Mary Causey; Vice-President, Leslie Norton; Treasurer, Debbie Choate; Secretary, Agnes Holland; Membership Chair, Janet Kiel; Service Chair, Sarah Kinsworthy. In addition, five awards were presented to recognize our members: Outstanding Community Counselor, Karen Herbst; Outstanding School Counselor, Brenda Bond; Outstanding Leadership, Agnes Holland; Outstanding Counseling Student and recipient of the Genevieve Brown Scholarship; and Outstanding Counselor Educator, Dr. Emily DeFrance.</td>
</tr>

## Business Meetings

This year, Beta Kappa Tau held four business meeting for officers and the Executive Board: September 1, 2004; October 30, 2004; January 10, 2005; and April 23, 2005. All meetings were held in the Counselor Education Center on the SHSU campus.

## Workshops

On October 30, 2004, Dr. Ed Davidson, a licensed psychologist, presented a six-hour workshop entitled "Psychopharmacology," which updated attendees on current treatments for mental health diagnoses. This workshop was held in the Teacher Education Center at SHSU and awarded CEU's for licensure and certification requirements, or counted as a one hour college credit. Our Spring workshop, entitled, "Pain Management," was held at the Montgomery County University Center. This three-hour workshop was presented by two doctoral students in the Counselor Education Program at SHSU, Ed Flowers, LPC, and Rachel Phelsp, LPC-I.

## Social Events

At the beginning of each semester, officers and members of BKT held a social hour to "meet and greet" new students entering the master's program in counseling at SHSU. Following a short informative presentation and a "Q and A" session, refreshments were served before the new students met with their advisors. These social hours were held June 1, 2004, August 24, 2004, and January 10, 2005. In addition, two social events, "A Break with BKT," were offered for students attending evening classes in the graduate programs in Educational Leadership and Counseling. During the week of October 25-October 28, 2004, and December 6-10, 2004, BKT offered cookies, candy, conversation, and encouragement to ravenous graduate students during the evening class breaks.

## Newsletter

Our yearly newsletter, "Reflections," is currently being printed and will be mailed and distributed prior to May 15, 2005.

## Other Activities

This year BKT sponsored a three-hour Ethics Institute for the Department of Educational Leadership and Counseling in the SHSU Teacher Education Center on October 9, 2004. The presenters were doctoral students from the Counselor Education Program, and topics were offered in mini-sessions which allowed attendees to pick and choose from a variety of dilemmas in ethics for mental health and educational professional across many settings. BKT also collected
money during our "Break with BKT" in December to fund our Christmas project. We collected $166, $100 of which went to a single-mother graduate student who needed money for rent and for gifts for her 18 month-old child. The remaining $66 was donated to the "Angel Project" at Mance Park Middle School in Huntsville, a Christmas project which purchased Christmas gifts for needy students and their families.

**Accomplishments**

We are very proud of the continuing success of our "Break with BKT" and with our new student orientations, which are hits with faculty and students alike. However, this years Ethics Institute proved to be one of our most well-received and well-attended events ever. Not only did it offer the much-needed three hours of CEU's in ethics for our licensed professionals, it also afforded doctoral students an opportunity to hone their presentational skills before a professional audience.

Initiations  Held April 11, 2005, at Georgia State University. Dr. Pam Lassiter was keynote speaker. Chapter Awards and The JoAnna White Founder's Award were awarded. CSI Executive Council and Faculty Advisors were present. Approximately 45 new members were present and initiated.

Business Meetings  One Executive Council Planning Retreat was held off campus on July 9, 2004. Two business meetings were held on campus during the Fall of 2004. Three business meetings were held on campus in Spring 2005 (1/7/05, 2/25/05, 3/25/05), as well as the CSI International Executive Council Meeting (4/7/05).

Workshops  2 Major Professional Development workshops were initiated during the 2004-2005 year: (1) Step Parenting Education Program with Don Dinkemeyer, Jr. Held at GSU on 09/14/05. 47 registered, to include both students and community professionals. This workshop introduced the basics of the Step Parenting Program, and discussed implications for its use. (2) CSI/AGLBIC Day of Learning held at GSU on 2/4/05. This event presented an entire day of learning opportunities focusing on GLBT issues and implications for counseling and advocacy. It also featured poster and workshop presentations by GSU Counseling students. Approximately 150 were in attendance throughout the day, to include students, professors, CPS staff members and community members. Two Lunch and Learn workshops were held during both the Fall and Spring semesters.

Social Events  Two events were held at Georgia State University. (1) Annual Fall Welcome held September 1, 2004. Social gathering facilitating the interaction among students and professors. Food was served. Approximately 65 in attendance. (2) Annual Career Night held February 16, 2005. Approximately 100 in attendance. 12 Counseling sites participated and met with students interested in an internship or job opportunity.

Newsletter  Made available an electronic version of our CSI chapter newsletter in addition to the traditional hard copy. The Newsletter was circulated during Fall 2004 (September 2004 - all Edition) and Spring 2005 (March 2005 - Spring Edition). Both newsletters were 14 pages in length.

Other Activities  Participated in Turner Volunteer Day on 9/18/04 and initiated a School supply drive that ran from July 16, 2004, until September 14, 2004. The supplies were donated to a Metro Atlanta Elementary School. The Executive Council also increased visibility of CSI throughout the department by participating in departmental activities, speaking about CSI in counseling classes, presenting information about CSI to the LPCA student affiliate organization during one of their business meetings, posting information on the CSI bulletin board in the hallway of the department, and setting up a CSI informational table in the lobby of the department.

Accomplishments  CSI co-sponsored the First (and possibly annual) CSI/AGLBIC Day
of Learning. This was an all-day professional development activity to promote awareness, sensitivity and advocacy regarding GLBT issues in counseling. This workshop brought together academia and the community, and served as a vehicle to provide our student members with professional presentation opportunities. Many students presented poster presentations, participated on panel discussions and conducted workshops. The event was videotaped and the keynote and endnote speaker was our very own, engaging Dr. Brian Dew.

Initiations:
1 initiation/new officer induction: 4/24/04  Location: Group Realty Building in Fort Collins, CO  Description: An induction ceremony for the 2004-2005 academic year. 11 new members and 8 new officers were inducted. New members were given certificates and pins. Graduating members were recognized. The theme was "Excellence in Counseling". Our keynote speaker, Charlotte Jackson, was a former counselor and counseling coordinator for the local school district, and served for over 30 years in the counseling profession. Chi Sigma presented her with a lifetime achievement award. Approximately 35 people attended, including family members, community members, CSU students, faculty, and former supervisors of counseling interns.

Business Meetings:
2 General meetings: 9/13/04 and 3/24/05  Location: Education building on the CSU campus  Description: We discussed upcoming events, fundraising, community outreach activities, and ways to increase membership and chapter visibility. 4 Executive team meetings: 6/4/04, 8/24/04, 9/9/04, and 3/24/05  Locations: The June meeting was a summer kickoff and planning meeting at an executive team member's home. The March meeting was to discuss nominations and elections of new officers, and to begin planning our induction ceremony.

Workshops:
1 Workshop: Study-In for the written comprehensive exam.  Date of workshop: 10/2/04  Location: On campus (Education bldg.)  Description: Comps Study-In. Coordinated by the chapter president and a general member. Professors shared tips on how to prepare for the written comprehensive counseling exam, the state certification exam, and the NCE. Participants received handouts and did sample test questions in the form of multiple choice, matching, fill-in-the-blank, crossword puzzle, and brainstorming in groups.

Social Events:
We held a holiday party near the end of first semester at C.B. & Potts, a local restaurant, for Chi Sigma members and students in the CSU counseling program. Chi Sigma paid for hors d'oeuvres.

Newsletter:
Our president-elect distributed a monthly activities report to all Chi Sigma members in September, October, November, December, and January.

Other Activities:
A. The chapter officers gave a Powerpoint slide presentation on Chi Sigma in a counseling class early in the Fall semester of 2004 to promote chapter membership.  B. Wall of Fame bulletin board: We continue to update our bulletin board in the Education building recognizing achievements of our chapter, program graduates and professors.  C. Salsa fundraiser. Our school representative coordinated making and selling homemade salsa to students in the counseling program. The salsa sales brought in approximately $500.  D. The Secretary/Treasurer, with the help of our faculty advisor, updated our chapter contact list with phone numbers and e-mail addresses of current members and alumni. Our faculty advisor encourages all students to register with the program and chapter listservs.  E. Circulated a Project Interest Sheet to classes in the
counseling program, requesting that students sign up for, or indicate their interest in, assisting with chapter activities and committees.

**Accomplishments**

Comps Study-In. The Study-In is an all-day event to help counseling students prepare for the written comprehensive exam, the NCE, and the state certification test for school counselors. This year we charged a $5 fee to offset the cost of materials and pizza. This is the third year we have held the Study-In. Activities included faculty answering questions and participants working in small groups to answer sample questions, filling out a crossword puzzle on tests and assessments, and brainstorming information on various topics in counseling. All information correlated with categories listed in CACREP standards and information that was covered in classes. Approximately 30 students participated and we have received many requests to hold a study-in every year in the fall.

Initiations: One initiation was held on April 2, 2005. Faculty, family, and friends joined the new initiates at the 9th Annual Initiation and Installation of Officers Ceremony held in the FIU Panther Suite Lounge in the Graham Center. Following a full buffet lunch and a presentation by our guest speakers, initiates were awarded with both an attractive certificate and lapel pin indicating their membership in the honor society. Additionally, last year's executive officers were recognized and this year's officers were instated. Outgoing officers included chapter president Shannon Prior and Secretary/Treasurer Elizabeth Blake. The new officers include President Kristin Bryant (last year's President-Elect), President-Elect Eva Ruiz, Secretary Bonnie Kennedy, and Treasurer Para Afshar.

Business Meetings: 4 Business Meetings were held this year, all in the department conference room (ZEB 214):  
September 15, 2004 - Activities included: 1) a membership meeting for interested students was held at the beginning of the meeting, 2) the Executive Committee made arrangements for those who were attending the Florida Counseling Association Conference, and 3) we decided to initiate our second supply drives to aid hurricane victims.  
February 8, 2005 - Activities included: 1) Delta Iota Q & A Session for Counselor Education Students "Everything I Want to Know About Counselor Ed but was Afraid to Ask", 2) Delta Iota sponsored Kai Oginga from the teacher certification office to answer questions about state exams and teacher certification, 3) Nominations for Executive Officers for 2005-2006 year were solicited, and 4) Initiation Ceremony specifics were discussed.  
March 15, 2005 - Activities included: 1) Acknowledgement of newly elected executive officers, 2) CSI Initiation ceremony details decided, 3) Group volunteer orientation for Hands-on-Miami was scheduled for the Summer, 4) the need for a "new student orientation and information session" was established, 5) specifics related to the Guyana flood donation drive were discussed, and 6) Other business was discussed.  
April 7th, 2005 - Activities included: 1) discussed our involvement with the University Honor's Council, 2) brainstormed possible fundraising ideas as we are in desperate need of money (possible raffle idea), 3) planned a social event at Don Carter's in Kendall for April 22 at 7pm, 4) planned the volunteer orientation for Hands on Miami for the second week in May, 5) discussed other volunteer ideas.

