Fundraising Activities	Sales (e.g., t-shirts, bake sales, yard sales)|Events (e.g., workshops, auctions)|Grants and donations
Other Chapter Funding Methods	Funds were collected through fundraising and receiving donations throughout the year. We also had a silent auction during the Induction Banquet. Specific programs: (1) We received 15% of the proceeds of sales for one day from Isomnia Cookies. (2) Football Ticket Sales- Ohio University offers the opportunity for student organizations to raise funds through ticket sales. The tickets are sold at face value ($30) and the Alpha Chapter keeps $17. Tickets do not require upfront cost. (3) The Morning After: Breakfast Delivery- The morning after the Annual Halloween Party, we prepared and delivered breakfast to students. (4) Around the World in 5 Days• - A Celebration of Diversity & A Cook Off. Alpha Chapter is home to diverse students from Ghana, India, Germany, Indonesia, Turkey, and South Africa. We prepared foods from these countries along with some American dishes. People purchased $5 tickets for this event. (5) The DSM-V raffle was held to raise funds. Raffle tickets were $10.00 per ticket.
Chapter Activities	1
Initiations	1
Initiations (description)	Each year our chapter holds an initiation banquet during spring semester. The banquet is open to all students , new and current members, their family members and friends, alumni as well as Ohio University Faculty. This year, the Alpha Chapter inducted 36 new members at the Annual Induction Banquet which was March 22nd, 2014 in the Baker Center at Ohio University. We also awarded 11 awards: Outstanding First Year Master's Student, Outstanding Master's Student, Outstanding Doctoral Student, Outstanding Service to the Chapter, Outstanding Research Award, and Outstanding Practitioner, Outstanding Leadership Award, Outstanding Mentor and Supervisor Award, and Certificates of Appreciation Awards to three faculty members. We had a silent auction to raise funds that that featured items such as a Cab Party Package, purses and shoes, candles, signed books, home decor, DJ package, and handmade jewelry. Dr. Victoria Kress, Professor from Youngstown State University was our guest speaker.
Business Meetings	8
Business Meetings (description)	Business meetings were held approximately eight times throughout the year in both Fall and Spring semesters, with members of the Executive Board and/or the President and Chapter Faculty Advisor. This served as a time to gather ideas and check in on progress within other committees. We met either in person, or via phone/Skype. These meetings were additional time for planning and coordination of events, and as a time to complete paperwork and any applications.
Membership Meetings	8
Membership Meetings (description)	This year our chapter has had monthly meetings Membership in both Fall and Spring semesters. They were located in McCracken Hall on every third Thursday from 2-3pm. All students, alumni and faculty were invited to attend any and all meetings. The meeting agenda was sent via email before the meeting and the minutes were sent after each

	meeting to keep members, students, and alumni in the loop. During each meeting the members of the executive board were required to give updates on the specific areas they were responsible for organizing. The committee chairs and co-chairs were also asked to give updates at each meeting. Other meeting time was spent on planning ahead for future semester, events, and the upcoming year.
Advocacy Activities	2
Advocacy Activities 2	Education about advocacy|Advocacy with the community|Other (describe below)
Advocacy Activities (description)	The Alpha Chapter held a candle light vigil event that focused on Suicide Awareness. We had guest speakers and mental health professionals that shared personal experiences with suicide. The attendees were active participants, lighting candles and holding a moment of silence for those who have died by suicide and their loved ones. Aditionally, we held Diversity Days• where numerous educational events were held to encourage students to become multiculturally competent and culturally sensitive to others. The events that were held during the week were a Diversity Panel, The Speak Out Panel - LGBTQ Panel, I AM Woman• Photo Contest, and a Diversity Workshop that focused on stereotypes and personal biases.
Workshops	9-May
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)|Clinical or school issues|Professional development and leadership|Multiculturalism|Other (describe below)
Workshops (description)	The Alpha Chapter held several Pizza and Proposal meetings this year. During CSI chapter workshops, members get together to learn about ways in which to become involved in current research and opportunities in our program. Members also learn how present at professional counseling conferences and work in teams to prepare proposals. Many students have had posters and presentations accepted. Pizza and Proposals included topics, such as how to present at a conference, poster presentations, resume writing, interviewing skills, and journal manuscript submission. This year the Alpha Chapter of Chi Sigma Iota held their first graduate student research conference in collaboration with the Graduate Education Association. Graduate Students within the Patton College of Education presented their personal research in the form of poster presentations and traditional 50-minute presentations. Our keynote speaker for the conference was Dr. Kirshana Machtmes who is a professor in the Research Department at Ohio University.
Counselor Community Engagement	2
CCE Activities	Donations|Run/ walk-a-thons|Community awareness|Community collaborations
CCE (description)	We held a can food drive to assist with gathering food for the Athens Food Bank, which serves multiple children and families in Southeast Ohio. Our largest event that our chapter holds is the Sue Apple Memorial Run, this event raises money for a scholarship for one CSI member while also remembering Sue and all she did for the community especially in advocating for Mental Health Awareness. The Sue Apple Run was held on April 19, 2014.
Social Events	3

Social Event Activities	Dinner / parties / socials|Other (describe below)
Social Events (description)	On December 5th we had a Holiday Gathering where CSI members, students, and faculty were invited to gather at a local establishment to socialize and relieve stress before finals week. After the CSI Induction Banquet, a social event was held at a local establishment to celebrate the new members that were inducted and to celebrate the success of the students thus far within the spring semester. This social was held on March 22, 2014. At the end of this Spring Semester, in May 2014 we are planning to have a final year-end social to celebrate students as they finish another year and to congratulate those who are graduating this year.
Newsletters	2
Newsletter (description & length)	The Alpha chapter newsletter was distributed each semester. A committee has been created to assist with development of the newsletter. Newsletters include a faculty spotlight, community involvement, recognitions, and well as highlights on inspiring places around the community. A copy of the newsletter is distributed electronically via listserv to chapter members, students, faculty, as well as the Dean of the Patton College.
Number CEs Involved	9-May
Will non-CFA CEs be involved?	Yes
If yes, how?	The Alpha Chapter has involved counselor educators that are not Chapter Faculty Advisors. We send meeting minutes and agendas to all members as well as to faculty so they can be involved with our events and meetings. We also sent the newsletter to counselor educators, and feature a counselor educator in the newsletter. Counselor Education faculty were invited to participate in all chapter events. Our CFA reports on chapter activities at faculty meetings.Counselor Educators at OU have consistently participated in the Annual Induction Banquet, and we sent invitations to all counselor educators to invite them to the Banquet March 22nd, 2014. The Alpha chapter also asked the Counselor Education faculty about statewide and national professional development activities and sent along all information received on the alpha chapter listserv for all members.
Recognizing Involvement of CEs	Awards / recognition
Recognizing Involvement of CEs (description)	We sent thank you notes to thank the faculty for attending events or for any additional involvement. We also gave Certificate of Appreciation to faculty members present. We recognized counselor educators in the newsletter, and typically feature a spotlight on a counselor educator.
Number of Alumni Involved	9-May
Involvement of Alumni (description)	Alumni and former members are invited to attend to our annual banquet, and to participate in community and chapter programs, as well as invited to be guest speakers for chapter events. Alumni are also sent the newsletter, meeting minutes, and agendas through the listserv so they can be involved with our events and meetings.
Number of Former Members Involved	9-May

Involvement of Former Members (description)	Alumni and former members are invited to attend to our annual banquet, and to participate in community and chapter programs, as well as invited to be guest speakers for chapter events. Former members are also sent the newsletter, meeting minutes, and agendas through the listserv so they can be involved with our events and meetings.
Other Activities	We had the Peer Mentoring Program throughout the year where first year Master's and Doctoral students are mentored by second year Master's and Doctoral students. The students are matched by area of research interest or area of study [clinical mental health, rehabilitation, or school counseling.This year we continued to seek recognition for the various events, newsletters, and activities that our chapter conducts. We had a lunch event, Meet and Greet• , with the Program Chair of the Counseling and Higher Education Department. This allowed students to interact with the Department Chair and for students to understand her role as the program chair.
Area of greatest accomplishment	Other
Greatest Accomplishment (description)	Our greatest accomplishment this year has been creating a chapter award named for a doctoral student who passed away. At the Induction banquet, Tim Robertson was honored posthumously for contributing to the counseling profession by mentoring and supervising graduate students and clinical mental health counselors. The chapter award that was named in his honor is now known as the Tim Robertson Supervision and Mentor Award• .

Area of greatest accomplishment	Chapter growth|Membership growth
Greatest Accomplishment (description)	Chapter membership has maintained one of our strongest objectives. We have recently inducted of one of our largest classes of inductees (24 members) and maintain our dedication to continued growth. This recent increase in membership has opened possibilities of forming teams/ committees and expansion of the executive board. These opportunities for increased direct member involvement and the creation of teams maximizes opportunities chapter growth. CE's have expressed interest in partnering with these committees to grow underdeveloped needs within the chapter (Alumni involvement/ enhancing network, social networking/communications). The chapter maintains it's commitment to recruitment of exceptional leaders and dedicated ethical professionals within the field of counseling.

Advocacy Activities 2	Advocacy within the profession|Advocacy with the community
Advocacy Activities (description)	We initiated a lunch with alumni of the program who are currently transformative school counselors during which we discussed advocacy for our profession and for our future students. We plan to remain in contact with alumni through a facebook group and through future in-person conversations. College- Career-readiness workshop: As planned, we held a workshop during which professional school counselors discussed how to infuse college & career readiness into a comprehensive school counseling program. Kipp College Bootcamp: In the advocacy spirit of giving more to those who need more, our chapter participated in a "college bootcamp" at one of the DC KIPP high schools. Members, along with other volunteers, spent 2 days working with rising seniors to support their first steps into the college admission process. Our international member, Edwin,

currently resides in Puerto Rico where there are no active CSI chapters. Edwin drafted a proposal to represent CSI at a professional counseling conference where he began the process of attempting to revive a stronger CSI presence in PR. Suicide prevention workshop: we partnered with the University Health Center to host a Suicide prevention and awareness workshop on March 10th. On November 12, 2013, the CSI Chapter hosted a Professional Development Workshop at the UMD College Park Campus on the resources that are available to college students with disabilities. This program was led by UMD Disability Support Services Director Dr. Jo Ann Hutchinson, who discussed what is available and how it can be accessed. The goal is this program was to help high school counselors support their students with disabilities by being more aware of what can be offered at the college level.

Workshops (description)

In August 2013, members attended a chapter-initiated "Stewards of Children" child sexual abuse prevention training in Washington, DC along with colleagues from the school psychology program. The CSI Chapter provided partial funding for members to attend a local workshop on Solution-Focused Counseling• on 10/4/13, led by an expert in the field. On 10/29/13, the CSI Chapter sponsored a Professional Development Workshop at the Planned Parenthood of Maryland, located in Baltimore, MD. This workshop, led by Planned Parenthood of Maryland Vice President of Education and Professional Counselor, Amber Eisenmann, covered how to counsel and support pregnant teenagers and their families. On November 12, 2013, the CSI Chapter hosted a Professional Development Workshop at the UMD College Park Campus on the resources that are available to college students with disabilities. This program was led by UMD Disability Support Services Director Dr. Jo Ann Hutchinson, who discussed what is available and how it can be accessed. The goal is this program was to help high school counselors support their students with disabilities by being more aware of what can be offered at the college level. On February 1, 2014, the CSI Chapters at UMD and Johns Hopkins University partnered to host a Professional Development Workshop on Preparing for Careers in School Counseling. This annual event featured a panel of professional school counselors, counselor educators, district leaders from the surrounding states/counties, and district hiring officials. The event covered the application and hiring process, resume and interview advice, and more. The event was attended by over 30 School Counseling students from nearby universities. Rainbow Terrapin Training: This training covers the fundamentals of allyship and advocacy for lesbian, gay, bisexual, transgender, and queer inclusion in a learning community. The discussion includes social justice, vocabulary and inclusive language, campus issues and resources, and ways to take action and get involved. Our chapter attended several trainings in the spring semester, including one specifically discussing transgender advocacy. Violence Intervention Assistant Training: This training program covers sexual violence, relationship violence, and stalking; the impact of these incidents and indicators they have occurred; how to help someone who has experienced these crimes; available resources; bystander intervention. Special trainings are provided for faculty, staff, and graduate students at the University by experts from University of Maryland's CARE (Campus Advocates Respond and Educate) to Stop Violence Program. Our chapter promoted attendance at a training in the spring semester. Suicide prevention workshop: we partnered with the University Health Center to host a Suicide prevention and awareness workshop on March 10th. Classroom management workshop: recognizing our program's lack of training related to classroom management, we invited seasoned educators to share their wisdom with us on May 7th.