Workshops: One workshop was held on April 2, 2005 at the FIU Panther Suite Lounge in the Graham Center. This two hour presentation was made by Alexis Sims, Psy.D. and Rullina Acra-Cabral, RD, LD/N entitled Psychological and Nutritional Interventions in the Treatment of Eating Disorders.

Social Events: We sponsored four social events this year. First, in April 2004, we met at Monty's Restaurant in the Grove to celebrate the new members and officers. Next, we got together at Dave and Busters at the Dolphin Mall right before Thanksgiving (2004) to celebrate the
success of the SafePlace donation drive. Following that, we sponsored a Study Break Social right before Final Exams Week in December (2004) at Tu-Tu Tango restaurant in the Grove. And finally, we had another Study Break Social on April 22nd at Don CarterÆs Bowling Alley in Kendall.

Newsletter
We published one newsletter this year (January, 2005) with 8 pages (4 front and back).

Other Activities
Accomplishments
This has been an extremely busy and productive year for our chapter of Chi Sigma Iota. Our focus this year has been on assisting those in need, both locally, nationally, and internationally. First, during the Fall Semester, we identified a local organization in Homestead, Florida called Safe Place, which is a temporary emergency shelter for battered women and children. Safe Place offers shelter, protection, and provides for basic needs. They also offer counseling and parenting skills training. CSI sponsored a donation drive and we amassed and delivered an enormous amount of supplies, food, clothes, toiletries, games, and toys to the shelter in Homestead on July 20th. The staff at Safe Place were extremely grateful and thanked us for our efforts and contributions.

Next, following the four hurricanes that impacted so many lives this past summer, Delta Iota conducted a toy drive among students and faculty in our Counselor Education program. The response was overwhelming - a huge success!!! In addition, several Delta Iota members put together a pamphlet on helping parents to speak to children about æCoping with a CrisisÆ which was to be included with the toys. After completing the toy drive we contacted the distributing agency for a time and place where the toys could be dropped off. Unbeknownst to us, there had been a "deadline" for charitable contributions and we had missed it!!! So there I was with a garage full of toys, with nothing to do but listen to my wife ask when she could park the car in the garage again. As you can imagine, we were in need of a place to send these generous contributions. And along came Golnaz Sharifi, our Chair of Public Relations. She just happened to be a part of a small group of people whose mission it was to reach out to the poor and undeserved populations of South America. So, Golnaz and three other volunteers traveled to Loja, Ecuador for the holiday break from December 20th through December 30th and visited children in orphanages, hospitals, and three indigenous villages. This group greeted the children with teddy bears, coloring books, candy bags, and toys from the CSI Toy Drive. You can imagine the response they received from these thankful children. As you can imagine, there was a great worldwide response for the recent Tsunami Victims. But, little was known about the recent tragic floods that caused mass devastation in Guyana. Many families lost their income and belongings and are now trying desperately to rebuild their lives. Delta Iota sponsored a third supply drive that just ended this week which included food, hygiene, and medical supplies. Again, Dr. HagedornÆs garage and office overflowed with donations. All of these goods (over were shipped to Georgetown, Guyana to the Guyana Red Cross and Habitat for Humanity. We expect a great response from the hard work that our members and Counselor Education students have dedicated to this worthy event. We feel like we have contributed to those in need around our neighborhoods, state, and world and are proud to have sponsored these supply drives.

### Chapter Dues
$35.00 to join + $10.00 per year

### Other Funding Methods
Moneys raised during the F.E. Woodall Spring Conference for the Helping Professions

### Initiations
Initiations have traditionally been held twice per year. Fall 2004 was held on 10/25/05. Spring 2005 was held 4/26/05. Both are held in the Ewing building, third floor, with a reception that follows.

### Business Meetings
The secretary for our chapter kept track of all business meeting minutes until she withdrew from her position following a family crisis. Business meetings are held approximately twice per semester, but I do not have access to that specific information at this time.

### Workshops
Workshops are sponsored at the Spring Conference, April 13, 2005. There is also an orientation for new students the first weekend of every semester, which includes an orientation section and snacks.

### Social Events
An orientation is held at the beginning of each semester for new students, followed by a reception for new students, current students, faculty, and staff.

Workshops  
CSI co-sponsored a workshop with the Counseling and Psychological Services Center and the Office of Professional Development on Dialectical Behavior Therapy for Borderline Personality Disorder. The Workshop took place on October 11, 2004 at the Deaconness Medical Building.
Social Events

We served cookies and refreshments at February 2, 2005 General meeting held at the EWU Spokane Center to encourage attendance. We had a pizza party to encourage attendance at our March 2, 2005 general meeting held at the EWU Spokane Center.

Newsletter

Three quarterly newsletters were published. The newsletters were distributed early-fall 2004 with 5 pages, mid-winter 2004 with 8 pages and mid-spring quarter 2005 with 5 pages.

Other Activities

CSI provided decorations for the Annual Supervisor Luncheon on May 28, 2004 held in the EWU room at the Spokane Valley Mall. We organized mentorship pairings for incoming graduate students that paired each individual first year student with a second year graduate student in fall of 2004 and provided cookies and refreshments for the Mentor-Mentee Town Hall meeting September 27, 2004. We participated in several local volunteer events with the first being the Tree of Sharing in December 2004 where we contributed 24 volunteer hours. The next event was Toys for Tots in December 2004 with 47 volunteer hours. We contributed 20 volunteer hours at the Bowl For Kids' Sake event and raised over $700 on March 23, 2005. We contributed 8 volunteer hours at the Breast Cancer 3 Day on April 16, 2005. We contributed 9 volunteer hours at the March of Dimes Walk on April 23, 2004. We contributed 12 volunteer hours at the Crop Walk for Hunger April 24, 2005.

Accomplishments

We have increased membership by 20 members since the Fall of 2004 and were able to offer two membership scholarships in the winter quarter. We have begun to collaborate with the Washington Counseling Association and the Washington School Counseling Association for a CSI sponsored student webpage located at the WCA and WSCA websites.
Chapter Name: Epsilon Gamma Pi
University: University of South Dakota
Web Page: http://www.usd.edu/cpe/chisigma
Chapter Dues: $15/year

Other Funding Methods: During the summer and fall semester the Epsilon Gamma Pi chapter sold shirts during the New Student Orientation and on campus at the School of Education. In late November 2004, members began fundraising through CURRENT. During February 2004, members continued to promote fundraising by selling Yankee Candles. As reported in the Annual Plan for 2003-2004, our chapter did look into receiving monies from USDÆs student activity funds, which are awarded through the student association; however, we did not qualify because the international honor society has membership requirements that prohibit us from receiving money from the school. However, we do receive updates from the SAC and also are listed as a campus organization. In December 2004, Epsilon Gamma Pi continued with fundraising efforts. The chapter engaged in gift wrapping at a local Barnes and Noble and earned a certain percentage of those profits. Our final fundraiser involved selling baked goods to students and faculty one week before finals; this funding went toward sending a representative to the ACA Annual Convention. Epsilon Gamma Pi also held a raffle on campus in February 2005. The money earned from the various fundraising activities will be utilized to fund the initiation and new student orientation in 2005.

Initiations: New member initiation occurred April 24, 2004 off campus. In addition to acknowledging new members, the ceremony included the installation of new officers and recognizing the effort of graduating students. Following the initiation a year end social was held off campus.

Business Meetings: There were nine meetings from March 04 to March 05 which were held on and off campus. Topics discussed included new student orientation, fundraising, social events, ACA/SDCA involvement and conventions, membership promotion, professional workshops, by-laws, and initiation of new officers. During our March 2005 meeting, Dr Korcuska announced that he is stepping down as faculty advisor in order to allow other faculty to become involved in Chi Sigma. Dr. Korcuska has served for a great deal of time, and will be greatly missed in the Fall. Dr Seth Olson is going to be the new faculty advisor, and is excited to be a part of Chi Sigma. We, as a group, welcome him, and look forward to working with him.

Workshops: In September 2004, Epsilon Gamma Pi organized an orientation for new students. In addition to introducing faculty members to new students, the orientation included information pertaining to core requirements, professional organizations, comprehensive exams, and the National Counselor Examination. February 2005, the chapter hosted a question/answer meeting with SDCA on campus as a professional development workshop for graduate students in the counseling program.

Social Events: On November 20, 2004, the social chair organized a social event at a restaurant in Sioux Falls. Alumni, faculty, and current members were invited to the event. Additionally a Multicultural Holiday Party was held on December 10, 2004, in which members promoted a
multicultural atmosphere by encouraging guests to share an ethnic dish. Finally, at the South Dakota Counseling Association Annual conference, the chapter hosted an ôAll-Student Socialö with students from Northern State University. By organizing the social, members were encouraged to interact and connect with students from other universities. Moreover, Chi Sigma with the SDCA completed a professional development workshop in which new counseling students could connect with professionals in the field.

### Newsletter

In the academic year of 2004-2005, the chapter quarter newsletter, In Focus, published three editions. Each publication averaged one page in length and included information related to current events within the chapter.

### Other Activities

In October 2004, the chapter advisor addressed the student body on issues related to the National Counselor Examination and comprehensive exams. The speaker discussed the core areas of the exams and important tips pertaining to strategies related to studying. In November 2004, the chapter advisor also discussed the internship process with the student body. In March 2005, the By-laws committee met to amend the chapter bylaws. The by-laws changes were then voted and approved by the current chapter members. In the summer 2004, a chapter powerpoint presentation was developed in order to provide more information to faculty and students during the chapter meetings. Developed a PowerPoint presentation outlining our mission, goals, and benefits of membership may be a helpful recruiting tool for orientation and to show in theories, research methods, or other related classes. Members presented posters at the Annual South Dakota Counseling Association. One of our members attended as a moderator for the SDCA.

### Accomplishments

The chapter’s most significant accomplishment included the efforts of the webmaster in establishing the chapter webpage with the Chi Sigma Iota International Honor Society webpage guidelines and format. Our page is now accessible from the university page or online from the international website. Members presented posters at the Annual South Dakota Counseling Association. One of our members attended as a moderator for the SDCA. Our chapter sent, with fiscal support, an outstanding member, Cathy Flum, to the ACA Annual Convention as our representative. As a group, we have begun a scholarship fund for sending the Chi Sigma president every three years to the ACA Annual Conference, and in off years, we will send the president-elect. We are excited for this new scholarship, and view as an important piece in developing future leaders in the field of counseling.

<td>November 19, 2004 CSI Career Night For this event, fellow counselors in the field and past graduates came to talk with current students in the department about their experiences of graduating and now being a part of the counseling field and profession. February 10, 2005 CSI-Challenge Day For this event a group of CSI members volunteered at a local high school to be facilitators of the national program &quot;Challenge Day&quot;. This was such a wonderful and powerful experience not only for the students we worked with but also for us as facilitators. The day focused on helping teens to look into themselves and their lives, and to empower them to create any life that they want, despite their upbringings. By the end of the day there was not a &quot;dry eye&quot; in the room of about 100 individuals. February 19, 2005 CSI Team Building For this event a group of trained facilitators were hired to work with our organization in building relationships, communication, team building and other essential qualities of a successful organization. It was a day filled with fun challenges and learning experiences.</td>

current members of CSI. Also, a few of our graduates came to attend this event. It was a great way to work together as a team through various challenging activities. We all felt a stronger sense of cohesion and part of a team after this experience. Another outstanding activity in which our Chapter participated in was held on February 10, 2005 CSI-Challenge Day. For this event a group of CSI members volunteered at a local high school to be facilitators of the national program "Challenge Day". This was such a wonderful and powerful experience not only for the students we worked with but also for us as facilitators. The day focused on helping teens to look into themselves and their lives, and to empower them to create any life that they want, despite their upbringings. By the end of the day there was not a "dry eye" in the room of about 100 individuals.

Initiations
We held one initiation this year on October 19, 2004. The initiation took place in Room 411 in Aderhold Hall.

Business Meetings
Business meetings were held on the second Tuesdays of each month in room 417 Aderhold Hall. During the meetings the president and treasurer gave reports. Discussions were also held regarding upcoming and future workshop and our continuous efforts to increase membership and ways to engage current membership.

Workshops
Members participated in eight (6) workshops co-sponsored with the Classic City Counselors Collaborative. Workshops were held on the first Friday of every month. These workshops focused primarily on issues regarding working with children and adolescents in both schools and communities. Member also attended and presented at several State and National professional conferences (ACA, ACES, and Georgia School Counselors Association Conference, SE Diversity Conference, Gs.NAME).

Social Events
We hosted a CSI Information day in in September and co-sponsored a recognition breakfast for local school counselors during School Counselors Week.

Newsletter
None. We're still working on getting the newsletter up and running.

Other Activities

Accomplishments
Our participation in the Recognition Breakfast for School Counselors was our major accomplishment. This event was heavily attended and was very successful.

Other Funding Methods: We held two restaurant fundraisers this year (May 2004 and December 2004). We had a bake sale for counseling awareness month, April 2004, and we had a silent auction in February 2005.

Initiations: We held initiations in the Spring 2004, Fall 2004, and Spring 2005 semesters. We have initiated over 50 students into our chapter. We had speakers including Dr. Courtland Lee, Dr. Sam Gladding, Dr. Tammy Davis, Dr. Simone Lambert, and Richard Wong, executive director of ASCA. Our initiations are held at the beginning of the semesters usually. We invite a speaker to each ceremony. We invite faculty as well and encourage students to invite family and friends. We usually start with a welcome reception and then move into the program. We also have used the ceremonies as a time to recognize faculty for their contributions. We hold the ceremonies on campus in our Johnson Center. We tend to hold them in the same room so students are familiar with our location. Our initiation held in February 2005 had over 85 attendees. That was the largest turnout and we totally did not expect it. And, today, 4/30/05 we actually inducted three members who could not attend past initiations and we initiated new officers who will take office June 1, 2005. We also used the time to recognize students who have volunteered for our chapter and a group of students how worked on a gang prevention project that has been published by ASCA. Richard Wong attended to speak on behalf of ASCA. It was a very moving ceremony today.

Business Meetings: Our chapter holds monthly leadership meetings. We have an agenda for each meeting and our secretary provides everyone with minutes approximately one week after the meeting. We use the minutes as a check off list or a to do list to take care of tasks between each meeting.

Workshops: Our CSI chapter held two professional development workshops this year. We offered a day program on solution focused brief therapy. This training was lead by Nancy Newport in October 2004. This program was designed for students and professionals. We had a good mix of students and professionals at the program. Nancy's presentation focused on solution focused/brief therapy for families and youth. In November 2004, we held a mini-conference with six different sessions focusing on various topics for mental health providers. Our program was entitled Confronting the Issues: George Mason University Counseling and Development Conference. Presentations were done by professionals in the field. Sessions included domestic violence, counseling LGBTQ clients, stalking, eating disorders, understanding suicide, and a special session on understanding the lives of women and the feminist approach to counseling. This program was designed mostly for students.

Social Events: Our chapter held two events this semester. We had a social event for the mentoring program during the Fall 2004 semester. In May 2004 we held what we called Family and Friends Night at Fuddruckers. We encouraged students to invite their family out with them to have dinner with fellow students and faculty. We also used this as a
restaurant fundraiser. We had another event like this at Glory Days restaurant in December 2004. In May 2004, we held a graduation brunch combined with a short initiation ceremony for students who graduated in December 2003 and May 2004. It was an extraordinary program. No one expected it to be as good as it was (not even us). It was held at the home of our secretary treasurer. It was attended by graduates, their family and friends, and some faculty. We prepared all the food for it and had a ceremony that included giving roses with ribbons that are CSI colors to CSI members who were graduating with, giving all graduates alumni goodie bags, giving them a graduate prayer, and giving them a graduation certificate from our chapter. We also had a faculty member who addressed them. It was a moving experience. We have the same type of program scheduled for May 14, 2005 to celebrate our May 2005 and December 2004 graduates. So far, we have over 60 attendees confirmed. We are expecting a wonderful celebration.

**Newsletter**

Our CSI chapter publishes a monthly newsletter. It ranges in 4 - 8 pages. It is distributed to students via faculty in classes and we send it via e-mail. It is also posted on our Web site. In addition to using our newsletter to market our chapter, we also have a Web site and bulletin board. We also have a listserv of all counseling students and faculty and we send out regular e-mail announcements for students. The combination of these tools has really been crucial in getting the word out about our chapter and the work that we're doing.

**Other Activities**

In May 2004, our chapter helped with the Celebration Gala of Wings House, Inc. Wings House, Inc. is an independent living facility. Our role in the program was to assist in fundraising and to get students to volunteer to come out to the dance and auction held by Wings House. Our donation of time and energy helped Wings House raise significant funds that evening. Our chapter started a mentoring program over two years ago and it has become a superb hit with students in our program. New students love it because this is their opportunity to meet new students and have a buddy in the program. Our chapter has made a significant contribution to getting students to interact with one another more and to get to know the faculty beyond the classroom. We have also made huge accomplishments with encouraging students to get more involved in professional organizations. Due to our efforts, nearly 15 students attended the ACA convention in Atlanta this year. In the Fall 2004 semester, August 2004, we held the first student hosted new student orientation. We invited new students to come out to meet current students and faculty and to see who the fellow new students are. We held this on campus. The agenda included welcome, what is CSI, faculty advising, professional organizations, student involvement, tour of the building where our program is housed and where we have most of our classes, how to use Blackboard for classes, how to setup a university e-mail account, and a question and answer period. Students who attended the program still report that it was a significant experience for them at the beginning of their tenure in our program.

**Accomplishments**

Our most significant accomplish was our initiation ceremony held in February 2005. We initiated over 35 new students into our chapter. We had nearly 85 attendees crammed in a room that seats 65. It was a very exciting program. Our speakers were Dr. Tammy Davis and Dr. Simone Lambert. Faculty support was exceptional. Everyone enjoyed the program and our leadership was simply overwhelmed by the magnitude of the program. In conjunction with this initiation, we held
our Mardi Gras Silent Auction. The auction consisted of mostly textbooks for students to bid on and various other items like gift baskets, memberships in professional organizations, conference registrations, videos, etc. The auction resulted in over $300 being raised for the chapter.

Initiations: We had one initiation meeting held Fall semester 2004. We had approximately 12 members present and all received their pins and certificates of membership at that time.

Business Meetings
Workshops
Social Events: We held a meet and great cookout for all members and potential members in September of 2004. The purpose of this cookout was to invite potential members, get the word out about CSI, and possibly increase membership at our school. We also wanted to give current members a chance to interact outside of school and regular meetings.

Newsletter
Other Activities: We had a bake sale in November of 2004. This bake sale was to raise money for a very needy family in our community and provide a surplus of groceries for them.

Chapter Dues: $5.00 per year  
Other Funding Methods: This past year GUC held two fundraisers. From the end of November until the middle of December we sold cookie dough. This fundraiser brought in over $600.00. The second fundraiser was a 50/50 cash drawing. A winner will be drawn at our business meeting this Thursday (4/28/05). We hope to pay out at least $400.00.  

Initiations: Gamma Upsilon Chi’s second annual Initiation ceremony was held on Saturday April 2, 2005 at the Lawrence Park Golf Club. This year we initiated 16 new members. Dr. Becky Willow (an initiate and new Gannon faculty) was the keynote speaker. Chapter awards were presented for Outstanding First Year Student, Outstanding Tenured Student, and Outstanding Service to the Chapter.  

Business Meetings: The first business meeting was held in November, 2004 at the South Shore Apartments banquet room. Chapter officers for 2005-2006 were voted on. A wine and cheese social was held immediately following the meeting. The second business meeting is scheduled to be held on Thursday April 29, 2005 at Gannon University. Pizza and pop will be provided by the chapter and elections for committee chair positions will take place.  

Workshops: Gamma Upsilon Chi co-sponsored the following professional development activities:  
* Erie County School Counselors Association Monthly Trainings  
* TAPTalks Colloquiums  
* Sex Offenders: Denial, Deception, and Manipulation presented by Dr. Anna Salter in conjunction with The Children’s Advocacy Center of Erie County  

Social Events: Gamma Upsilon Chi did not hold any social activities this year other than the wine and cheese social that followed the business meeting in November.  

Newsletter: Gamma Upsilon Chi published a Winter and Spring edition of our newsletter. Both editions were 6 pages. The Spring edition was the first to incorporate cartoons and pictures.  