CCE (description)	In December, at the completion of our Fall Internships, the CSI Chapter sponsored a celebration to thank our supervisors. Participants included chapter members, chapter advisors, other members of the School Counseling Program cohort, the site supervisors from our semester's internship locations, School Counseling Program Faculty, alumni, past site supervisors, and other local school counselors. In December, the CSI Chapter organized a Holiday Toy drive community service project that supported children from our local county, Prince George's County of Maryland. TerpTHON: This is an extremely popular national philanthropy event that benefits the Children's Medical Network. Our chapter created a team and raised over $1000 to support the charity.

If yes, how?	In addition to having a UMD Counselor Educator as our faculty adviser, we were also fortunate to be guided by 2 counselor educators and former Alpha Delta CSI Executive Board Members, Dr. Marja Humphrey and Dr. Jessica Diaz-McKechnie. Our chapter socials will included all current school counseling faculty We invited counselor educators to socials and celebrations. Additionally, our cohort extended invitations to counselor educators for participation in our workshops and philanthropic endeavors.

Greatest Accomplishment (description)	Despite the knowledge that our chapter would be closing this year with the loss of CACREP accreditation after our graduation in May 2014, our chapter was adamant about promoting and coordinating meaningful professional development and social opportunities for counselors and others in the College of Education. We exceeded our own number of workshops, panels, and events this year. Our career workshop panel featured over a dozen professionals and well over 40 school counselor graduate students, the most well-attended in the event's history. The accomplishments are all the more impressive considering our membership is comprised of counseling graduate students taking a full course load, 20+ hr/week internship, and 20+ hr/week graduate assistantships. We are proud of all we were able to do this year!

Greatest Accomplishment (description)	The level of involvement with the Louisiana Counseling Association in planning events for our members and graduate students in general is one of our greatest accomplishments. This year we hosted both an educational forum for new graduate students and a Jazz Social that was attended by our outgoing ACA President Dr. Olatunji-West along with other CFAs, CEs, and graduate students from around the state. The success of both programs prompted LCA to invite our chapter to spearhead the events again this coming year. Additionally, we are proud of our newest initiates who are excited about being a part of such an active chapter.

Greatest Accomplishment (description)	We are a small, struggling chapter, but we involve students - both CSI members and other counseling students - in two service projects a year. The students really enjoy these two opportunities to contribute - even in a small way. Our campus is a commuter campus so it is very difficult to get students to participate in workshop-type activities, but they watch the bulletin board for upcoming information, enjoy the social networking time at the Fall & Spring parties, and enjoy finding a way to give back. Many of our students are struggling financially to work on their master's degree so they don't have a lot of extra money, but they get involved in the service projects based on their ability to participate.

Greatest Accomplishment (description)	Maintaining the chapter. This year we had several major changes. 1) Our co-faculty advisor suddenly left her employment---- so another faculty advisor joined us in February. 2) In August our student executive board had two position vacated by students who could no longer serve. Two more student quickly stepped up to the positions. 3) Our department was in the midst of searching for four new position (two to replace current faculty vacancy, one to replace a faculty retiring in December 2013 and one replace faculty that is retiring in May 2014. In addition, our department has been through four different accreditation process and site visits (SACES, NCATE, CACREP and NCSAPPB) this year. All of the above has effected students and our ability to provide more workshops and activities.

Initiations (description)	The Alpha Theta chapter at California State University - Bakersfield has been attempting to get recruit and induct members, however, our university is in the middle of a quarter-to-semester conversion process that has kept all faculty in all departments occupied. We are having to completely convert or transform all our curriculum, provide syllabi for all courses, course descriptions, a two-year plan, etc. In addition to this quarter-to-semester conversion process, we have been preparing for an NCATE site visit that is in fall 2014. As you know with accrediting bodies, this takes a lot of preparation prior to the actual site visit. All of this is on top of our regular duties of teaching, advising, and engaging in scholarly activities and service to the university and community. It is hoped that in the upcoming year when the quarter-to-semester conversion is in that the CFAs can induct new members and continue to keep Alpha Theta active.

We currently have a large chapter but few members actively participate in monthly meeting and events. As a result we added an end of the year pot luck celebration to our events calendar. We have also made it mandatory that members attend at least 4 meetings per year. In addition, we have provided members with information on methods of involvement. The CES students have also increased involvement in leadership positions within CSI based on class assisgnments in the CES seminar course.

Greatest Accomplishment (description)	The greatest accomplishment for Beta Alpha this academic year has been the two beneficial workshops/trainings that the our chapter hosted. They both had a great turnout of students and received exceptionally positive feedback on the training evaluations. Another exciting aspect of this year is the research grant that two of the executive committee members and one of the CFA's for Beta Alpha received. This grant will aid in a greater understanding for healthy personal development practices that influence counseling self-efficacy for counselors-in-training and ultimately add to the professional advocacy for individuals in the field.

Initiations	1
Initiations (description)	We hold one initiation of new members each year. Last year the 2013 Induction ceremony was held on Tuesday, April 30, 2013 and 22 new members were inducted. This year it was held on Tuesday, April 29th in the Green Room, Villa Maria Hall, Immaculata University with 15 new students inducted. On average, we induct between 12 to 18 students a year. Inductees are encouraged to invite their family and friends. In addition to their induction, there is a guest speaker and a presentation by the officers on the annual report and plan. Our guest speaker this year was Sr. Monica Acri, IHM, Psy.D. She is an Assistant Professor of Graduate Psychology at Immaculata University. She also serves as a consultant for the Marriage Tribunal of the Diocese of Metuchen. Our Induction Ceremony began at 6:00 p.m. and ended at approximately 7:30 p.m. and also honored S. Jeannine O'Kane for her years of service to Beta Mu. Formal invitations were sent to all inductees and current members were also encouraged to attend. Refreshments were served.
Business Meetings	3
Business Meetings (description)	Business meetings were held at the beginning of the summer semester (June 19, 2013) and fall semester (September 11, 2013). Our spring semester meeting was held on February 12, 2014. The 2013-4 meetings were held in Loyola Hall and Good Counsel Hall at Immaculata University. The officers and faculty advisor also met separately prior to each meeting to create the agenda and discuss any pending issues and plans for the respective semester and year. During the fall meeting, workshop ideas were presented and voted on which included the hosting of an on-campus screening of The Anonymous People,• as well as a Guided Imagery/Relaxation Workshop for the spring semester. Other plans were also finalized, which include a community event scheduled for April 2014. For this event, Beta Mu invited Beta Mu Members to participate in a 5k sponsored by and for the benefit of the Crime Victims Center of Chester County in West Chester, PA. Also planned, was a holiday social on Wednesday, November 20, 2013 and a Supervisor's Workshop on April 22, 2014. At the spring 2014 meeting, officers discussed and finalized plans with Dr. Martinson, Beta Mu Faculty Supervisor, for the installation of new members in April, 2014.
Membership Meetings	3
Membership Meetings	Beta Mu Meetings were conducted by Kristin Connell (President 2013-2014), Rosemarie Kurtz, (Secretary) and Elisabeth Keeney (Treasurer), with incoming President Elect

(description)	(Alison Sibley) and incoming vice-president elect (Staci Johnson) due to Rosemarie and Elisabeth graduating and moving in December 2013. The member meetings were held in Loyola Hall and Good Counsel in Immaculata University and were scheduled from 7:00p.m. to 8:00 p.m. At the beginning of each semester, the officers spoke to different classes to make students aware of Beta Mu, its goals and criteria for membership. Members also surveyed students with regard to their interests and confirmed the desire of members to become involved in outreach and research.
Advocacy Activities	1
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community
Advocacy Activities (description)	During the 2013-2014 year, Beta Mu hosted a live screening of The Anonymous People,• a feature documentary film about the emerging New Addiction Recovery Movement. In addition to Beta Mu members, all graduate and undergraduate students and faculty, as well as people in the community, were invited to view this film. Beta Mu members served as hosts for this event by welcoming, checking people in, and serving refreshments.

Workshops (description)	During the 2013-2014 year, Beta Mu hosted a live screening of The Anonymous People,• a feature documentary film about the emerging New Addiction Recovery Movement. In addition to Beta Mu members, all graduate and undergraduate students and faculty, as well as people in the community, were invited to view this film. Beta Mu members served as hosts for this event by welcoming, checking people in, and serving refreshments. For spring 2014, Dr. Miriam Franco was asked to conduct another Relaxation workshop for Beta Mu members, due to members' positive feedback and request for her to provide another workshop. The previous workshop was well attended by members of Beta Mu. Dr. Franco's initial session was held in Spring 2012. Dr. Franco is a licensed psychologist, who is certified in Guided Imagery and has done extensive work in hospitals with surgery patients and those on dialysis. Her workshop was both informative and experiential and members were taught methods of self-care as well as techniques to use with clients. On April 22, 2014, Beta Mu Members helped to host a second Supervisor's Workshop. Spring 2013 was the first held Supervisor's Workshop, which created much success. This workshop invited the supervisors belonging to the fieldwork sites of Immaculata counseling psychology graduate students, to attend a beneficial workshop at Immaculata to gain insight on an array of different topics related to field of counseling psychology. Last year the workshop had three speakers that presented. This year it focused on presenting research data from a Beta Mu Sponsored Research for the Spring 2014 semester. This event also allows for networking and the building of stronger relationships between Immaculata and the graduate internship sites. Throughout the year, current Beta Mu members have made brief presentations at new student orientations, as well as practicum tips nights to spread the word about Beta Mu Membership. Also, Flyers and posters have been hung throughout the year to encourage interest and new membership.

Other Activities	Also this spring, Beta Mu members were invited to partake in a research study, organized by Dr. Martinson, which examined the effects of using supervision feedback instruments in supervision. Students could contribute by filling out a survey contributing to the

research data, and participate in a focus group. Dr. Martinson supervised and supported Staci Johnson and Kristin Connell when we presented the research results at Posters Under the Dome at Immaculata University on April 10th, 2014. Results were presented on a poster board to our collegiate peers and other faculty members. Our visions for the future are rooted in outreach and research, which has been a consensus from student feedback. In order to establish the framework of this goal, we need to meet and discuss the needs of the community, the research interests of the group and the best ways to go about collaborative projects that will enrich the lives of others and further our own growth and development as professional counselors. This endeavor will require that active participation, interest and energy of you and the other active members of Beta Mu.

Greatest Accomplishment (description)	At the end of this year, our chapter will have organized committees to help oversea various aspects of our chapter: Fund Raising, Alumni Relations, Professional Development, Social Committee, and Community Outreach. Additionally, our chapter will have electronic historical folders which will include all relevant materials for future use. In terms of events, our chapter has exceeded our expectations for money raised by our annual garage sale. Along with this, we have completed four strong newsletters to keep members up to date on relevant information. As well, our COMP Study Group continues to serve quite a few students during their studies and we hope that the new mentoring program put in place will continue to grow in leaps and bounds.

Area of greatest accomplishment	Chapter growth|Membership growth|Events
Greatest Accomplishment (description)	I believe the Beta Upsilon Chapters greatest accomplishments are based in its expansion through new members, current member participation, and excellent events which in turn have created an overall amazing chapter. Listening to our members by dispersing a digital survey about member interest has been important to the success of our chapter. It should be noted that our greatest chapter event this year was the 6th annual graduate student educational research conference. This event was planned, coordinated, and hosted by Beta Upsilon which involved students from various south Florida universities and different mental health programs. In the process of reorganizing the chapter, many new committees such as, Awards, Social Events, Mentoring (student to student), professional advocacy and development, etc were implemented to more effectively serve the chapter, its members, and the university.

Initiations (description)	Our initiation (held once annually in the Spring) was held on Friday, May 10, 2013. The event took place at Torp Theatre at Davidson Hall on the CCSU campus. The event was well attended as some 75 new members and their families celebrated this inaugural event. This induction was particularly memorable as it marked University's 1st established Honor Society for Professional and Rehabilitation & School Counseling Graduate Students. Dr. Evadne Ngazimbi, long time Chi Sigma Iota member and Chapter Faculty Co-Advisor, installed Dr. Cherie King as Chapter Faculty Advisor and served as Key Note speaker. The next initiation of new members is scheduled to take place on the CCSU campus once again at Torp Theatre on Friday, May 9, 2014.