Other Activities: Gamma Upsilon Chi sponsored a continental breakfast Saturday April 16, 2005 for the students taking both the PRAXIS, CPCE, and NCE exams at Gannon University. Breakfast included doughnuts, bagels, juice, coffee, and milk.  

Accomplishments: Gamma Upsilon Chi received an Excellence Grant through CSI International. GUC was awarded a $100.00 grant to assist with the development of a Mentor-Proteges program that will be built into Counselor Wellness Day. In addition, members of the GUC chapter submitted a proposal for a poster session presentation during CSI Day at the ACA Convention. This proposal was accepted and discussed the development and implementation of Counselor Wellness Day. Finally, GUC founding president, Jessica Kramarik was awarded a 2005 CSI International Leadership in Counselor Education Fellowship.

Other Funding Methods: Fundraising activities this year included a donut sale, Fall basket raffle, a Spring yard sale, and a blind auction which will be held at the annual induction ceremony on April 22, 2005.

Initiations: One annual induction ceremony will be held on Friday, April 22, 2005 at 6:00 pm in the Eagle's Nest Lounge at Auburn University in the Haley Center. The evening will consist of a catered dinner, a ten minute after dinner speech on leadership and community service by a CSI/IDS Auburn Alumni, induction of officers, induction of members, blind auction fundraising event, mentor award delivery, and special recognitions.

Business Meetings: A total of five formal meetings were held. All meetings but one was held in the Auburn University Haley Center.

The first meeting was conducted in the afternoon on July 19, 2004, in the student lounge. This initial Summer retreat meeting was an opportunity for officers, committee chairs, and committee members to meet, have lunch, and coordinate an agenda for the year together.

The second meeting was held in the evening on September 21, 2004. It was an executive meeting conducted in the office of the faculty advisor. The officers met with the faculty advisor to report on the progress of projects and to prepare an agenda for the upcoming open meeting.

The third meeting was held in the evening of September 28, 2004 in a reserved classroom and was facilitated by the chapter president. More than thirty students attended. The officers provided an activity update, followed by committee chair reports on events.

The fourth meeting was held on January 19, 2005 at a local restaurant and was attended by executive officers and the faculty advisor. The officers met with the faculty advisor to report on the progress of projects and to prepare an agenda for the upcoming open meeting.

The fifth meeting was held in the evening of February 2, 2005 in a reserved classroom and was facilitated by the chapter president. More than twenty students attended. The officers provided an activity update, followed by committee chair reports of events for the remainder of the year.

Workshops: A total of three workshops were conducted.

The first workshop was held on Thursday, November 4, 2:30 to 3:30 pm in a reserved Haley Center classroom. The topic was "Tips for Getting a Job" and the presenter was Dr. Jack Walls from the Auburn University Career Counseling Center. Approximately fifteen students attended.
The second workshop was conducted on Tuesday, February 22, 2:15 pm to 3:45 pm, in a reserved Haley Center classroom. The topic was "A Practicum and Internship Discussion" and the presenters were Dr. Jamie Carney and Dr. Debra Cobia from the Auburn University Department of Counselor Education, Counseling Psychology, and School Psychology. The workshop was attended by approximately twenty students.

The third workshop was held on Saturday, March 12, 9:00 am to 12:30 pm in a reserved Haley Center classroom. The topic was "Treating the Traumatized Child and Adolescent" and was sponsored by Iota Delta Sigma, the Alabama Counseling Association--Chapter VII, and the Alabama Association for Multicultural Counseling and Development. Two outside guest speakers presented; Dr. Robyn Tripanny, from Troy University Montgomery Campus, and Rod Marshall from Pathways Professional Counseling Center in Birmingham, Alabama. Forty-eight people attended the training and CEU's were offered.

Social Events

Social Events included:

- Two social events were held.
- The first was a mentor and mentee dinner social held on Monday, September 27, 7:30 pm at Laredo's Mexican Restaurant in downtown Auburn. More than thirty mentors and mentees met to socialize, share information, and enjoy dinner together.
- The second social event was a Fall social with an Auburn sports theme, held on Friday, October 22 at 7:00 pm at Dr. Jamie Carney's home. More than fifty students attended, many sporting Auburn colors. Donated items were collected for Storybook Farm, a therapeutic horse-riding facility that serves children with disabilities and grief issues.

Newsletter

Newsletter included:

- Three newsletters, "The Reflection", were published and distributed. More than two hundred copies were printed and distributed to faculty and students within the department and administration.
- The first issue was distributed in September, 2004 and was seven pages long. The second issue was distributed in November, 2004 and was ten pages long. The third issue was distributed in March, 2005 and was eight pages long.

Other Activities

Other Activities included:

- Several other activities were conducted this year.
- Several members coordinated and visited both the community and school counseling orientation classes to explain what Iota Delta Sigma is and how students can benefit from membership in the organization. Pizza was provided for the students.
- Given the success of the fundraising activities, current and new officers and committee chairs were invited to jointly attend the CSI leadership training day in Atlanta, where accommodations for them would be paid.

Accomplishments

Accomplishments included:

- Iota Delta Sigma had several significant chapter accomplishments this year.
- A Mentor Award was established to recognize the contributions of
student mentors matched with first year counseling students new to the department. An outstanding mentor will be selected and given special recognition at the annual induction ceremony not only to express appreciation, but to encourage other students in the mentoring program to aspire to the highest standards of mentorship.

2. A mission statement was created for the chapter.

3. The Iota Delta Sigma newsletter "The Reflection" was completely modified in format and expanded earning the Outstanding Newsletter award this year.

4. A Research and Travel Grant policy and application form were created and forwarded to the faculty advisor for review and confirmation. This grant is designed to support students perusing research and travel opportunities during the year.

5. More than $1,000 dollars was raised in fundraising efforts by the Spring of 2005; more money than has ever been raised by the organization in any one year previously.

6. A website committee was established to begin the formal coordination of an organization website. The expectation is that the website will be fully operational by the Fall of 2005.

Business Meetings: 8 business meetings were held throughout the year on the second Wednesday of each month. All active CSI members are invited. We had an average of 12 members at each meeting, in addition to our advisors. Our meetings include new and old business, and are also used for brainstorming and planning.

Workshops: Our annual Supervision Symposium was held at the end of February, 2005. It included student and faculty presentations on supervision and offered CEU's. We has approximately 20 people attend.

Social Events: Our chapter held two main social events this year other than our initiation. We had a bowling event in the fall, which had about 10 people. We also had a Food and Film festival in April, where we showed mental health related movies. We had approximately 40-50 students attend.

Newsletter: We had one 7 page newsletter published in the fall. The newsletter chairs are currently working on the spring newsletter, which will be distributed at the end of the semester.

Other Activities: We co-sponsored the Master's student orientation as well as the Internship Site Supervisor Reception.

Accomplishments: The most significant accomplishment this year was the Food and Film festival. It increased student involvement, membership, and excitement for Chi Sigma Iota. It was extremely successful and is an activity that our chapter will continue to sponsor in the future.

Initiations
The Ninth Induction of New Members and Awards Ceremony was held on Saturday, April 23, 2005 from 4-6pm. The ceremony took place in the Alumni Center at the University of Memphis. The keynote address was given by Dr. Tom Sweeney, Executive Director of Chi Sigma Iota, International. New members were inducted followed by the installation of new officers. Chapter awards were given to students who have maintained a 4.0 GPA and Dr. Ronnie Priest was recognized as the 2005 Outstanding Mentor which was voted on by the membership. Expressions of appreciation were given to the faculty advisor, Dr. Nancy Nishimura, the chapter president, Mary Lee Virginia, and the 2004-2005 chapter board members. The new co-presidents closed the evening and invited everyone to the reception.

Business Meetings
Chapter business meetings were combined with professional development meetings. All of these meetings were held in Ball Hall at the University of Memphis from 12-1:15pm. Members brought their lunches and the chapter provided sodas. The "Brown Bag Luncheon" schedule was as follows: Sept. 2, 2004: Meet & Greet for new faculty member October 7, 2004: Nancy Johnson Nov. 4, 2004: Cyndi Jordan on NBCC Certification Feb. 3, 2005: Mary Jane Thompson of the Exchange Club on Play Therapy March 3, 2005: Grace House on Addiction Therapy for Women April 14, 2005: Crissy Smith of Youth Villages on Multisystemic Therapy The chapter held monthly board meetings beginning in May 2004 on Saturdays from 10-12pm. The board also participated in a chapter board retreat in January of 2005 to review and renew for the upcoming semester.

Workshops
The chapter hosted the Third Annual Practicum and Internship Fair on January 22, 2005 in Ball Hall at the University of Memphis from 2-4pm. Approved practicum and internship sites were invited to attend and set up information booths for prospective students. They answered the students' questions and provided some guidance regarding site selection. The practicum and internship coordinator was in attendance to answer program related questions.

Social Events
Board members held a Christmas party at the end of the first semester. The chapter was involved with a retirement party for a long-time professor in the program. Board members had a dinner after Induction with upcoming board members for professional development.

Newsletter
Two newsletters were published, one in the fall semester and one in the spring semester. Both were eight pages in length.

Other Activities
Mentoring: Monthly meetings were held for mentoring. These meetings were held in Ball Hall at the University of Memphis from 6-7pm. The chapter provided pizza and sodas. The "TGIF Mentor Night" schedule was as follows: October 22, 2004: Practicum and Internship Questions Nov. 19, 2004: Organizing your Portfolio Feb. 18, 2005: Studying for Comprehensive Exams March 18, 2005:
General Topics, Program Questions  April 15, 2005: Professionalism

Board members hosted study groups for comprehensive exams.

Organization Promotion: Board members attended New Student Orientation both semesters to introduce and promote the chapter to new students. Board members also attended classes to introduce and promote the chapter to students and encourage membership renewals.

Communication: The chapter formatted and updated its website on a regular basis as a means of communication with members, in addition to regular news via email.

Fundraisers: The chapter sold practicum and internship manuals to students, created a student guide for incoming students, and sold t-shirts.

Accomplishments

The chapter’s most significant accomplishment was remaining as active as we were over the past year with the resignation of two Presidents, one in October and one in March. This shows the strength and dedication of the board not only to this chapter but CSI as a whole. Every event we hosted was a success from the newly installed mentor nights to the Practicum and Internship Fair. We were able to enjoy our accomplishments through our well planned Induction with Dr. Tom Sweeney as the keynote speaker.

### Other Funding Methods
The majority of our funds are obtained through fundraisers. This year we held a small fundraiser every 6 weeks or so, such as a chili cooking, hot chocolate sale, a bake sale, raffles, etc. We also had one large fundraiser this month that was a huge success. We raised over $600 with a silent auction.