Advocacy Activities	4
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community
Advocacy Activities (description)	In the Fall of 2013, we held a fundraiser so that we could make donations to two local causes. We donated $200 to the Child Advocacy Center or Northeast Missouri, and we donated $300 to a special fund for a QU professor who is recovering from a stroke and needed to raise money for medical equipment that is not covered by insurance. As for professional advocacy, we held a professional development workshop on helping child and adolescents survivors of trauma in the summer of 2013. We also held a Mandated

	Reporter training for area counselors and educators in Fall 2013.
Workshops	2
Workshop Themes	Clinical or school issues
Workshops (description)	Helping Children and Adolescents Cope with Trauma, Grief, and Loss - We provided a workshop for area counselors on helping children & adolescent survivors of trauma or grief. We brought in a license play therapy - supervisor as our guest presenter. She discussed the characteristics of trauma and grief, and provided guidelines and techniques for helping this population. Mandated Reporter Training - We provided a workshop for area counselors and educators regarding the legal obligation to report suspected child abuse or neglect. Current laws for Missouri and Illinois were discussed, as well as appropriate procedures for making a report.
Counselor Community Engagement	4
CCE Activities	Donations|Professional development
CCE (description)	As previously stated, we donated to two local causes (Child Advocacy Center and QU Professor medical fund) and sponsored a Child/Adolescent Grief & Trauma workshop and a Mandated Reporter training workshop for area counselors and educators.
Social Events	2
Social Event Activities	Dinner / parties / socials|End of semester / graduation
Social Events (description)	At the end of the Fall 2013 semester, we held our annual holiday party and potluck. At the end of the Spring 2014 semester, we also had a program social at a local restaurant. Both events were well attended.
Newsletters	2
Newsletter (description & length)	The Fall 2013 issue of "The Insight" was a special issue on Rural Counseling. The Spring 2014 issue was a general overview of what we've done over the course of the school year. We had articles on service and fundraising, on the ICA and ACA conference, our induction & awards ceremony, our holiday party, the campus Women's Empowerment Week that one of our members participated in, a section on practicum/internship sites, a section of pics and bios of our members, and a calendar of upcoming 2014 program/chapter events.

Number of Former Members Involved	4-Jan
Involvement of Former Members (description)	We generally see former members at the professional development workshops that we offer each year.
Other Activities	We have applied for a grant that would help with the expenses associated with seeking CACREP accreditation.
Area of greatest accomplishment	Events|Other
Greatest Accomplishment (description)	It is difficult to identify a "greatest accomplish", as I believe we've done many great things over the course of the past year. One thing that I'm particularly proud of, though, is our Fall 2013 Special Issue of our newsletter, "The Insight". The issue focused on the general theme of Rural Counseling. We included articles about the criminalization of mental illness, addressing domestic violence and sexual assault in a rural community, resource issues and mental health service availability for rural children and families, issues for rural school counselors, and the challenges of finding practicum/internship sites in rural areas. This was our first special issue, and our members did a great job putting it together.

Greatest Accomplishment (description)	Our greatest accomplishment this year has been to recognize new members and their eagerness in providing ideas they wish to see our chapter participate in. A new member of ours, Krystle Whitten, has helped the President, Caroline Levy, organize the Autism Speaks Walk team where members acquired sponsors to participate in a walk to raise awareness. Krystle is also currently working on a beach cleanup to keep members active in the summer. We pride ourselves in being open minded to the particular needs of our members and community and therefore support their ideas through to materialization. We have also created a counseling tee shirt that we are selling as a fund raising activity.

Advocacy Activities (description)	This year our annual initiation ceremony was focused on the theme of advocacy. Dr. Lopez-Baez's speech addressed our roles as counselors to be advocates and provided members with examples and experiences of counselors' advocacy roles.
Workshops	9-May

Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)|Clinical or school issues|Professional development and leadership
Workshops (description)	1. "Coffee Time Talk" was a professional development workshop held with the goal to provide students with the opportunity to get to know our counseling faculty members and learn more of their research interests as well as contributions to the counseling profession. 2. A student oriented IPad workshop was held in December 2013 to teach students how to navigate the Internet and email on an Ipad; find, download and critique articles using an Ipad; use an Ipad in order to write papers, as well as class notes, using Apps to manage news stories and media articles of interest. 3. An eating disorder's workshop was held in February 2014 that addressed disordered eating behaviors in clients across the lifespan. Focus included implications on pre-adolescence, adolescence, emerging adulthood, midlife, and older adulthood. Discussion was held around the developmental needs and contributing factors inherent within each of the populations mentioned. Presenters dialogued with the audience around counselor awareness and the need for continued professional development in this area. 4. A resume writing workshop was held in late February 2014 with the goal of providing students with tips and suggestions for preparing their resumes in order to be application ready. Those in attendance were provided the opportunity to have their resume reviewed and critiqued by the Director of Career Services for the College of Education and Human Services. 5. A stress management workshop was held in March 2014 for students taking the Counselor Preparation Comprehensive Examination. The workshop provided students an opportunity to get their mind, body, and soul prepared for the exam. Students participated in a meditation exercise and were provided the opportunity to ask questions related to the exam.

Greatest Accomplishment (description)	This year a big goal of our chapter was to increase communication within our members and with our faculty. We increased member involvement by hosting member's only meetings that provided members at large an opportunity express their ideas and take part in executive planning. Members were given more responsibilities in planning workshops, maintaining communication with hosts of workshops, and handling RSVPs. A new workshop we added this year to facilitate relationships between students and faculty was a coffee talk. Students were provided the opportunity to get to know a faculty member outside of the classroom and learn about the professor's journey in the counseling profession.

Involvement of Former Members (description)	We had Alumni/ Former Members come and talk to us about a couple different topics. One topic being our professional identity as counselors and how she found hers. The second talked to us about Life After Masters program. He discussed what it has been like through his first year in his doctoral program at Georgia State. Another Alumni talked to us about her first year as an MFCC Intern and how living in another state has opened up numerous doors for her, as well as how she had a job within 3 weeks of moving. Our Vice President, with the help of the Exec Board, was in charge of developing a mentoring program within our program. The mentoring program is designed so that each new student who chooses will gain a mentor who is just one year ahead of them and a member of Chi Sigma Phi. With the hopes that this mentor can answer any questions or concerns the new student has. The hopes is also so the mentor can help the mentee prepare to become a new member of Chi Sigma Phi. When the mentors graduate, it is also the goal for the mentees to step into the role of mentor, and the mentor to step into a role of Alumni Mentor, where mentors and mentees can connect from Professional World to Counselor Educator Program. Again, in the hopes of increasing our Counselor Educator, Former Member and Alumni involvement as well. This would also give us more chances to create new Counselor Community Engagement opportunities. The Mentor program is still in its early design stages, and the mentor-mentee relationships that have happened this year, have been great and as a result will continue through the next year.
Other Activities Area of greatest accomplishment	Chapter growth|Other
Greatest Accomplishment (description)	The Greatest Accomplishment of Chi Sigma Phi over the 2013-2014 school year has been the growth of the chapter as a whole and the growth of each active member in our chapter. The meetings we conducted this year were focused around our theme for the year: Advocacy and Allies. The meetings taught Professional Advocacy to members and unity of the professional counseling world. We helped teach how to be an Ally for each other, no matter the type of counselor we are (K-12, Higher Ed, MFCC or Rehabilitation). We were able to bring in professionals to teach ourselves and our members what it is like to be a Professional Counselor and to love and embrace what you do, no matter the option. We were able to show Chi Sigma Phi the ins and outs of Advocating and being an Ally for our clients, students, for each other and ourselves. This growth of ourselves and our chapter starts, but does not end, because while we touched the surface, there is still great experiences waiting to happen below.

Number of Alumni Involved	4-Jan
Involvement of Alumni (description)	At the present only a handful of alumni have been involved with our chapter by offering counselor resources to students and offering mentorship. However, the membership and alumni committee as well as the professional development committee are working to bring in more alumni.
Number of Former Members Involved	20 or more
Involvement of Former Members (description)	Former members are connected via regular email communication about what is happening in the chapter and ways they can be involved at initiations and through professional development opportunities.
Other Activities	Chapter members are encouraged to showcase their professionalism and excellence as students through our chapter awards and scholarships. These winnders are publicized

	through our chapter website, social media, and at the membership meeting. Invited keynote speakers are also invited to Q& A sessions with members on a separate day.
Area of greatest accomplishment	Chapter growth|Membership growth|Events
Greatest Accomplishment (description)	This year the focus for the chapter was on chapter growth, membership and professional development. Over the last year our membership has increased dramatically and the number of students renewing membership has had a slight increase. For the first time our chapter was able to offer substantial opportunities for professional development through the implementation of new committees and the connection with alumni & keynote speakers. Considering the size of the chapter we believe these small steps are key to creating long-term success for the CUC chapter and for creating life-long members of CSI and this great chapter.
Chapter bylaws	Our chapter has made changes and had them approved by CSI HQ.

Business Meetings	0
Business Meetings (description)	One business meeting was held at the start of the 2013-2014 academic year. The leadership reviewed the current accounts and tentatively planned budgets for upcoming events throughout the year.
Membership Meetings	6
Membership Meetings (description)	Membership meetings are held once a month, usually on a Thursday or Friday afternoon. These meetings have been most successfully attended when they immediately precede or follow a Professional Development Series (PDS) presentation.
Advocacy Activities	1
Advocacy Activities 2	Advocacy within the profession
Advocacy Activities (description)	A the start of the 2013-14 year, we sponsored and hosted a guest talk and reception by Dr. Mizuno, from Reitaku University and Rissho University. Dr. Misuno came to SIU at the invitation of our faculty, to discuss a professional collaboration between his universities in Japan and SIU. The evening after his lecture on Forgiveness in the Japanese Culture, Dr. Mizuno and SIU Chancellor Chang signed a Memorandum of Understanding between the universities. CSI hosted that formal reception as well.
Workshops	14-Oct
Workshop Themes	Professional development and leadership

Workshops (description)	Professional Development Series (PDS) presentations and workshops are held about once a month in the Fall semester, and twice a month in the Spring. Both Master's and Doctoral students may register to present on a topic of interest, and at least 4 PDS events bring in professionals from the community and region. Most recently, on April 18, 2014, Dr. A. Stouffer, President-elect of the Illinois Counseling Association, gave a 90 minute presentation on life-long professional development. Other spring presentations have included Illinois licensing as well as a regular Counseling Theories workshop, put on by doctoral students.
Counselor Community Engagement	1
CCE Activities	Community fundraising
CCE (description)	This year, Delta chapter has taken the lead in our program in providing aid and support to a recent School Counseling graduate who has been diagnosed with a terminal illness. To honor our dear friend, peer, colleague and fellow student, the CSI leadership has organized an online fundraising venture to support him and his wife. The leadership also acquired a Tour de France racing jersey (yellow!) and coordinated all students and faculty in signing the back of the shirt to give to this avid cyclist.
Social Events	3
Social Event Activities	Dinner / parties / socials|Welcome / orientation|End of semester / graduation

Involvement of Alumni (description)	Alumni have occasionally attended PDS workshops on Thursdays or Fridays. In the coming year, the chapter will be improving its outreach to all area alumni, making sure they are well aware of the PDS events.
Number of Former Members Involved	4-Jan
Involvement of Former Members (description)	Occasionally, former members become involved in an event. For instance, a former CSI member and program alum is the person in charge of the online fundraising platform for our terminally ill CSI member.
Other Activities	
Area of greatest accomplishment	Events
Greatest Accomplishment (description)	Our greatest accomplishments are two-fold: The outstanding reception we planned and delivered to honor Dr. Mizuno and his contingent of Japanese visitors was a great event, for the SIU counselor ed program and for the Japanese universities' future counselor education. Our second greatest accomplishment has been the practical and emotional support we have extended to our ill friend.