### Initiations
We held one initiation in February, 2005 at the distinguished Seal M Club on MSU's campus. We had approximately 50 people in attendance, with Dr. Deb Wells as our guest motivational speaker. The ceremony was conducted in candlelight, with all new initiates and current members dressed in white. Dinner was served following induction.

### Business Meetings
We have had 6 business meetings, held in October, November, December, January, February, and March. All meetings are held in the large room at the east end of Perry Cafeteria on MSU's campus, usually on Wednesdays at 1:00 pm. Each meeting covers much information, including current finances, previous and upcoming fundraisers, membership, and whatever issue is upcoming such as the initiation ceremony, the crawfish boil, the scholarship funds, the autism walk for fall, etc.

### Workshops
We have sponsored several workshops, all held in Allen Hall at MSU. In the fall, we sponsored both a Psychodrama workshop and a breath and spirit workshop.

### Social Events
We recently had our end of the year social which was a large crawfish boil on Saturday, April 23 located in the grove behind the Box Building on MSU's campus. Approximately 55 people were in attendance and Dr. Underwood's band provided entertainment.

### Newsletter
We have just begun to have a newsletter this year and are very proud of it. It is one page, front and back and is probably slightly different from other chapters. We have a cartoon drawing of one of our professors, a two 10 list, a crossword puzzle featuring a particular counseling theory, and a professor interview, in addition to current news about members, and upcoming activities.

### Other Activities
none that I can think of.

### Accomplishments
Our biggest accomplishments are: greatly improved of a dying chapter; a huge surge in membership and participation; a very successful silent auction; and the founding of a scholarship fund in the amount of $500 to be awarded for the fall semester to a worthy graduate student in our department.
Annual Report
2004-2005

Chapter Name
Mu Tau Beta

University
University of North Carolina at Charlotte

Chapter Dues
10.00 per year

Other Funding Methods
Donations, two fundraisers.

Initiations
Fall 2004 Induction was held October 17th with 17 inductees and 70 guests. Spring 2005 Induction was held April 17th with 27 Inductees and 85 guests.

Business Meetings
All day retreat held May 22, 2004, and the home of the chapter president. Regular business meetings held September 23, October 28, and November 18, 2004, and January 26, February 23, March 23, and April 28, 2005. Regular business meetings were held at 4pm at the University of North Carolina in Charlotte.

Workshops
Four “Brown Bag Lunch” workshops were held. One in October, one in November, one in January and one in February. The lunch workshops were conducted by Ph.D. students.

Social Events
Fall Welcome Back Orientation held in August on campus at the University with all faculty members present and about 125 students. December graduation and holiday party was held at a nearby apartment complex clubhouse with several faculty and department staff members present and 75 students. ACA Conference gathering was held in Atlanta with 2 faculty members and 22 students present. Spring graduation and party is planned for May 2005.

Newsletter
Four newsletters were published: September and November 2004 and February and April 2005. The newsletters were made available electronically and in print. Copies of the newsletter were mailed to chapter alumni who have maintained their membership. Each newsletter was 6-8 pages in length and many stories ran with photos.

Other Activities
Our chapter sponsored two community giving events. In November we served a traditional Thanksgiving Dinner to parents who lost a child due to acts of violence. In January we collected sweatsuits so they might have something warm and comfortable to return home in after leaving the hospital. Other activities that our chapter supported included advocacy for students with disabilities at the University, promoting ACA legislative requests, and participation in community AIDS walk. The chapter also compiled and distributed a student directory of students in our department. At the Spring Induction Ceremony, special recognition was made of a faculty member who is going into phase retirement. Finally our chapter awarded our first scholarship to one of our students.

Accomplishments
The 2004-2005 board set at the May 2004 retreat the goal of becoming a more visible organization in our department and with our students. Without question this board accomplished their goal as we lived out the mission of Chi Sigma Iota. Each of the events sponsored by the chapter was a great success, with a marked increase in both member and non member participation over last year. We ran two successful fundraisers and were able to award a scholarship out of funds we raised. This board leaves the chapter in a strong financial position to begin the next year. As the chapters crowning achievement, we were named Outstanding Chapter of the Year at the Atlanta Conference.

Nu Delta Sigma
North Dakota State University

$35.00

Nu Sigma Delta had a fundraiser in December 2004 in which we sold t-shirts saying "NDSU Counselor Education." We sold these t-shirts for a profit and proceeds went toward increasing the balance of our checking account. We were also donated $435.00 from the Dean in the College of Human Development and the Education and Department Chair of the School of Education to go towards the expenses of Chi Sigma Iota members attending the North Dakota Counselor's Association Conference in Bismarck, ND where we presented information on Chi Sigma Iota and the Counselor Education program at North Dakota State University. In June of 2004 we held a New Student Orientation in which we charged a fee of $15.00. Almost all proceeds went toward the workshop, however some money remained and was put into Nu Sigma Delta's savings account.

On April 14, 2005 Chi Sigma Iota had their first official initiation at North Dakota State University. It took place in the Founders Room located on campus. The initiation was one hour long and consisted of two members speaking along with a keynote speaker who presented on the importance of belonging to professional organizations such as Chi Sigma Iota. We had food and small gifts for all members along with their pin and certificate, which were presented individually.

We held business meetings at the beginning of the fall and spring semester for all members and the executive board met throughout the year to plan events.

In June 2004 Chi Sigma Iota held a workshop for new students. The workshop provided new students with valuable information including program requirements and it gave new students an opportunity to meet their professors. This workshop was very valuable for all students in decreasing their anxiety by getting many of their questions answered. It also served as a valuable tool in introducing new students to Chi Sigma Iota. Chi Sigma Iota also attended the North Dakota Counselor's Association Conference in Bismarck, ND in February 2005. At the conference we had a booth that provided valuable information to conference attendee's. It served as a recruitment tool for both NDSU and Chi Sigma Iota to other counselors in the field, along with giving us name recognition by providing other counselors with particular information about Chi Sigma Iota.

Chi Sigma Iota held a social event in December 2004 in which members and professors throughout the program were invited to meet together for a meal.

At this time Chi Sigma Iota has yet to have a Newsletter due to lack of funds. However, due to recent fundraising we plan to begin a semester newsletter next fall.

Chi Sigma Iota organized monthly Brown Bags for students in the Counselor Education program at North Dakota State University. These Brown Bags included speakers from the community presenting on topics relevant to the counseling field that we may not have learned about in our classes or wanted to learn more about outside of class. Some topics have included but are not limited to: Western Psychology, Native Americans, and research done on New Americans in our community. Chi Sigma Iota represented itself and the Counselor Education program at North Dakota State University on April 10, 2005 when NCATE (National Counsel for the Accreditation of Teacher Education) was visiting the university. We presented information on a board
highlighting the accomplishments of our organization and the opportunities in our program. We also answered questions for NCATE board members about our educational experience at NDSU. On Friday April 22, 2005 Chi Sigma Iota is participating in a fundraiser for Cancer Research called Relay for Life.

Accomplishments
As a chapter our greatest accomplishment has been how far we have come in the last year. A year ago there was no initiation, no monthly Brown Bags and no elected officers basically it was a really small group of individuals who saw the potential of a successful Chi Sigma Organization. Today we have over thirty active members, we have been invited to represent the program to national organizations such as NCATE and CACAREP and we are taking an active role in a variety of other areas. We recognize areas of need, however we are very proud of how much the organization has accomplished this last year and feel we have developed a very strong foundation to build upon.

Pi Alpha

Wake Forest University

http://www.wfu.edu/academics/counseling/chisigmaiota.html

Chapter Dues
$5.00

Other Funding Methods
In order to raise funds to travel to the ACA Convention, the Pi Alpha chapter has held several fundraising events. In February 2005, we co-sponsored a workshop featuring Dr. William Glasser. Proceeds from this event were shared between the WFU Department of Counseling and the Pi Alpha chapter of Chi Sigma Iota. We also designed and made t-shirts to sell at the North Carolina Counseling Association's annual conference in Charlotte, NC in February 2005. This was the first time any student group had designed a t-shirt for this event, and we were pleased with the response from conference attendees. Finally, we will be sponsoring a "Beach Party" at a local establishment in Winston-Salem for all graduate school students. Proceeds from the cover charge for this event will go directly to the Pi Alpha chapter of CSI. We will use monies from these fundraising events to offset the cost of Pi Alpha members attending this year's ACA Convention in Atlanta. The 2004-2005 Executive Officers will also recommend that a portion of these monies is retained in the account to act as a foundation for future CSI activities.

Initiations
Pi Alpha held its annual initiation ceremony on March 23, 2005 in the DeTamble Auditorium at Wake Forest University. We were honored to have Dr. Susan Furr as the keynote speaker. Fifteen new members were inducted into the chapter, and the fifteen graduating members were recognized with CSI honor cords. Special recognition was given to Anne M. Erickson who received the Thomas Elmore Outstanding Counseling Student Award, and to Dr. Laura Veach and Dr. Debbie Newsome for their continued support as chapter co-advisors. Mrs. Pamela Karr was also recognized for her helpful support throughout the year.

Business Meetings
The Pi Alpha chapter held several executive meetings (only officers present), as well as a couple of full chapter meetings. The first executive meeting was held August 10, 2004. Items of discussion included orientation, ACA convention attendance, newsletter organization, dues, and a welcome social event. A full chapter meeting was then held on August 17, 2004 to discuss these issues with all CSI members. Given the varying schedules of our members, we found Tuesday at lunchtime to be the best time for full chapter meetings. Amy Reagin, secretary, took minutes at all executive and full member meetings. These minutes were then distributed to the faculty advisors and CSI members. Another full chapter meeting was held on September 7, 2004. Items on the agenda included registering for the ACA convention, collecting dues, writing for the newsletter, and upcoming tailgating opportunities. All CSI committees (community service, fundraising, communication, and professional development) met for the first time to brainstorm activities for the year. An executive meeting was held on September 29, 2004. Items discussed included professional development, fundraising ideas, and the newsletter. This was followed by another executive meeting on November 10, 2004 in which the Glasser Workshop, Pi Alpha initiation, and other
fundraising efforts were discussed. Finally, a full chapter meeting was held November 16, 2004. Items on the agenda included detailed discussion of the Glasser workshop and NCCA t-shirt fundraising efforts, newsletter, and initiation. Committees also met to discuss plans for the remainder of the year. Agendas for all meetings were drafted by Anne McMullan, Pi Alpha President, after consulting with executive officers.

**Workshops**

Three workshops were organized by the Professional Development committee. All workshops took place in DeTamble Auditorium at Wake Forest University. The first workshop, entitled "Doctoral Programs in Counseling" was held on October 8, 2004. The panel included Dr. Debbie Newsome, Dr. DiAnne Borders, faculty at UNC-Greensboro, Ms. Paige Bentley, a doctoral student at UNC-Greensboro, and Dr. Bob Barrett, faculty at UNC-Charlotte. The second workshop, entitled "Understanding and Treating Eating Disorders", was held on November 12, 2004. This presentation featured Ms. Patti Patridge, M.A. In February 2005, Wake Forest University Counseling Dept. and Pi Alpha Chapter co-sponsored a day-long workshop led by Dr. William Glasser.

**Social Events**

The Pi Alpha Chapter sponsored several social events for chapter members, first year counseling students, and their significant others. Pi Alpha members welcomed the first-years students with a covered-dish social at Fraser Tison's home on August 26th, 7pm. Members also organized a couple of tailgating events for home football games. Members also hosted a refreshment hour prior to the initiation ceremony in March.

**Newsletter**

Pi Alpha produced four newsletters during the 2004-2005 academic year. Two newsletters were distributed in the fall semester, and two in the spring. Each newsletter was approximately five-six pages in length. Amy Reagin, the chapter Secretary, edited the newsletter, along with her committee.

**Other Activities**

Our chapter worked to foster a sense of professional connectedness this year. We were proud to have a record number of students attend the ACA Convention. Of 31 counseling students in our program, 27 attended the convention! We also had several students participate in poster sessions and presentations at this convention. On a lighter note, we continued the tradition of the intramural sports teams that was started last year. In Fall 2004, both first and second-year students participated in the soccer and volleyball teams. We had team t-shirts, and even students who didn't play on these teams were faithful cheerleaders! Since everyone's schedules are so different, this has been an activity that has fostered a real sense of community within our program, and between CSI members and first-year students.

**Accomplishments**

We set a chapter record with 27 students attending the ACA Convention. Fundraising efforts for the 2004-05 academic year were very successful. Pi Alpha also continued the mentoring program between chapter members and incoming first-year students. During orientation, members met with first-year students to address questions and concerns about the upcoming year. Additional contact was maintained throughout the year.

Annual Report
2004-2005
**Annual Report**  
**2004-2005**

**Chapter Name**  
Psi Omega Pi

**University**  
University of Phoenix

**Web Page**  
http://corptrain.phoenix.edu/csi/index.html

**Chapter Dues**  
Initial dues for students $25.00, initial dues for professionals is $50.00 including one year of membership at chapter and national levels, for all members, $25.00 annual renewal for chapter dues

**Other Funding Methods**  
The university of Phoenix (UOP) funded the catering for members at the initiation ceremony in May 2004, Workshops for non members, donations

**Initiations**  
The Psi Omega Pi Chapter held an initiation ceremony on May 15, 2004 at the UOP Hohokom Campus. Dr. Nixon performed the induction of new members and new officers. An award ceremony followed which honored chapter members who went above and beyond to move Psi Omega Pi forward.

**Business Meetings**  
Chapter held five business meetings during the year (May 2004 to February 2005) at the UOP Hohokam Campus. Meetings consisted of chapter updates, committee reports, and member concerns and ideas to improve the chapter.

**Workshops**  

**Social Events**  
One "Friend-Raiser" was held at UOP Hohokam Campus in March 2005. Conceived as a networking event, information for potential new members. Brochures and applications were available to students and questions answered by board members.

**Newsletter**  
Chapter published the POPNotes, the Psi Omega Pi Newsletter. Had been planned to be a quarterly newsletter but has been decided to have it biannually for now.

**Other Activities**  
- Chapter members presented at UOP classes to recruit membership for Psi Omega Pi.  
- Chapter participated in Hispanic Community Health Fair and Provided Depression and Anxiety Screenings, handed out mental health information on depression, anxiety, domestic violence, and substance abuse.  
- Chapter member/Secretary attended Annual ACA Conference April 2005.  
- Members volunteered at Valley-wide mental health related community events.  
- Member was featured speaker at the Chinese Seniors Center's Volunteers' Annual Meeting and gave a presentation on Stress Management in Chinese.  
- Chapter continued to be an official sponsor of Glendale Public Library's Mental Health Alert Project.

**Accomplishments**  
The Chapter continues to officially sponsor the Glendale Public Library's Mental Health Alert Project for the second year. The Glendale Public Library again awards a 24,735.00 government grant for the purchase of circulation mental health audio-visual materials. Glendale Public Library has one of the best mental health collections in any public library. This project, which includes public mental health lectures and exhibits, is also a pioneer in public library mental health...
health programming. Also this year the Glendale Public Library was awarded a new grant: Operation Health Outreach (25,000.00) targeting the Hispanic Community in which Mental Health is included. On April 9, 2005 board members volunteered to present mental health information and provided depression and anxiety screenings in Spanish (due to the event catering to the Hispanic Community). Approximately 10% of the attendees requested and received a depression or anxiety screening on this date. Appropriate referrals were made to community agencies as needed. Also this year the Chapter created their new web site with a link posted from Chi Sigma Iota. The Chapter has received many praises and compliments on its layout and ease in obtaining information.

Rho Psi

University
Plattsburgh State University

Web Page

Chapter Dues
$25.00 (per member per fiscal year)

Other Funding Methods
The Rho Psi chapter takes part in a number of fundraisers. For the 2004-2005 fiscal year, Rho Psi produced for a fee a Multicultural Cookbook to be sold by Rho Psi members for a fee of $6.00 per cookbook or two for $10.00. Our chapter is also currently selling "squares" at $2.00 per square to be painted by individuals in SUNY Plattsburgh's Counselor Education Program located in the Counselor Education lounge. Students are encouraged to add to the decor of the lounge by adding their own personal touch inside of the squares. Aside from these fundraisers and others like it, at least one Rho Psi officer attends the annual ACA conference to guarantee chapter active member rebates.

Initiations
The Rho Psi chapter typically has two induction ceremonies per academic year, one in the Fall and one in the Spring. The Fall 2004 induction ceremony was held on December 09 at Merons, a local bar & restaurant. The same will be done for the 2005 Spring semester on May 5th. At these ceremonies, the graduates of the semester are awarded their Chi Sigma Iota honor chords to be worn at graduation. In addition to the honoring of the "new" and "old" members, the Rho Psi chapter uses this ceremony as a networking opportunity among faculty and staff and periodically, among other mental health organizations that may be present. (Rho Psi officers and members visit counselor education classrooms frequently to discuss our honor society in hopes of acquiring new members.)

Business Meetings
The Rho Psi chapter, for the Fall 2004 academic semester, met every other Wednesday at 12:00 in Ward hall (the "Counselor Education building") for approximately one hour per meeting. For the Spring 2005 academic semester, the Rho Psi chapter meets every other Monday at 6:45pm for approximately one hour in the newly constructed Counselor Education lounge. The Rho Psi meetings have a scheduled agenda and are run according to the agenda. "Old" and "new" business is addressed and decisions are made according to motions and the majority vote. Our chapter is continually attempting to come up with new ideas for effective fund raisers and ways to advocate for the honor society. Consistently present at these meetings are the President, Vice President, Secretary, Treasurer, Public Relations representative and the chapter faculty advisor. Other members of the chapter are present as well on a semi-consistent basis.

Workshops
To my knowledge, the Rohm Phi chapter does not sponsor any particular workshops at this time but has discussed, and is continuing to discuss, the possibility and feasibility of sponsoring a workshop for networking purposes. Ideally, the Rho Psi chapter would like to invite other CACREP accredited programs to SUNY Plattsburgh for "a day of sharing" where members could share their counselor-related resources etc.

Social Events
The Rho Psi chapter holds ice cream socials approximately every semester, primarily, to communicate to counselor education students the benefits of becoming a member of Chi Sigma Iota. As previously mentioned, our chapter has recently helped to construct our Counselor
Education Student Lounge which offers a quiet, comfortable place for our students to study, mingle, and hold program meetings, among various other things.

**Newsletter**

For the 2004-2005 academic year thus far, the Rho Psi chapter has not produced a newsletter. However, this will be on the March 21st agenda and action will be taken to produce at least one before the Spring 2005 semester is over.

**Other Activities**

The Rho Psi chapter contributes funds for faculty presentations, student attendance at local, regional and national conference attendance among other program related activities/outings.

**Accomplishments**

As mentioned earlier, Rho Psi is extremely proud to have finally made available to students, faculty, friends, and anyone who is interested, our multicultural cookbook. Our student lounge is also a great accomplishment as it provides our program a healthy, productive place to congregate!

Initiations: One initiation was held on Saturday, February 26, 2005. The initiation was held at the local Sheraton Hotel's restaurant from 12:00 noon until 2:30 p.m. Our guest speaker was Dr. David Jepsen, a tenured faculty member retiring this year. He shared his perspectives on the past, present and future trends of counseling. After the luncheon and speaker, initiates were introduced and received their certificates and pins.

Business Meetings: We held four business meetings throughout the fall and spring semester. October 26, 2004: the officers and faculty advisor met to lay out plans for the 2004-2005 academic year. November 16, 2004: the officers and advisor met and decided to purchase CSI regalia for graduates to borrow. December 15, 2004: the officers and faculty advisor met to discuss the initiation ceremony as well as voting for 2005-2006 officers. January 24, 2005: officers met to complete initiation ceremony plans and send out initiation invitations. April 2005: Our local president attended the national business meeting at ACA in Atlanta.

Workshops: Two workshops were held this academic year. (1) In January, CSI-Rho Upsilon co-sponsored a program on working internationally featuring Dr. Rick Gressard as the guest speaker. (2) In February, CSI-Rho Upsilon co-sponsored a program with AAUW looking at issues impacting immigrant women and education.

Accomplishments: Our most significant accomplishment this year was to get the chapter back on track regarding having business meetings and setting some direction for the chapter. We have been working on recruiting and retention this year as well as conducting a more formal initiation ceremony. We also have started at listserv for our local chapter and purchased stoles and cords for our graduates to borrow for graduation ceremonies.

We do one formal initiation ceremony every May in conjunction with a reception we do for graduates of the Counseling Program.

Business Meetings:
We have two business meetings. One in the fall in conjunction with a student-alum ice cream social we sponsor and in the spring as part of the initiation event.

Workshops:
Sigma Delta sponsored an adventure retreat for students and faculty in the counseling program in February. We had a speaker on adventure training and then we did actual team-building exercises.