Initiations	1
Initiations (description)	Initiation occurs one time per year in April or May. After managing invitations and setting a deadline for application, the leadership team schedules a room through Conference and Event services, books catering, a guest speaker and follows up with members about the event. Generally 40-50 people are present including partners, spouses, parents, siblings, friends and children.
Business Meetings	6
Business Meetings (description)	There is usually a business meeting every quarter plus a leadership orientation and mentoring orientation.
Membership Meetings	2
Membership Meetings (description)	Business meetings are set for the general membership 2 times a year. While there are multiple announcements for these events, they are generally not well attended. Combining a social with a business meeting has helped to increase attendance.
Advocacy Activities	2
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community
Advocacy Activities (description)	Chi Sigma Iota collaborates with local mental health counseling and school counseling associations to encourage student attendance and presentations at these events. Five members presented at the Washington School Counseling Conference and one member is presenting at the American Mental Health Counseling Association convention in July.
Workshops	9-May
Workshop Themes	Clinical or school issues|Professional development and leadership|Multiculturalism

Workshops (description)	In Fall, students invited Career Center to present on professional resumes and interviewing. In Winter, students invited visiting professor to discuss Prevention and Wellness in Counseling. In Spring, there will be an event discussing LGBTQ issues in Counseling and in Summer, a disability services panel will be convened for members. In addition, the student have organized four viewing opportunities for Chi Sigma Iota webinars.
Counselor Community Engagement	4
CCE Activities	Donations|Advocacy / volunteering|Run/ walk-a-thons
CCE (description)	In Fall the students walked with the Washington chapter of NAMI and collected donations for two families who entered permanent housing with a community partner after being homeless. In Winter and Spring, the students conducted a book drive for a local elementary school.
Social Events	3
Social Event Activities	Dinner / parties / socials|Welcome / orientation
Social Events (description)	Each quarter, the students organize a social on varying evenings at a local restaurant to help students mingle across cohorts.

Greatest Accomplishment (description)	Our chapter sponsors each year the Fred E. Woodall Conference for the Helping Professionals. This event brings professionals from 3 states and provides a day of lost cost, high quality opportunities for CEU's and professional fellowship. The event is paid by the Chapter and funds from the Chapter are re-deposited for the event next year. For the past 4 years, it has been our pleasure to host the out-going President of ACA as our Keynote speaker.

Initiations (description)	Spring initiation is scheduled for May 29, 2014 at 5 p.m. Currently, 7 students are approved and paid through the CSI website, 10 are locally approved for the GPA requirement, and 1-5 are awaiting semester grades to quality for membership. An initiation ceremony was not held during the previous CSI fiscal year. This is due to several ongoing issues and conditions within the Department of Counseling and Educational Psychology. Currently, the department is operating two faculty members short, developing a doctoral program, developing an undergraduate completer degree, and in the first semester of utilizing a new academic delivery system. The new academic delivery system postpones student eligibility for CSI membership based on chapter and national bylaws.

Initiations	1
Initiations (description)	Our new members were inducted into Chi Sigma Iota at our annual initiation banquet on April 17th, 2014. Our special guest was Dr. Tom Sweeney, and he provided the keynote speech for the night. We inducted about 30 new members into CSI, and hosted 85 guests including new inductees, their friends and families, and faculty from our department. We held t-shirt sales and a raffle auction at the banquet. The new CSI officers were sworn in to their new positions at the banquet, as well.
Business Meetings	9
Business Meetings (description)	We held 9 business meetings consisting of the four officers throughout two semesters. We met at Panera on one Saturday of every month. At the business meetings, we discussed logistics of fundraising ideas, details of service projects, and ironed out the specifics of ideas that members had proposed. In addition, we kept track of the budget, and the president delegated jobs for each of the officers.
Membership Meetings	8
Membership Meetings (description)	Our chapter held 8 membership meetings; one per month over the span of two semesters. At each membership meeting we discussed potential service projects, workshops, fundraising ideas, mentoring, and advocacy ideas. New members got a chance to share their ideas, and old members were able to recruit new members to become more involved in our events.

Workshops	4

Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)
Workshops (description)	We held student-oriented workshops including; "Doc-Talk", Resume Writing Clinic, Publishing Clinic, and Mentoring. At the Doc Talk workshop, a professor from a local doctoral program came to discuss counseling doctoral programs with our students. The Resume Writing clinic was run by students, a professor, and our doctoral intern. This clinic focused on the correct and incorrect ways to write a clinical resume. The Publishing Clinic was run by a professor and our doctoral intern. This clinic focused on teaching beginning students to think about publishing and the steps they should take to do so. The Mentoring workshop was targeted towards students and explained the details of a mentoring relationship. This workshop was run by our student mentoring chair.
Counselor Community Engagement	4
CCE Activities	Donations|Advocacy / volunteering
CCE (description)	The Eta Chapter members volunteered on a Saturday at a children's museum called "Oh WOW!" Technology Center. In addition, the Eta Chapter partnered with our School Psychology program and donated gifts to a local church organization at Christmas time for underprivileged children in the area. We donated 100 dollars to the Youngstown Community School to help the children with a fundraiser towards a field trip. Our basket auctions at the induction banquet generated a profit of 450 dollars, which the Eta Chapter will put towards activities and events carried out by future officers.
Social Events	2
Social Event Activities	Dinner / parties / socials|Welcome / orientation
Social Events (description)	Our Christmas social event was held at a School Psychology professor's house. We partnered with the School Psychology program and had dinner and appetizers. We all donated Christmas gifts to underprivileged children through a local church. Our department held a new student orientation in the fall and the spring. CSI recruited new members at the new student orientation.

Will non-CFA CEs be involved?	Yes
If yes, how?	Non-CFA Counselor Educators are involved in the initiation banquet. They are involved in promoting CSI in their classrooms, and they allow current CSI members to come into their classes to encourage involvement in CSI. They also allow current members to sell t-shirts and promote social events in their classrooms. Our professors are always willing to help CSI by providing educational workshops and clinics to the students (Resume writing workshop, publishing clinic, doc-talk)

Recognizing Involvement of CEs	Thank you notes / messages
Recognizing Involvement of CEs (description)	Counselor educators are thanked by the officers and members for their continual involvement and support of CSI.
Number of Alumni Involved	4-Jan
Involvement of Alumni (description)	Alumni is recognized at our annual induction banquet. They are invited to join the banquet, and one of our outstanding alumni is presented an "Outstanding Alumni Award" recognizing their past service to the chapter and their current service to the profession.
Number of Former Members Involved	0
Involvement of Former Members (description)	N/A
Other Activities	Our initiation banquet recognized several students for their involvement and scholarship. Four department scholarships were presented at the banquet to recognize student achievement. In addition, an "Outstanding Master's Student" award was presented to one of our members who was extremely involved in CSI throughout the semester. Our t-shirt sales served as a fundraising source for CSI. Our initiation banquet hosted Dr. Tom Sweeney as our keynote speaker, and he was accompanied by Dr. Jane Myers. Prior to the banquet, we hosted Dr. Sweeney and Dr. Myers in a meeting with the eight outgoing and incoming officers. At this meeting, we discussed the principles and practices of leadership excellence. Throughout the year, our members and potential members were encouraged and empowered to present at conferences including the Educational Research Exchange and QUEST (a local YSU conference).
Area of greatest accomplishment	Membership growth|Events
Greatest Accomplishment (description)	One of our greatest accomplishments over the past year was the involvement of new members. Our membership meetings boasted record attendance. At each meeting, our current officers empowered new members to become involved. The new members were encouraged to provide ideas and feedback regarding events and workshops held by the chapter. As a result, the Eta Chapter's new members have gained experience through their involvement, and have become more knowledgeable about how to lead CSI into another successful year. In addition to membership growth and involvement, the Eta Chapter was successful in volunteering and donating to local community events. We volunteered at a children's museum and built a good relationship with them. We donated money to a local school to fund their field trips, and we donated Christmas gifts to a local charity for underprivileged children.

Chapter Activities	1
Initiations	1
Initiations (description)	This year our induction ceremony took place in the Fall at Cinzano's, Fairfield, CT. A program was provided that included greetings by Dr. Hulse and Dr. Skudrzyk - chapter co-advisors, an address by Sandy Duemmler regarding Chi-Sigma's mission and our chapter's accomplishments. In addition, we had a key note speaker, Robert Schmidt who spoke to us about the value of reaching out to those in need in our own community and those around us. We held a formal ceremony during which 12 new members were initiated and new board members were inducted. The event was held in high regard by students and faculty alike.
Business Meetings	6
Business Meetings (description)	Executive Board meetings were scheduled for 2 Mondays a month throughout the fall and spring semester. All meetings were held from 3:30 to 4:30 pm on the Fairfield University campus at various locations. Meetings were focused on planning and implementing socials, community outreach, workshops, financial status, graduation, and newsletter creation.

Advocacy Activities 2	Advocacy with the community|Other (describe below)
Advocacy Activities (description)	Our Chapter supported community outreach with focus on Professional Advocacy by participating in Out of the Darkness Community Walk for the second year in a row. This walk focuses on Suicide Prevention. The event took place in October of 2013 at Sherwood Island Park, Westport, CT. In addition, our chapter published monthly newsletters through which information relevant to professional advocacy was shared.

Workshops	3
Workshop Themes	Clinical or school issues|Professional development and leadership
Workshops (description)	Our chapter held two Connections and Conversations Workshops this academic year. The first was held in the Fall on November 9, 2013 from 9 am to 1 pm and was facilitated by Mary Herman, J.D., Ph.D. The workshop was titled: Legal and Ethical Issues in School Counseling From Violence to Social Media. This workshop was attended by about 60 participants. The workshop served as a fundraiser. The second workshop will be facilitated by Dr. Pam Paisley, on April 26, 2014 from 9 am till 1 pm. This workshop is titled, Healing Through the Use of Creative Arts in Group Work. We expect to have the same number if not more in attendance. It will be co-sponsored by CSCA.

Greatest Accomplishment (description)	The 5th Annual Counselor Education Graduation Celebration will be held on Friday, May 2, to honor the 2013-2014 graduates. Members of the Executive Board have been working tirelessly to ensure the night is one to remember for this year's 26 graduates. A formal program has been created for the honored graduates whose guests will join faculty, current students, alumni, campus supervisors, and site supervisors, as well as other dignified members of the Fairfield University.....The faculty will recognize three graduates for their extraordinary accomplishments. Each graduate will receive a Chi-Sigma Iota coffee mug as a gift. A spread of appetizers and refreshments will be provided for all to enjoy. This event continues to foster a sense of community for counselors with a shared vision of keeping the spirit of other's alive; consistent with our University's mission.

Greatest Accomplishment (description)	Our chapter has been struggling for the past two years with students who have agreed to take on a leadership position, and then life intervened. No events were planned, except for an induction ceremony. Last year's group passed the torch to a new president in Spring 2013 - who graduated and disappeared in January 2014. A new student leader stepped forward and we were able to hold a social, an induction ceremony, and elected five new officers for the 2014-15 academic year.