Social Events:
We do a combined business meeting/ice cream social each fall with an alumni panel. This year's panel talked about what to expect when interviewing for an internship or professional counseling position in school, college and organizational settings.

Newsletter:
We have a Chi Sigma Iota - Sigma Delta section on the Counseling Program Website where we post our activities.

Other Activities:
Sigma Delta sponsored a mentoring program for first year students who were paired with second year members of Sigma Delta. The pairs attended the ice cream social and did individual activities. We also put together a plan for a February conference but we have postponed the date until Fall 05.

Accomplishments:
We had a larger board than in past years so we were able to do a larger variety of activities this year. WE also had larger turnouts at our events.

Chapter Name: Sigma Lambda Upsilon
University: Southeastern Louisiana University
Web Page: www.selu.edu/orgs/ocsi
Chapter Dues: $15.00 per year
Other Funding Methods: Our chapter applies for organizational grants each semester through our Student Government Association. These funds help sponsor our larger events. We also charge nominal fees for workshops.

Initiations: We recently held our annual initiation banquet on April 22 at Michabelle's restaurant and inn. We had 17 initiates. 55 people were in attendance including all counseling faculty, the Dean of the College of Education, students and alumni. Food and entertainment were provided.

Business Meetings: This year we held four business meetings. These meetings were attended by officers and members to prepare for upcoming activities in the chapter. The first meeting was held in June at the home of the president - new and former officers were in attendance to discuss plans for the coming year; in August a second meeting was held at the office of president to discuss plans for scholarship for LCA recipients; a third meeting was held in October to prepare for the workshop held in November this meeting was at the office of the president, a fourth meeting was held in January to discuss plans for the career fair at a local coffee house. Many correspondence between officers and members is done via e-mail. Sharing information about workshop/presentation sponsored by others are shared via e-mail with our membership.

Workshops: We held one workshop in the Fall semester on November 11, 2004. Mike Metz, LPC spoke on substance abuse issues - Addicted Thinking and Relapse Prevention. Many students, faculty, alumni and community professionals attended the two hour workshop. CEU's were provided.

Social Events: We held our annual welcome back party in September at the home of a chapter member. Many students, alumni and all counseling faculty attended. We also held our annual Christmas party December 10th at a pub in Baton Rouge, LA where one of our student members is employed. Students, alumni and some faculty attended.

Newsletter: Two newsletters were published - one in the Fall semester and the second in the Spring semester. Each newsletter was two pages highlighting special events and chapter happenings.

Other Activities: We held our second annual career fair on March 17, 2005 in the Student Union Ballroom on campus. It was another big success. This is an event we will continue to have available for students to help find internship sites as well as employment in the counseling field. Refreshments and door prizes were provided. The chapter president met with representatives from a local Hospice organization to begin setting up plans to begin work towards a special project.

Accomplishments: This year we sent four CSI student members to the Louisiana Counseling Association annual conference in Lafayette, LA on scholarship. Our chapter paid for their registration fees as well as hotel costs. This money was received through a grant applied for by our chapter to the Student Government Association. Also through a similar process we have been able to request funds for a student member of CSI to attend the ACA conference in April in Atlanta.
This student is our current president-elect.

**Initiations**

One Annual Induction Banquet held per year: April 17, 2005 from 5-7pm at Texas State Student Center; Catered meal provided; charged $10 for guests and $5 for members; Jan Friese, Executive Director of the Texas Counseling Association, was guest speaker and spoke about the importance of advocacy; 50 attendees (students and their families); Graduate Advisor for counseling dept attended, as well as Faculty Advisor (Dr. Eric Schmidt); Presented powerpoint show titled "A Year in Review" which included photos and descriptions of all events from the preceeding year; Presented Awards for Tri-Chi Consortium to members, as well as Outstanding Student Leader and Outstanding Faculty Advisor Awards

**Business Meetings**

One annual membership meeting; Held February 26, 2005 at Student Center on campus; 15 members attended; Discussed nominations and elections of new officers for 05-06, upcoming events for our chapter, solicited input for future events and preferred modes of communicating with members (email, bulletin board, class announcements, etc), solicited input regarding consolidating two student organizations into one (CSI only); provided financial report

**Workshops**

Self-Care Workshop: September 25, 2004, at the LBJ Student Center in San Marcos. Three guest speakers spoke on topics regarding therapist self-care, such as self-guided imagery, self hypnosis, macrobiotics and the importance of eating well, and spirituality. Two massage therapists donated their time to provide massages and help raise money for the Sigma Tau Sigma Chapter. A Self-Care Resource List containing information about counseling, massage, acupuncture, spiritual guidance, and wellness centers around the Austin area was compiled and posted on the chapter website for members to access. Tri-Chi Consortium: October 23, 2005, at St. Mary's University Student Center in San Antonio, TX. The Consortium represented a collaborative effort between three chapters of Chi Sigma Iota Counseling Honor Society, including the Sigma Tau Sigma Chapter of Texas State University-San Marcos, the Alpha Pi Chapter of St. Mary's University, and the Sigma Alpha Chi Chapter of the University of Texas-San Antonio. The theme of the Consortium was ÔPlant Your Professional Roots!ô The mission of the Consortium was to provide an avenue for graduate students to learn about organizing a professional conference, to create a safe and supportive environment for students to experiment with conducting professional presentations, and to generate a diverse milieu in which students could build relationships with fellow emerging professionals in the counseling field. Over 50 students attended and participated in sessions and networking activities. 8 graduate students presented sessions, and Suzanne Davis-Thomas, guest speaker, presented the keynote address and focused on key concepts such as therapist self-care, the importance of finding your niche, and setting up your private practice.
The Alumni Panel: Saturday, February 26th at the Texas State Student Center. 5 panel members described their experiences with licensing, getting work, and building practices after graduation from our program. Panel members included a private practitioner, a counselor intern, a counselor in an agency setting, and one LMFT-Associate. Handouts were provided summarizing Texas licensing requirements for School Counselors, Marriage & Family Therapists, and Licensed Professional Counselors. These handouts were also posted to the chapter website.

Lobby Day: March 8, 2005, at the Texas Capital. A coordinated group of students made a trip to the Capitol to speak with legislators on issues relevant to the counseling profession. They were paired with experienced lobbyists from TCA and gained a great education on how to become effective advocates for our profession. Handouts from TCA about how to lobby were posted on the chapters website as well as on the CSI Bulletin Board.

Social Events
Fall End-Of-Semester Social: December 3, 2005, at apartment clubhouse of President Jodie Elder. About 30 students attended. CSI provided snacks and beverages. Activities included playing pool, watching a movie, and hanging out together. Spring End-of-Semester Social is scheduled for May 6, 2005, at a local restaurant.

Newsletter
2 published: Fall Newsletter was mailed to all members and faculty and consisted of 4 pages. The Spring Newsletter of 6 pages is currently being completed and will be emailed to members and faculty the first week in May.

Other Activities
1) We conducted what we call our "Publicity Blitz" at the beginning of the Fall and Spring semesters to help publicize our chapter. We created and handed out brochures that explain CSI and membership requirements and gave a preview of our events for the year. 2) We updated our website to follow the national website format and included a scrapbook of pictures from our events, links to our newsletters and minutes from executive council and membership meetings, links to state and national professional organizations, and an upcoming events page. 3) We also offered $500 in grant money to our members to help them attend professional conferences. Three members applied and were selected to receive the grant money, providing each of them with $167 to help fund their trips to the ACA Convention in Atlanta, Georgia. 4) To support the professional development of our members, our chapter gathered information regarding relevant trainings all over Texas and passed the information on to members 2-3 times per month via email and the CSI bulletin board.

Accomplishments
Received the Outstanding Individual Event Award for the Tri-Chi Consortium. Also received a $100 Excellence Grant, along with the other two Tri-Chi Chapters, to help fund the 2005 Tri-Chi Consortium.

Attended the U of A Evening of Excellence presented by the U of A and Mortor Board to Award Al Larson, former Tau Alpha President, for his accomplishments as former president of our CSI chapter.

**Accomplishments**
1. Formed a mentor program consisting of 2nd year rehab counseling grad students mentoring 1st year rehab counseling grad students.
2. Formed two committees: a fundraising committee and a member recruitment committee and elected a Secretary.
3. Began the formation of another mentor program between CSI members who are now professionals and practicing in the community and members who are graduate students to create a link between students and professionals.
4. Decorated the CSI Tau Alpha bulletin board on Campus with award photos of members to facilitate student awareness of the organization and the activities held.
Chapter Name: Theta Alpha Mu  
University: Texas A & M University Corpus Christi  
Web Page: http://kestrel.tamucc.edu/~chisigmaiota  
Chapter Dues: $10.00 per year  
Other Funding Methods: The University Center Student Organization at Texas A & M Corpus Christi provides the chapter with local funding money yearly. This is based on participation in the business meetings and budget allowances distributed accordingly to all organizations on campus.

Initiations: Two initiations were held at Texas A & M University-Corpus Christi on December 10, 2005 and May 6, 2005. The Spring Initiation at the University Center will include installation of officers for 2005-2006. All inductees, their family and the faculty of the Counseling and Educational Psychology Department are invited.

Business Meetings: Six business meetings were held at Texas A & M Corpus Christi in the University Center, where there is large meeting rooms and updated technological facilities. The meetings were held once per month: September 20, 2004, October 12, 2004, November 18, 2004, February 18, 2005, March 24, 2005, and April 18, 2005.

Workshops: Six workshops were held in conjunction with the business meetings held in the University Center. Each workshop were as follows: September 20, 2004 Orientation to Counseling by Dr. Robert Smith; October 12, 2004, Play Therapy with Abused Children by Paula Rosenstein; November 18, 2004, Hypnosis in Applied Settings by Dr. Mary Louise Holt; February 18, 2005 Orientation to Counseling by Dr. Robert Smith; March 24, 2005, Play Therapy for Adults by Renee Clayton; and April 18, 2005, EMDR by Fred Capps.

Social Events: The two social events and celebrations were held on December 10, 2004 and May 6, 2005. The eligible members invited family and friends to the induction ceremony and reception. Both of the social events were held at the University Center.

Newsletter: There are no newsletters at this time, since we have the chapter website, Chi Sigma e mail account and then we distribute flyers concerning each upcoming meeting to all professors and post the flyers in the Classrooms. The counseling list serve was also utilized to announce upcoming meetings and social events.

Other Activities: In addition to the workshops, we also hosted Our Annual Practicum and Internship Site Fairs, October 25, 2004 and March 7, 2005. The graduate counseling students were able to meet and discuss with the supervisors of the sites represented.