Greatest Accomplishment (description)	As a chapter we increased our presence within our community and on campus by advocating for mental health issues and providing screening services to other students. Our events and workshops promote professional development and an opportunity for our members to be connected to others in our program and chapter. This year we started what will be an annual workshop event with our career day. I am proud of the way we could assist our students in their academic career as well as their professional career after they graduate. Our chapter will continue to provide vision in our plans to increase responsibility and professional development in our members. Sincerely, Julie Lineburgh, M.Ed., President, Kappa Sigma Upsilon of Chi Sigma Iota

Membership Meetings	6
Membership Meetings (description)	We held membership meetings over the year focused on our various counseling concentrations (School, Clinical Mental Health, and Rehabilitation) with outside speakers from the community. There were 3 meetings each semester. These meetings occurred on the following dates: 9/19/13, 10/22/13, 11/20/13, 2/20/14, 3/19/14, and 4/22/14.
Advocacy Activities	14-Oct
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community|Other (describe below)
Advocacy Activities (description)	We organized numerous advocacy activities of various types this year, beginning with volunteering at the West Tennessee Counseling Association annual conference (6/8/13). We volunteered at a community event devoted to raising awareness about domestic violence (10/1/13) and held a candy drive to collect Halloween candy for children at a

	local children's hospital throughout October. In November (11/25/13), we presented at the Tennessee Counseling Association annual conference and began collecting winter goods through the early part of December for homebound senior citizens and donated them to a local organization. Also in December, we collected winter clothing for homeless persons who are mentally ill. In January, we participated in an event to promote student wellness in the local public schools. In February we collected books and tapes for children and families at a local children's hospital. In March we participated in a fundraiser and collected donations of needed cleaning supplies for a community organization supporting HIV positive children. At the beginning of the fall and spring semesters (August 2013 and January 2014), we held an orientation for new students entering our counseling program. Finally, throughout the year we continued our mentoring program for new students where we paired mentors with new students.
Workshops	3
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)|Professional development and leadership

CCE (description)	In addition to the nine service and advocacy activities described under "Advocacy Activities," all of which were related to counselor community service activities, we held a practicum and internship fair (2/12/14).
Social Events	9-May
Social Event Activities	Dinner / parties / socials|Welcome / orientation
Social Events (description)	We held a potluck at the beginning of the year as a welcome-back to school gesture (8/28/13), a Halloween party (10/31/13), and a winter holiday party (12/4/13). In the spring semester, we held our CSI board member retreat (1/19/14), and held a BBQ party (3/17/14). In addition to these events, we have already mentioned our two welcome orientations held at the beginning of each semester this year for new students, and the reception that followed our CSI induction ceremony (4/13/14).
Newsletters	2
Newsletter (description & length)	Our chapters published two newsletters at the beginning of the fall and spring semesters, respectively. Each newsletter is four pages in length. In the newsletter, we included articles relevant to our chosen chapter theme this year, Awareness + Action = Change.
Number CEs Involved	9-May
Will non-CFA CEs be involved?	Yes
If yes, how?	Counselor educators at the University of Memphis that are not CFAs were made aware of

	all events hosted by CSI. In addition, we had some of these counselor educators directly involved in events (such as co--hosting workshops, etc.). In addition, the entire counselor education faculty will attend both the fall and spring semester new student orientations.
Recognizing Involvement of CEs	Gifts (e.g., meals, monetary compensation)
Recognizing Involvement of CEs (description)	We provided small, inexpensive gifts (e.g., pens, gift cards), personal invitation letters, and thank-you e-mails to faculty members and presenters at our meetings and workshops.
Number of Alumni Involved	20 or more
Involvement of Alumni (description)	Alumni were invited to events that were hosted by CSI (including workshops and meetings, and were also speakers at meetings (including membership and initiation). The largest number of alumni attended our practicum and internship fair. We also invite our alumni to all CSI-hosted events.
Number of Former Members Involved	20 or more
Involvement of Former Members (description)	We had former members of CSI who are now working professionals be speakers at several of our events, including initiation and the practicum and internship fair. We also invite them to all CSI-hosted events.
Other Activities	Throughout both semesters of this year, we have been selling our chapter's CSI t-shirts to students and faculty members to promote the Kappa Zeta chapter within the counseling department here and to inspire enthusiasm. We are currently assisting in the improvement of our on-campus counseling training labs.
Area of greatest accomplishment	Chapter growth|Membership growth|Events
Greatest Accomplishment (description)	Overall, our chapter really achieved our goal of increasing the amount and variety of service opportunities for our students and faculty to participate in. Another notable accomplishment was the increase in both new members joining our chapter (we had 28 new members join this year) and continued with the trend from last year of having more involvement from students and faculty in general. More community service providers participated in our practicum and internship fair than in previous years. Finally, our chapter has been involved in increased collaboration with our faculty members and with members of West Tennessee Counseling Association.

Other Activities Area of greatest accomplishment	For the spring induction Mu Sigma Rho has invited Heather C. Robertson, PhD, NCC, CRC Assistant Professor, Human Services & Counseling Clinical Mental Health Counseling Interim Program Coordinator at St. John's University. Heather is also the Chi Sigma Iota, Sigma Tau Upsilon Chapter Advisor and a ACA-NY President, 2013-2014 Chapter growth|Events
Greatest Accomplishment (description)	Our greatest goal was to ensure that Chi Sigma Iota's MuSigmaRho's chapter was well-known on the campus. In an effort to do this we have utilized our resources such as word of mouth, fliers, emails, newsletters, and events to make our presence known. An increasing number of our peers have gained a great interest in our organization and have become a part of the broader community of Chi Sigma Iota. Our greatest accomplishment is that we have a stronger network of individuals who are vested in the betterment of the communities that they serve, who are both professionals and students in the fields of rehabilitation, mental health and school counseling.

Area of greatest accomplishment	Chapter growth|Membership growth|Events|Other
Greatest Accomplishment (description)	This year has certainly been a great one. We started off our fall semester with a bang by introducing our first ever Mu Tau Beta Spirit Week. Beginning with our 49er Pride Day,• chapter members and the entire counseling department had the opportunity to show off their school pride by wearing our university's colors at our annual Ice-Cream Social. In the fall, our members focused their efforts over the next few months on service events, such as raising awareness and support for individuals living with disabilities and an online drive for a local food bank. Our Second Annual Master's Counselor Development Conference proved another great success, headed by President-Elect, Emily Palmieri. Students gathered to present their own research on a number of hot topics in counseling, receive feedback on their presentations, and also hear from experts in the field. This year we were fortunate to receive awards for Outstanding Service to the Chapter and Outstanding Chapter (Large Chapters).

Involvement of Alumni	Both of our social networking sites include professional members, including alumni. We use these sites and our department listserv to invite alumni to attend both our events and CSI International's events. Alumni contributed to workshops and panels that we offered

(description)	this year (NCE Prep Workshop, School Counseling Discussion Panel)
Number of Former Members Involved	9-May
Involvement of Former Members (description)	Our Membership Chair sent an email to former members and encouraged them to renew their membership. This message emphasized our chapter's upcoming professional development opportunities and CSI International's webinar program. Several of the alumni who returned to campus to participate in our professional development events were former members. Nu Sigma Chi co-sponsored an Exhibit Booth and a statewide meeting of CSI chapters in North Carolina, which were held at the NC Counseling Association's conference in January, 2014.
Other Activities	We submitted a grant to host a Leadership Workshop prior to our Initiation Ceremony. Dr. Don Locke will facilitate a workshop titled, "Rules of Running an Organization: An Insider's Understanding."
Area of greatest accomplishment	Membership growth
Greatest Accomplishment (description)	Our primary goal this year was to continue implementing a variety of programs that serve all of our members, including master's students, doctoral students, professional members, formerly active members, and counselor educators. Twenty-six new members joined this year, which makes this the second consecutive year that we have initiated 25 or more members. Regular communication with our members and prospective members has been a priority. We frequently use a listserv and two social networking sites to share news and events. We were very pleased to have Dr. Don Locke speak at our Initiation Ceremony this year. Also, our NCE workshop was a phenomenal success, in which we had over 40 students from NCCU, UNC-Pembroke, NC A&T, and ECU. A great accomplishment to offer a workshop for future counselors.

Chapter Activities	1
Initiations	1
Initiations (description)	Initiations are held once a year in the spring semester. This year's initiation ceremony will be held in a chapel on campus May 4, 2014. A candlelight ceremony will be part of the ceremony with current CSI leaders speaking to how CSI has been meaningful for them. Additionally graduating CSI members will receive their honor cords during the ceremony.
Business Meetings	2
Business Meetings (description)	Two business meetings were held. One at the beginning of the fall semester to discuss a projected plan for the year as well as an introduction to the leadership roles of CSI officers. The fall business meeting was attended by Imelda Bratton, Candace Sneed, Sarah Castlen, Arielle Dayberry and Emily Asposito. The second business meeting was held in January to discuss plans for the spring semester. A list of presenters and ideas for the spring initiation was created. Additionally discussion of membership invitations was held.
Membership Meetings	6
Membership Meetings (description)	Monthly meetings were held on the second Tuesdays from 4:15 to 5:15. Monthly meetings included an overview of previous meetings, goals and activities as well as a report from the president, Candace Sneed in regards to upcoming planned activities. Each monthly meeting involved a presenter that discussed issues relating to counselor education development or that addressed advocacy activities.
Advocacy Activities	1
Advocacy Activities 2	Advocacy with the community
Advocacy Activities (description)	During the fall semester our chapter selected an organization, A Suitcase for Dignity, to support. A Case for Dignity was created by a local 14 year-old to help children entering the foster care system. The purpose was to provide suitcases or bags for children to place their possessions when leaving their dangerous environment instead of having to place their items in a trash bag (which was provided by the police department due to low budgets). Suitcases, backpacks, stuffed animals, and toiletry items were collected to

	provide for children and adolescents in our local area. The collection drive was held for two months and was very successful. A child of a student participated by having her 4th grade class donate items as well. Our chapter was very proud of the generosity of the students in the counseling program as well as CSI members. Also a family in need was selected from a local organization to help provide presents for Christmas. Clothing items, toys, and educational material were collected for the family through donations from CSI members and counseling students.
Workshops	3
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)|Clinical or school issues
Workshops (description)	A comprehensive exam session was held to assist students in preparing for the written portion of our department comprehensive exam. Two seperate practicum orientations were held for the school program and clinical mental health and couple, marriage, and family program.
Counselor Community Engagement	1
CCE Activities	Donations|Community awareness
CCE (description)	A counseling awareness meeting was held for any community members or potential students to attend. Information regarding what counselors do, and the type of training they receive was provided. An opportunity was presented for participants to ask questions of current students and faculty.
Social Events	2
Social Event Activities	Dinner / parties / socials|End of semester / graduation
Social Events (description)	End of semester social was held at the conclusion of the fall semester in addition to the end of the semester/graduation during the spring semester.
Newsletters	0
Newsletter (description & length)	Five newsletters were published to current, former and alumni members as well as students in the counseling department. Everyone received access to the newsletter in hopes of recruiting potential members. Each newsletter was approximately 3 pages and included current events, highlighted student accomplishments, presentations and/or publications, as well as providing an expressive art activity. Our newsletter is titled The Mental Break.

Involvement of Alumni (description)	Current, former and alumni members receive emails and updates regarding CSI meetings, plans, and events. A newsletter is distributed monthly which everyone receives. The newsletter provides information on CSI and departmental events. Current, former and alumni members will continue to receive the email so they may be a part of any activity they choose.
Number of Former Members Involved	0
Involvement of Former Members (description)	
Other Activities	Our CSI chapter was not previously recognized by our university as an organization. I completed the necessary paperwork to establish it as a formal organization.
Area of greatest accomplishment	Chapter growth
Greatest Accomplishment (description)	Our chapter is in the reviving stage. Last year our membership increased by 100% and this year we are maintaining our membership. This year our monthly meetings have increased attendance by 250%! We are very proud of the students that are interested in being a part of CSI. We hope to continue to increase involvement and membership.

Greatest Accomplishment (description)	Formalizing the CSI Initiation was a new step for this chapter. In the past, it had been a part of an end-of-the-year celebration and quite informal. Making it more formal encourages students to take this honor seriously as well as the commitment they are making to the profession.

Other Chapter Funding Methods	Our chapter organized a brat fry fundraiser that was held on September 14th, 2013 at a Pick N Save in Oshkosh from 9am-5pm. Additionally, we had six students volunteer to sell Yankee Candles, which created a profit of $481.20 that was added to our scholarship fund.
Chapter Activities	1
Initiations	1
Initiations (description)	Our chapter held one initiation ceremony at Primo Restaurant in Oshkosh on April 25th from 6:00pm-8:00pm. During this time we heard from keynote speaker Paul Clark (program alumni and Licensed Professional Counselor), initiated new members and our 2014-2015 executive board, recognized the 2014 Supervisor of the Year (Cyndi Smazinski of Fox Valley Technical College), and recognized current CSI members for our CSI mission awards. This year our chapter initiated 11 new members.
Business Meetings	6
Business Meetings (description)	There were a total of six executive board meetings over the course of the year. These meetings were held in classrooms and three local restaurants. The executive board meetings are used to prepare and organize chapter events and membership meetings.
Membership Meetings	6
Membership Meetings (description)	There were a total of six meetings during the 2013-2014 academic school year. We held all the meetings in a classroom. Three of the meetings took place in the Fall semester and three took place in the Spring semester. The meetings are used to share information about upcoming events with the membership and to discuss committee progress on events. An addition we made this year was to add a professional development component to each meeting.
Advocacy Activities	9-May
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community

Advocacy Activities (description)	This year we were very active in community outreach. There were a total of five engagement opportunities provided to our members and professional counseling students: a. Adopt-A-Family was held in the Fall semester from November to December. We collected a number of items for the family including but not limited to: Grocery gift cards, gloves/mitten, pillows, laundry soap, drinking glasses, body wash, shocks, and other items for both children and parent. b. Habitat for Humanity was provided for a family in need on December 1st in Neenah, WI. Twelve students participated in building projects throughout the day that was split into two shifts with six people on a shift. c. Our chapter was involved in the Down Syndrome Association of Wisconsin Awareness Walk on October 5th, 2013. Beginning at 8am, CSI members began volunteering their time in preparation for the walk (i.e. passing out balloons, preparing and serving food, face painting, and setting up raffle baskets). d. Our chapter was involved in the LGBTQ Ally March which was held April 17th, 2014. About 10 students from our chapter were involved. e. Shamrock Shuffle was held on March 15th at 9:30 am on the UW Oshkosh Recreational Center. Our chapter had 4 people participant in the 5K Run/Walk in which the proceeds of our registration went to the Oshkosh Boys and Girls Club as well as the UW Oshkosh Multicultural Center.
Workshops	2
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)
Workshops (description)	This year the executive board brought in a group of speakers to present at our Fall Panel on November 13, 2013. The board brought in speakers from all three emphasis areas, School, Higher Education and Clinical mental health. The goal was for the speakers to speak to the students about the realities and day-to-day experiences in the counseling profession. The speakers from the clinical mental health emphasis were as follows: Katie Jensen, and Sheila Lefeber. From the Higher Education emphasis, Rich Marshall, and Carla Rabe both attended. Lastly, Sharon Hansen (Middle School), Jaycie Strembowski (High School), and Katie Kessen-Checki (Elementary School) represented the School Counseling Emphasis.

length)	of the emphasis' chairs as well as information on CSI events, fundraisers, and professional development opportunities.
Number CEs Involved	3
Will non-CFA CEs be involved?	Yes
If yes, how?	Non-CFA CEs are often involved in our events by attending meetings and being involved in different events and social gatherings. For example, we have faculty run in the Shamrock Shuffle, and attend the welcome picnic and initiation. Our nonCFA CEs are also integral to our Emphasis Panel Presentation. They often assist the emphasis chairs in finding speakers and writing focus questions.
Recognizing Involvement of CEs	Thank you notes / messages
Recognizing Involvement of CEs (description)	Our membership often writes thank you notes to those nonCFA CEs that are actively involved.
Number of Alumni Involved	9-May
Involvement of Alumni (description)	Alumni and former CSI members are involved in several ways over the course of the school year. Alumni and former members are kept active on our Professional Counseling Department Facebook page which we update often with CSI news, events and activities.
Number of Former Members Involved	14-Oct
Involvement of Former Members (description)	Alumni and former CSI members are involved in several ways over the course of the school year. Alumni and former members are kept active on our Professional Counseling Department Facebook (Not a direct Chi Sigma Iota page) page which we update often with CSI news, events and activities.
Other Activities	Our chapter offers a mentorship program for students in their first year of the program. Students are paired with a student who participated in the mentorship program the previous year. Students are paired based on similar geographical location and emphases (i.e. school, student affairs, or clinical mental health). Mentors and mentees are contacted prior to the first week of the fall semester with one another's information. Mentees may use their mentor as a resource, and each pair can meet as much or as little as they prefer. Our CSI group also provides our members with an opportunity for outstanding members to be recognized through CSI mission awards. There are a total of four categories, and each recipient was notified of their award at our initiation ceremony on April 25th, 2014. The CSI mission awards include the following: 1) Connection: building quality relationships with groups and individuals showing care and support for one another's efforts, goals and abilities 2) Social Action: takes initiative to promote community outreach opportunities and advocates CSI's mission throughout all involvement in and outside of the program 3) Inspiration: is a model of respect, honesty, dependability and optimism, motivates others in Chi Sigma Iota and the counseling program to be a person of integrity 4) Balance: encourages and lives out personal and professional wellness, mentally, socially and physically by creating and sustaining healthy boundaries with self and others.

Area of greatest accomplishment	Other
Greatest Accomplishment (description)	The students in my chapter have striven for wellness this year. In the past years, they have strove for more and better events, more membership, more lucrative fund raisers, etc¦ This fall they decided to strive for wellness. They spent their fall prioritizing the events that they would want to and what it would look like. As their CFA, I applauded this philosophy as it mirrors what they will be doing in their careers after they graduate. They have worked very hard to support each other, the membership, and a create a wellness based experience for all involved.

Greatest Accomplishment (description)	Over the course of the 2013 - 2014 term we have seen our membership rise to 875 members. As an online university we have struggled to solicit the participation of our members, and have done more planning than anything else this term. This includes: vamping our website, ensuring we sent out our newsletter, sending more announcements to the chapter, establishing a strong executive officer base, and creating a plan for 2014 - 2015. Our plan will include: advocacy events, social events, a revamped newsletter, a scholarship program, OZ-specific webinars, and a mentorship program.

Initiations	1
Initiations (description)	We hold one induction ceremony per year during the month of April. During this time we induct new officers and leaders, while inviting new members to join. This year, the 6th Annual Induction ceremony was held on Friday, April 11th with 19 new members joining. Our ceremony consists of inductions of new officers, leaders, and new members with dinner to follow. Past President discusses the year's accomplishments, while the incoming President provided a speech of their vision for the new year. Also, appreciation awards are provided from Chapter Faculty Advisors to officers that have committed to their role. Gifts are provided to Chapter Faculty Advisors from Officers for appreciation in their support and guidance to the honor society.
Business Meetings	5
Business Meetings (description)	We held five business meetings this year: May 8, 2013, May 15, 2013, May 22, 2013, May 29, 2013, and September 24, 2013. For the remaining term, emails and conference calls took place with officers and Chapter Faculty Advisor. Officers and Leaders discuss events to plan: counseling topic workshops, community service projects, ideas from members, planning of membership meetings, delegation of tasks, and budget planning.
Membership Meetings	2
Membership Meetings (description)	A chapter membership meeting was held on November 19, 2013. A dinner was provided along with an overview of chapter accomplishments and plan for future events. A chapter membership meeting was held on February 9, 2014. All counseling students were invited to learn more about our chapter. Documentation was provided on how to become a member. Discussion of past accomplishments, remaining activities for the year, and how to become an officer for the 2014-2015 year. Pizza was provided as this was a lunch meeting.

Involvement of Former Members (description)	Former member Steve Wright -Phi Gamma Sigma Past Vice President and alumnus of Master of Arts in Community Counseling program presented a workshop on how to prepare for the National Counselor Exam (NCE) to obtain the LPC (License Professional Counselor).
Other Activities	ACA Conference " Current chapter member, Susan Siokos, attended the annual ACA Conference that was held in Hawaii. She will be presenting the information from the conference at the next chapter business meeting. Student Mentoring Program " The Student mentor program provides first semester students a mentor to support and help them be acclimated into the graduate program. Mentoring outcomes include: promote academic, social, and cultural development. Provide support and ideas for students in integrating into the academic, social, and cultural life of the university. Maintain a safe and supportive environment through mentoring. Provide new students guidance and familiarity on: course structure, study ideas, and provide student resources, comprehensive exam preparation, and practicum/internship preparation Benefits of becoming a Mentor: Build your leadership and management skills, contributes to the mentor's own personal and professional growth. Provide intrinsic satisfaction by helping an emerging student develop to his/her potential. Benefits for a Mentee: Enhances confidence and offers challenges to set higher goals, take risks and achieve at higher levels. Receive Individual recognition and encouragement. Advice on balancing range of academic and professional responsibilities. Provides role modeling for professional leadership and facilitates the development of increased competencies and stronger interpersonal skills. Access to a support system during critical stages of your academic and career development. MACC Comprehensive Exam Workshops " There were 4 workshops held for students in the Master of Arts Community Counseling program preparing to take the comprehensive exam. Students in the honor society that have successfully passed the comprehensive exam and demonstrate good teaching skills and lesson planning instruct the workshop. The workshop provides students stress management, test anxiety coping skills, understanding question structure, and how to prepare. To enhance learning a Bingo night is part of the workshops. This is to promote fun while learning. Students are provided bingo cards with answers to questions from comprehensive exam practice tests. Co-facilitators ask comprehensive exam questions as students identify answers on their bingo card. Dr. Gary Koch, Program Chair of Counselor Education and Chapter Faculty Advisor of Phi Gamma Sigma supervise this workshop.

Area of greatest accomplishment	Chapter growth|Other
Greatest Accomplishment (description)	The greatest accomplishment for Phi Gamma Sigma this year is inducting its 194th member in a span of six years. Being that Argosy University is a small commuter school; we take pride in knowing that we have had a copious amount of students that excel in fulfilling the requirements needed to partake in such an honorable organization. In addition, I had originally implemented the Comprehensive Exam Workshops for students in the Master of Arts in Community Counseling Program. The Workshops started in 2012 and were presented twice in a semester. These workshops provided Doctoral students in the Counselor Education and Supervision program to gain teaching experience as they co-facilitated them. On account of these workshops doing so well and students expressing the want for more thorough information on the Comprehensive Exam, a class curriculum was developed and is now available for students.

Greatest Accomplishment (description)	¢ Greatest accomplishment was the incorporation of group physical activities into CSI. This year we had two CSI rec-league teams (soccer & kickball). We also organized a group of students to participate in the Moonlight Madness 5k in downtown Winston-Salem. Additionally, we got together several times to run, including one 5k in a park in Greensboro. Incorporating more physical activities into CSI helped us accomplish our goal of meeting students' requests for exercise, recreation, and bonding with fellow CSI members.

Greatest Accomplishment (description)	Psi Omega Pi spent the last year re-evaluating our mission and practices in an effort to improve our professionalism, create a more strategic focus, and organize our efforts in more meaningful opportunities for our members and our community. The establishment of our Community Engagement Committee and the presence of the chair at each meeting, is a constant reminder of our need to advocate and engage with our community and other organizations making a difference. The addition of our Newsletter/Publication Committee demonstrates our responsibility to communicate needs and opportunities to our members. With this stronger foundation, Psi Omega Pi aspires to forge ahead to become a model chapter of Chi Sigma Iota.

Chapter Activities	1
Initiations	1
Initiations (description)	New members of the Psi Sigma Upsilon chapter of Chi Sigma Iota were welcomed during the initiation ceremony performed by the faculty advisor and chapter president at a local restaurant. The ceremony consisted of a description of the goals and history of Chi Sigma Iota and the necessary qualifications needed to be accepted into the society. Newly elected officers were recognized and presented with a description of their responsibilities. All new members were pinned during the ceremony by the faculty advisor and the chapter president.
Business Meetings	6
Business Meetings (description)	Business meetings are led by the chapter president and are led using Robert's Rules of Order. Meetings begin with opening the meeting and then a reading and approval of the prior meeting's minutes which are kept by the secretary. Meetings typically consist of discussing past projects or activities held by Psi Sigma Upsilon and ask members for feedback regarding the successes or areas of improvement they have observed for these projects or activities. Members then present new ideas for promoting growth of the chapter as well as new ideas for increasing our involvement in community service. The new ideas are then voted on and planned out. The meeting is adjourned after the next meeting date and time are announced.
Membership Meetings	6
Membership Meetings (description)	All members are welcomed to attend meetings and are involved in the chapter decision making process. All questions and concerns regarding membership and membership outreach are addressed at these meetings.
Advocacy Activities	1
Advocacy Activities 2	Education about advocacy
Advocacy	Education about advocacy: Psi Sigma Upsilon has a display case in the Psychology and Counseling Department that is located in a high traffic area for all students to view. The

Activities (description)	items and messages in the display case are changed monthly, promoting the profession of both school counseling and clinical mental health counseling. Other topics displayed in the display case are to raise awareness on various mental health issues.
Workshops	1
Workshop Themes	Multiculturalism
Workshops (description)	Psi Sigma Upsilon hosted a workshop in the Fall Semester presented by Dr. Rebecca Brannock and Dr. Conni Rush. Dr. Brannock presented on her experiences with teaching abroad in the Philippians. Dr. Conni Rush presented on her experiences with teaching abroad in Paraguay. Both Dr. Brannock and Dr. Rush shared their passion for teaching and the benefits of exploring opportunities for working with other cultures. The attendees of the workshop were encouraged to think globally when considering where they would like to work and who they would like to work with.
Counselor Community Engagement	1
CCE Activities	Community collaborations
CCE (description)	Community Collaboration: Psi Sigma Upsilon volunteered over a weekend for the Joplin Habitat for Humanity. Members were able to assist with many projects to help the Joplin Habitat for Humanity organization. A professional relationship was established between chapter president, faculty advisor, and Habitat for Humanity representative for potential future community service projects.
Social Events	1
Social Event Activities	Dinner / parties / socials
Social Events (description)	Psi Sigma Upsilon hosted a "Meet and Greet" during the fall semester and invited graduate students who either met the criteria to join Chi Sigma Iota or were just starting their counseling graduate programs. The Meet and Greet consisted of serving snacks and punch and a speech by the faculty advisor describing the goals of Psi Sigma Upsilon and the importance of professional advocacy.