Accomplishments: We continue to improve the overall meeting quality, increase our membership and membership involvement in committees. Our social events were successful this year bringing approximately eighty guests. We are expanding our networking with various agencies and increasing awareness of our mission and vision.

This year were sponsored Turning Point Counseling Center, Inc. in a fundraiser. The proceeds for the Harley Davidson raffle tickets were donated to the counseling center, a nonprofit agency dedicated to creating equal access to mental health services to all populations in South Texas.

**Initiations**
An initiation was held on Sunday, April 24, 2005 from 1-3pm in the Tuscarora Room in Reisner Hall on the campus of Shippensburg University. Twenty-six new members were inducted into the chapter. Dr. Kraus opened the luncheon, welcoming everyone, Kerrie Fineran, current Chapter President, was the guest speaker, and Dr. Brooks, a faculty member at Shippensburg University spoke briefly.

**Business Meetings**
So far this semester, we have held eight executive meetings, with a few more planned at the end of the semester to discuss the graduate reception. Meetings were held August 2, August 9, August 23, Sept. 1, Sept. 15, December 7, March 16, April 24 in the foyer of the 1st floor of Shippen Hall. We discussed fundraising, social events, the PCA conference, graduate receptions, induction, and increasing involvement.

**Workshops**
we did not hold any workshops.

**Social Events**
Our chapter co-sponsored a graduation reception with our Counseling Education Department in December 2004 and May 2005. They were well attended by our graduating members, their families, and faculty. We also sponsored several graduate students socials at the Market Cross Restaurant and Pub. Students gathered after class and visted with each other. Average attendance was about 25 students. We had an ice cream social at the beginning of the year in September. It was well attended, we had ice cream sundae supplies in the foyer of Shippen Hall.

**Newsletter**
We put out one newsletter this year. It came out in September and it was 4 pages.

**Other Activities**
We made Valentines for residents of a mental health facility and delivered them.

**Accomplishments**
This year we really focused on increasing member involvement. We held several socials and two philanthropy events in hopes of getting our name out there and increasing interest and participation.

Annual Report
2004-2005

Chapter Name: Upsilon Nu Omicron
University: University of Nebraska-Omaha

Chapter Dues: The Upsilon Nu Omicron Chapter's Chi Sigma Iota Spring Conference will be held April 9, 2004. Any proceeds will result in a net contribution to the Chapter.

Initiations: There was one formal initiation held at UNO on September 14, 2004. The Chapter President and Membership Committee chairperson used the initiation script to present the pins and certificates to the newly inducted members.

Business Meetings:
- Executive Committee Meetings: Comprised of President, President Elect, Secretary, Treasurer, Faculty Advisor, and Standing Committee Chairpersons. We met eight times during the year (August 29th, September 26th, October 24th, November 14th, January 9th, February 20th, March 20th and will be meeting in April.
- General Membership Meetings: There were six membership meetings during the year (September 14th, October 13th, November 16th, January 19th, February 22nd, and March 22nd.
- Speakers and topics were: Jill Archer (Jungian Sand Tray Therapy), Bob Atherton (Private Practice), Connie Carstens (EMDR), Bob Atherton (Marital Therapy-John Gottman Style), Marie O'Rourke (Pharmacology).
- Committee Meetings: During this academic year, due to low numbers, we did not have committee meetings. The chairs of these committees attended the executive meetings each month and together we planned events of each committee.

Workshops: The Chapter is co-sponsoring a Spring Professional Conference with Parents United of the Midlands on Saturday, April 9th, 2005 from 8:15-4:00. (See attached brochure). This conference is open to Counseling Professionals in the community as well as faculty and graduate students from UNO and other surrounding universities. Continuing Education Credits are available.

Social Events: The Annual CSI Holiday Social was held on December 4, 2004 for members, faculty, and prospective students to get to know each other and build networking relationships.

Newsletter: There was no dedicated newsletter published for the chapter; however, chapter highlights and events were published in the Counseling Department's Monthly Newsletter, The Communicator.

Other Activities: The Chapter's President Elect and Faculty Advisor are attending the ACA Conference this year in Atlanta, Georgia in April.

Accomplishments: Obtained guest speakers for member meetings with topics of interest to all counseling professionals. Created an organization where members were able to network and share counseling experiences with each other (professionally and personally). Planned a workshop for Continuing Education Credit with topics of interest to students and professionals in the Community. Sponsored Student Networking Room at the NCA conference in Lincoln September 30, 2004.

Initiations: June 19, 2004 at faculty advisor's home. This was an initiation tea from 2:00 p.m. - 4:00 p.m. Guests were welcome. There were about 40 people in attendance.

Business Meetings
1. January 20, 2004 at 5:30 p.m. at the Univ. of S. AL (USA). We formulated goals for the year.
2. February 6, 2004 at 12:00 p.m. for lunch at the Atlanta Bread Co. This was a planning meeting for the Spring Speakers Conference.
3. April 3, 2004. Business meeting at 2:00 p.m. to evaluate the conference. Held at USA.
4. September 20, 2004. Planning meeting for COE Mental Health Awareness Days project. Held at USA.
5. October 4, 2004 from 5:00 - 6:00 p.m. After Hurricane Ivan, held a general meeting to kick off the academic year. We planned an induction meeting, an orientation, sending representatives to ACA conference, and hosting the spring speakers conference.
6. October 21, 2004. This was another planning meeting for Mental Health Awareness Days. Held at USA.
7. November 2, 2004. We discussed the next initiation, newsletter and planning for the Mental Health Awareness Days.

Workshops
Spring Conference 2004 held April 3, 2004 from 10 a.m. - 2 p.m. at the College of Medicine Auditorium at USA. CEUs were offered. We had presentations from 2 speakers: Dr. Robert Hanks (Self-Control Training in the Treatment of Alcohol Problems) and Melissa Wallace, M.S. (Understanding the Process of Grief. Lunch was served.

Social Events
The June 2nd, 2004 initiation was also a Tea. Members and guests socialized from 2 p.m. - 4 p.m.

Newsletter
Christy Ricketts wrote Vol 1.(1) of our newsletter for 2004. Three pages. We distributed about 50 newsletters.

Other Activities
President David VanLandingham and President-Elect Debbie Carmichael introduced new counseling graduate students to CSI and shared tips for surviving and thriving in graduate school.

Accomplishments
The Mental Health Awareness Days offered a service to the faculty, staff and students of the College of Education. This was scheduled the week prior to final exams. We received an unexpectedly large number of favorable responses. CSI members distributed 300 Anger management brochures, 200 test-taking skills handouts, 200 time management handouts, and 200 coping skills self-tests and 150 resource lists.

Chapter Dues: $5 per year
Other Funding Methods: University Student Organization Account-D Funds
Initiations: We held our initiation Saturday evening April 23 2005 on campus. We had a sit down dinner. Dr. Catherine Chang was our guest speaker. Awards ceremony followed.

Business Meetings: We held 6 chapter meetings this year each proceeded by an executive meeting. Meetings were held on campus during class time and lasted one hour. We discussed membership to CSI and upcoming activities.

Workshops: We held a self care workshop on campus where we discussed relaxation techniques and counseling services provided on campus for students. We also had a LPC licensure board workshop where a member of the board came to discuss application procedures for the exam and the supervisory process.

Social Events: We had a back to school bash at the start of the semester at a local bar where we furnished finger food. We also sponsored a potluck Christmas Party at a local bar.

Newsletter: We did not publish a newsletter this year.

Other Activities: We sponsored orientation sessions for two orientations for incoming EdS students providing food and assigning mentors. We sponsored luchesons for two EdS and one PhD interview. Our members represented the university while recruiting at Historically Black Colleges state-wide.

Accomplishments: Our initiation was our most outstanding accomplishment. We paid for all members and initiates meal. The location was classy, well decorated, and well planned. All members had fun.

Annual Report
2004-2005

Chapter Name: Zeta
University: The University of Alabama at Birmingham
Web Page: http://www.edu.uab.edu/zeta
Chapter Dues: $0 - no local dues

Other Funding Methods: Personal donations, initiation banquet, and we had hoped to have a workshop in the spring but due to limited enrollment we had to cancel. During Dr. Sherman's visit, she helped Zeta chapter strategize re: fundraising methods that she has used at her university. We look forward to implementing these this upcoming year!

Initiations: We had one initiation ceremony on April 14, 2005 at Sirote & Permutt Law Firm in their community room. Dr. Nancy Sherman was our keynote speaker for the evening. We awarded the Glenda R. Elliott Scholarship to a student chosen by the Executive Board. We initiated new candidates into CSI. We installed new officers. We honored the seniors that had served on the executive board.

Business Meetings: First Monday of every month at The UAB Counseling & Wellness Center - The Executive Board and whoever else attended goes over an agenda set forth by the President which includes planning events, fundraisers, budget, etc.

Workshops: We had a workshop planned for April 15, 2005, but after a strong publicity campaign for the workshop we were forced to cancel due to low enrollment. We are looking to plan another workshop in the fall.

Social Events:
1) CSI Fall Kickoff Party - September 23, 2005 - Jim N' Nick's BBQ - Zeta chapter hosted this party and used it as an opportunity to introduce new faculty, welcome students back or for the first time, allow people to learn about CSI, and as a social mingle. The event was successful in uniting faculty and students, and speaking about CSI and encouraging involvement. About 20 people attended.
2) CSI Holiday Party - December 9, 2004 - Home of Dr. Angela Stowe - Members brought food and were encouraged to donate money to a needy family that we were sponsoring. We enjoyed food and fellowship at the party. Following the party, two Exec. Board Members were able to buy all of the items on the sponsored family's list with the money donated at the party.
3) CSI Day - April 8, 2005 - Atlanta, Georgia - President-Elect attended and met with other CSI Members

Newsletter: 2 newsletters - 5 pages and 12 pages

Other Activities: 1) CSI partnered with NAMI on a faith-based initiative, "Building Bridges - Opening Minds" intended to destigmatize mental illness and offer mental health resources to faith-based leaders in the community. This event had an excellent turn-out and was a great opportunity for Zeta Chapter to serve in our community.
2) Zeta Chapter sponsored a Brown Bag Lunch - "Play Station in Play Therapy" - Dr. Michael Brooks - March 11, 2005 - The Amelia Center - excellent turnout - 20+ people in attendance.

Accomplishments: The Fall Kickoff Party I think was our greatest accomplishment of the last year - Zeta Chapter has never sponsored an event quite like it. We reached all of our objectives in uniting students and faculty in a social environment and which provided an opportunity for fellowship and for the Executive Board to share about CSI and its benefits. We look forward to implementing this as a yearly event!