New Member Initiation Dinner - (June 26, 2014)
Area of greatest accomplishment	Membership growth|Other
Greatest Accomplishment (description)	The Psi Sigma Upsilon chapter of Chi Sigma Iota continues to grow in membership. The growth of the chapter has brought an increase in the ability to do more for the community. Building bridges with other community organizations allows for the chapter to continue to work on community service projects as well as social involvement projects. Working with our hands allows us to provide manual labor for those in need. Working with our hearts allows us to provide time and attention to those who do not get much of either. The community service projects, both the physical and social, allow members to promote the relationship Chi Sigma Iota has with Pittsburg State University and the surrounding communities who benefit from membership involvement.

Greatest Accomplishment (description)	Our chapter's greatest accomplishment over the past year was to encourage more membership participation at the meetings. We did this by having the meetings shortly before class, emailing members with the time and location well in advance, and providing light refreshments at the meeting. In the past, there were usually only about five to seven members at meetings. This year there would be between 15 to 20 members. Sometimes even more!

Greatest Accomplishment (description)	Our chapter sponsored a Counselor Education Meet & Greet event to start the 2014-2015 academic year. The event was attended by many new students, returning students, and faculty members. The event was a great way to connect those in our program with one another as the academic year began. I feel that it also led to increased interest in our chapter of CSI among incoming students.

Greatest Accomplishment (description)	This year Rho Alpha Kappa was very focused on rebuilding our local chapter. We had a dedicated executive council who collaborated to create a strong foundation for our chapter. One of our main goals was to be recognized by NIU as an official student organization. This goal was accomplished and will allow us more opportunities on our campus. We also were passionate about displaying the opportunities a student can gain through membership in CSI. Through opportunities for professional development, causal social events, workshops, and campus involvement we made an impact on this campus. This impact helped to improve our membership numbers when we initiated 21 members making our chapter the largest it has been to date.

Greatest Accomplishment (description)	Rho Alpha Mu's greatest accomplishments this year were our chapter growth and the events that we held throughout the year. Members and potential members were encouraged to step outside the classroom and get to know one another better through our social events and mentorship activities. They also enhanced their professional development through brown-bag lunches hosted by faculty and also through Penn State's 4th Annual Chi Sigma Iota Statewide Conference. Members and faculty collaborated in completing the RAM Report Newsletter during fall and spring semesters. Recent inductees have shown outstanding motivation in continuing this growth through the creation of future committees and the expansion of current ones. Rho Alpha Mu will continue to succeed and thrive for many years to come.

Chapter Activities	1
Initiations	1
Initiations (description)	March 26, 2014: We had a very successful initiation. We initiated 43 members, with a few stragglers still applying for membership. Of those 43 members, 29 were able to attend the initiation. We have a satellite campus 11/2 hours away. Most of those students were absent from our initiation. They are coming to campus for graduation and we are going to have a secondary initiation ceremony for them.
Business Meetings	0
Business Meetings (description)	We will be holding our first business meeting after elections.
Membership Meetings	2
Membership Meetings (description)	After initiation, we have held two membership meetings. The first meeting was to get organized for the next year and review CSI policies. We also brainstormed ideas and plans for next year. The second meeting was to determine who is interested in leadership for next year. Those interested wrote election biographies and we created an online survey for the election process.

While we did not have much time to advertise, those who did attend spoke very highly of the workshop and expressed interest in attending another (perhaps longer) workshop in the future. We hope to bring the Dr's Granello back to Heidelberg University to give another workshop and hope to have a much larger turnout. The topic of suicide risk assessment is very important and a topic many students and professionals are nervous about. Having a workshop such as this better prepares us as counselors to help our clients.

Chapter Dues Description ($ above)	dues above are per year
Fundraising Activities	
Other Chapter Funding Methods	While we included a $5 chapter dues in our membership materials, we did not connect the $5 in our first year due to delays in opening bank accounts, etc. We plan to begin collecting the $5 chapter dues during 14-15.
Chapter Activities	1
Initiations	1
Initiations (description)	Saturday, November 2, 2013 43 members were inducted in to the organization. This was our first induction ceremony since the chapter has been reactivated and we are very pleased with the turn out. Although not all members attended the induction, we had good participation and family involvement among those who came. We were able to generate ideas to improve the event in 2014.
Business Meetings	1
Business Meetings (description)	We had one executive board meeting at the beginning of the year on September 25, 2013. At this meeting, the executive board discussed our annual plan, our general body meetings, induction, professional development events, fundraising, dues, a CSI newsletter, and the CSI bulletin board.
Membership Meetings	3
Membership Meetings (description)	October 13, 2013 November 20, 2014 March 13, 2014 Three membership meetings were held which were primarily used as event planning meetings for upcoming events (i.e. induction, service projects, etc.), as well as brainstorming events for other activities to include. Membership at these meetings fluctuated from 2 - 10 members per meeting.
Advocacy Activities	1
Advocacy Activities 2	Advocacy with the community

Advocacy Activities (description)	The Sigma Tau Upsilon Chapter is walking with the American Counseling Association of New York in the NYC National Alliance for Mental Illness (NAMI) Walk on May 10, 2014 to raise funds and awareness about mental illness, as well as to advocate for research and services for those living with mental illness.
Workshops	2
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)
Workshops (description)	CSI hosted two workshops for students on preparing for the CPCE Exam. These workshops were held on September 28, 2013 and March 12, 2014. These events involved alumni to speak with peers about how they prepared for their CPCE Exam.
Counselor Community Engagement	2
CCE Activities	Donations
CCE (description)	CSI hosted two service projects this year. During the month of November, donations were made for an Army unit stations in Afghanistan. Donations of dry goods, holiday wishes and St. John's memorabilia was sent to the Army unit ofa former STJ mental health counseling student who is no longer in our program, and recently re-deployed with his unit. During the month of December, a toy drive was held in conjunction with one of the high schools that one of our students works at, Research and Service High School's Toys for Tots campaign. The Research and Service High School is an alternative high school located in Brooklyn, New York. We combined this event with a 'study break' so individuals could enjoy cookies and hot cocoa while donating an unwrapped toy to Toys for Tots.
Social Events	1
Social Event Activities	End of semester / graduation
Social Events (description)	As discussed above, our December "study break" was combined with our Toys for Tots drive. We are planning a 'graduation celebration' for May 2014 although details are still being resolved.

Involvement of Alumni (description)	As stated above, alumni are involved in the CPCE preparation sessions. We have plans to include alumni in our professional development sessions including how to prepare for counseling licensing and job hunting.
Number of Former Members Involved	4-Jan
Involvement of Former Members (description)	Again, former CSI members and alumni were invited to participate in our CPCE preparation panel.
Other Activities	
Area of greatest accomplishment	Chapter growth
Greatest Accomplishment (description)	We are very much still in the growing phases of the chapter. Having been recently reactivated in January of 2013, we continue to work hard to get the word out to students that we exist and also to encourage participation in our events. We struggle with participation from our School Counseling students, and continue to look for innovative ways to draw them in to our activities. We are pleased with the events we held this year. Our 1st induction ceremony was a great success. We also had two successful service projects and our students would like to do more service projects in years to come. It is my hope that service will define a portion of our mission within CSI, much like it is part of the mission of St. John's.

Business Meetings	4
Business Meetings (description)	Initial Meeting took place on July 13, 2014 with newly elected executive committee. In the meeting, a vision for the chapter was discussed to include: ¢ Committee's: Considered advantages and disadvantages of having committees this year. o Lack of interest/involvement by many (over ½) members. o Need to focus on building solid foundation of new chapter. o Amount of time required for keeping up with each committees completion of responsibilities and commitments. o Focus on Mentorship and Hospitality only due to expressed interest by some members for these ¢ Mentorship: o Need to clearly define role, expectations and boundaries of Mentor. o Risk and liability to CSI's reputation based on Mentor's interactions with Mentee. o Mentors could be responsible for providing recognition for Mentee's birthday, struggles, etc. (more personalized) o Need to obtain list/information about recent incoming class and current students. ¢ Banking/Checking Account: o When does current CSI check expire? (90 days?) o Obtain EIN number o Bank fee's cost o Concerns about placing person's name on as the account holder ï‚§ Need organization/nonprofit account o Dr. Welch checking into other chapters experience ¢ Fall Event/Meeting o End of August or September (based on busy summer schedules) o Send out 3 dates and times for members to vote o Strongly encourage attendance ¢ Communication between current Executive Team o Be sure to CC all members on all e-mails all the time. o Team members should openly ask questions for clarification and discuss concerns o Schedule next meeting at end of each meeting. o Establish more clearly defined role and responsibilities of each member due to current structure.

Chapter Activities	1
Initiations	1
Initiations (description)	We had a guest speaker at our initiation ceremony this year, which was held in March. Dr. Scott Hall, LPCC-S spoke to initiates and their family members about excellence and advocacy in the counseling profession. We had over 40 people attend this year's ceremony. CSI officers and the CFA made homemade baked goods and we had a brunch before the ceremony. We purchased honor cords to give to initiatives in addition to their certificates and pins.
Business Meetings	4
Business Meetings (description)	We had two business meeting per semester, where we planned for upcoming events and discussed the status of the budget.
Membership Meetings	1
Membership Meetings (description)	We had a membership meeting in the Fall semester that coincided with a service project (a letter writing campaign for support of Medicare reimbursement for counselors).
Advocacy Activities	2
Advocacy Activities 2	Advocacy within the profession|Advocacy with the community
Advocacy Activities (description)	We held a letter writing campaign to write to state and national legislators to support Medicare reimbursement for counselors. We also made post cards to distribute to community members about this issue, asking for them to support our efforts and contact legislators.

Chapter Dues per	10

year (other than rebates)	
Chapter Dues Description ($ above)	dues above are per year
Fundraising Activities	Other (explain below)
Other Chapter Funding Methods	This year was a transition year for our chapter, and it was unclear as to whether our program would have continued funding to admit new students. Fortunately it seems as though we will be able to continue to offer the program, therefore fundraising efforts for CSI will resume next year.
Chapter Activities	2
Initiations	2
Initiations (description)	In December, we initiated 5 members into our chapter (TEK) of Chi Sigma Iota. We gave them certificates and welcomed them into our society. The initiation followed presentations from interns on their effectiveness projects, and we provided dinner. We had an alumni speaker present on how to incorporate mindfulness in clinical practice, and she led the group through a mindfulness activity. Three students were not initiated in December, and therefore a second initiation will be held May 8, 2014 during our End of the Year Celebration. Interns will also be presenting special projects at this event, and we will be holding our annual awards ceremony.
Business Meetings	2
Business Meetings (description)	A business meeting was held in-person once per semester, and core leadership had an additional meeting at the beginning of the year to plan initiatives and coordinate the transition period for our program. The fall meeting, held in September, had 10 leadership/committee members in attendance. The spring meeting, held in April, had 8 leadership/committee members in attendance. These meetings were used to plan upcoming events and discuss membership, awards, and social justice initiatives.
Membership Meetings	0
Membership Meetings (description)	Our program is very small, and therefore most of our students hold positions within CSI. Therefore, our business meetings also function as membership meetings, as do our social events. We also utilize Scholar forums and mass emails to communicate with membership throughout the year.
Advocacy Activities	1
Advocacy Activities 2	Advocacy within the profession
Advocacy	Students elected to go to Richmond, VA for the Virginia Counselor Association legislative

Activities (description)	day, where they learned about current legislation initiatives and were able to speak directly to their representatives at the state level.
Workshops	1
Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)
Workshops (description)	We held a workshop in the fall, led by a doctoral student, to help masters students prepare for the CPCE and NCE exams. This event was well-attended by 14 students.
Counselor Community Engagement	1
CCE Activities	Advocacy / volunteering
CCE (description)	We volunteered with First Family Alexandria in April to provide assistance during a community event in April. Volunteers work on the floor and in the program rooms assisting staff members and guests alike; completing everything from creating campaign buttons, building miniature cars, dressing up, supplying programs, etc.
Social Events	3
Social Event Activities	Welcome / orientation|End of semester / graduation
Social Events (description)	CSI organized a welcome back social at the beginning of the fall semester with 23 students in attendance. In December our chapter also hosted the end of semester celebration, which showcases the work of the interns while also celebrating a successful semester and welcoming new CSI initiates. In May we will be hosting the end of the year celebration, which will be open to all current students, family and friends, alumni, and newly admitted students.
Newsletters	2
Newsletter (description & length)	A fall and spring newsletter were published and distributed via the listserv, which also includes alumni. Each newsletter is four pages in length and contains information on upcoming CSI events, CSI leadership, program information, and tips from current students.
Number CEs Involved	2
Will non-CFA CEs be involved?	Yes
If yes, how?	There is only one additional faculty member at the Falls Church campus, but she has been actively involved and supportive of CSI. She has attended every event held by CSI during the year.
Recognizing Involvement of CEs	No recognition
Recognizing Involvement of	

CEs (description)	
Number of Alumni Involved	4-Jan
Involvement of Alumni (description)	Alumni are invited to our end of the semester/year celebrations and socials, and this year a couple alumni came to participate. We also invited a recent alum to speak at our fall event.
Number of Former Members Involved	0
Involvement of Former Members (description)	CSI leadership has discussed ways to better involve alumni and the group is brainstorming a networking event, as well as additional socials for next year.
Other Activities	The chapter presents superlative awards to current students/graduates during the end of the year celebration.
Area of greatest accomplishment	Other
Greatest Accomplishment (description)	The greatest accomplishment of our chapter TEK this year was our development of a networking system. We were able to hold an event early in the year for all three cohorts to get together and exchange phone numbers and email addresses in order to share information. We were able to share possible job opportunities, resume and cover letter tips, names of possible connections in the fields we were interested in and advice for internships. We also set up a facebook page for the members of TEK so that we could communicate updated information on techniques and materials we could use when working with clients. This site also helps us stay up to date about job openings, interviewing advice, and upcoming available trainings. Our networking efforts have proven successful so far this year and we hope to keep the site and the networking meetings going for the future so that even cohorts who have graduated can stay informed about opportunities and new ideas as they become available.

Initiations (description)	Initiation was held at the Arboretum on Troy's campus on April 25th, 2014 during the Spring 2014 semester. 23 new initiates were inducted into CSI and the 2014-2015 new officers were installed. Family and friends were invited to the event, and afterwards light refreshments were served.
Business Meetings	4
Business Meetings (description)	Business meetings were held twice a semester to ensure that the officers had ample time to plan and discuss upcoming CSI events. During these meetings the officers discussed fundraising ideas, professional development activities, and awareness campaigns.
Membership Meetings	8
Membership Meetings (description)	Membership meetings were held the third Thursday of each month during the Fall and Spring semesters. At these meetings the officers presented members with upcoming events, and initiatives that CSI was hosting or participating in. Officer Elections were held and dues were collected at the March meeting.
Advocacy Activities	0
Advocacy Activities 2	Education about advocacy|Advocacy with the community
Advocacy Activities (description)	The Tau Sigma Chapter participated and assisted in coordinating the first annual Bully Proof awareness week. CSI officers and members worked in coordination with multiple community and university officials to create a week long psychoeducational program for local middle and high schools, present the psychoeducational program, coordinate a town-hall meeting, coordinate a vigil for victims of bullying, and coordinate a 5K that was held at the end of the bullying awareness week.
Workshops	1

Workshop Themes	Student-oriented (e.g., APA style, orientation, internships)
Workshops (description)	CSI hosted a Graduate School Workshop for undergraduate psychology students during the Spring semester. This workshop included information on the applying to graduate school, discussion of coursework and research opportunities, and the importance of professional development. The workshop also included discussion panel that provided undergraduate students with the opportunity to ask graduate students about their experiences.
Counselor Community Engagement	1
CCE Activities	Professional development
CCE (description)	Many members of CSI presented scholarly posters at the annual state conference while many others attended the conference as well as local workshops.
Social Events	2
Social Event Activities	Dinner / parties / socials|Welcome / orientation
Social Events (description)	CSI hosted a back to school party and a Halloween party during the Fall 2013 semster. Arround 25 students attended the back to school party, and around 18 students attended the Halloween party.
Newsletters	2
Newsletter (description & length)	Newsletters were passed out once a semester to faculty and students within the College of Education and Counseling Department. The newsletter included articles from current students, articles from alumni, service projects and awareness initiatives that CSI was involved in, faculty profiles, dates of CSI meetings, dates for the CPCE and NCE, and information about professional development opportunities.

Initiations	2
Initiations (description)	Initiations are held twice per year; Fall and Spring semesters. The Fall 2013 Initiation ceremony was held on November 22, 2013, and initiated 25 new members. The Spring 2014 Initiation ceremony was held on April 4, 2014, and initiated 20 new members. Our Spring Initiation ceremony was held in conjunction with our Awards ceremony which recognizes Member accomplishments. The new Executive Board for 2014-2015 academic year was introduced at conclusion of Spring Initiation/Awards ceremony.
Business Meetings	9
Business Meetings (description)	Executive Board meetings were held during Fall and Spring semester the week prior to Membership Meeting. Executive Board met in the beginning of the semester to discuss goals for the Chapter and each month thereafter to discuss ongoing events and progress. Our Chapter conducted a total of 8 Executive Board meetings throughout the Fall 2013 and Spring 2014 semester. On April 16, 2014, Vice President met with new Executive Board to discuss goals for upcoming academic year and answer any logistical questions. On April 29, 2014, President will meet with new Executive Board to follow up with any additional questions/concerns. This meeting will also cover all responsibilities for each Executive position. The President will also provide a timeline of due dates and documents that required to National CSI Headquarters.
Membership Meetings	7
Membership Meetings (description)	Our Chapter conducted a total of 7 general meetings, which were held once a month (August-November, January-March) to check progress of goals, share ideas with counseling students, and encouraged participation in upcoming events. Our Chapter provided an agenda for each of these meetings, while the Secretary takes minutes for each of these general meetings documenting attending and any new information. In the absence of Secretary, another Executive Board member documented minutes. Chapter meetings last from 30-50 minutes where updates were given for each Committee. Members can freely share comments and ideas pertaining to the growth and success of the CSI Chapter.

Chapter Activities	1
Initiations	1
Initiations (description)	On May 2nd Upsilon Mu Eta will have it's first Initiation Ceremony. There will be 20 counselor-trainees initiated, and 17 professional members. Students believed it was important to invite professional members that demonstrated excellence in counseling. Before this year, those members would not have had an opportunity to belong to CSI as there was not a chapter in this region previously. Upsilon Mu Eta completed the request for speaker and Drs. Myers and Sweeney will be keynoting our Initiation events. Further, the mentorship committee chairs have a goal of making the first mentee-mentor pairings just prior to the initiation ceremony, so that the professional members can become more engaged in Upsilon Mu Eta as well as the students graduating, and those entering the program.

Advocacy Activities	0
Advocacy Activities 2	Advocacy with the community
Advocacy	Student members of Upsilon Mu Eta have expressed a desire to be of service to both the

Activities (description)	Counselor Ed Program (e.g. recruiting in undergrad courses as they described they didn't know about the program) and in the community (e.g. LGBTQQIAA, special olympics, counselor community engagement). The Professional Advocacy Chair has disseminated a survey to determine interests and skill levels within the student members of Upsilon Mu Eta, and also the interests/skill areas (areas of competence) among members of the Counselor Education Program. Since the chapter has only been official for a couple of months, her goal is to full organize 1 project before her term of office is complete.
Workshops	1
Workshop Themes	Clinical or school issues|Professional development and leadership
Workshops (description)	Drs. Myers and Sweeney are keynoting a workshop on Wellness, Prevention, and Development: The Cornerstones of the Counseling Profession. The Upsilon Mu Eta Chapter members are most excited about this workshop (10am to 1pm on May 2nd, 2014) for several reasons. They have a desire to advocate for the Profession by providing education on the cornerstones of the counseling profession: Wellness, Prevention, and Development, and are beyond thrilled to have Drs. Myers and Sweeney here in person. They are excited to meet, connect, and learn from the leaders that wrote several of their text books. They are also proud to have these leaders come to UMaine, and have invited Professional Counselor and other helping professionals from all over the state to attend. Also, Chapter members have expressed a desire to have workshops related to (a) Animal Assisted Therapy, (b) EcoWellness/Adventure therapy, (c) APA writing. The chapter president plans to appoint a Professional Development Chair to organize these workshops next year. This year the focus was on the Wellness workshop being keynoted by Drs. Myers and Sweeney.

During this event we attend Pine Ridge Indian Reservation in South Dakota, and learn the culture, and values of the Lakota people. Through this we also learn how to better serve the needs of those living in such areas. On November 22nd 2013, we planned and carried out the event entitled "A Night Without A Home," in an effort to raise awareness of homelessness within the campus, as well as the Kearney community. Executive Board Members, Faculty Advisors, along with other professors, students, and families spent the night outdoors in cardboard boxes. The evenings was also supplemented with speakers from the area such as Good Will, The Salvation Army, and the S.A.F.E. Center. On February 28th was our annual Kent Estes Justice For All Conference, with the theme Gender

	Equality. Topics ranged from Substance Abuse in women, issues surrounding Transgendered and Transsexual individuals, and Masculinity, to Traditional Values in Latina/Latino culture, Gender in the Media, and Gender Dysphoria. This conference was open to both students and professionals.

Advocacy Activities (description)	Through our volunteer and community engagements we have sought to raise awareness of the value of the counseling profession and mental health care. We have also discussed in our meetings the various obstacles that counselors continue to face, even with regard to gaining licensure and credentialing for payments post-graduation.
Workshops	3
Workshop Themes	Professional development and leadership

Workshops (description)	Dr. Jean Keim, our program coordinator, presented on the new changes in the DSM 5 in the summer of 2013. Our chapter has also conducted two workshops titled "Suicide Talks." Through these workshops we engage the community in suicide awareness and intervention.
Counselor Community Engagement	9-May
CCE Activities	Advocacy / volunteering|Run/ walk-a-thons|Community awareness|Community collaborations|Professional development|Other (describe below)
CCE (description)	This year our chapter had a booth set up at a suicide awareness walk/jog-a-thon. We had information on the services that counselors provide, and in particular the counseling services available through our counseling clinic located at the University of New Mexico. We also held our annual UNM CSI Counseling Conference in November 2013. Dr. Bill Miller gave a keynote address on Motivational Interviewing and we had over 50 attendees, most of which included community mental health providers. This allowed our CSI members to engage and network with professionals in the field. As mentioned above, we also held two Suicide Talk presentations during which time we presented on suicide awareness and intervention training for community agencies. Our chapter also volunteered with The Children's Grief Center, a local non-profit agency that facilitates support groups for persons up to the age of 25 who have lost a loved one. We are currently trying to arrange volunteer activities with the New Mexico Aids Foundation.

Involvement of Alumni (description)	Justin Laird, our former secretary, volunteered his time during the spring 2014 semester to conduct study sessions for the NCE. He also continued as our secretary until our new secretary was elected and inducted. We hope to involve the counseling program alumni by inviting them to speak at our upcoming annual counseling conference in November 2014. We also will be asking alumni to present on study techniques for the CPCE and NCE exams. Further, we hope to invite alumni to share opportunities available for current students. We also hope to have alumni help current students make connections within the larger professional organizations such as ACA and the New Mexico Counselors Association.
Number of Former Members Involved	4-Jan
Involvement of Former Members (description)	Our previous treasurer continues to assist us with navigating the financial aspects of CSI within the University of New Mexico.
Other Activities	We hope to invite a well known speaker to give the keynote address at our upcoming annual conference. We plan to give awards to our members for outstanding commitment to CSI and our local chapter. Dr. Goodrich has also recommended that I, Natasha Moharter, apply to be a CSI fellow and intern at the national level. Throughout the year we will also be bringing in guest speakers to talk about the requirements for credentialing post-graduation. We also plan to work with UNM's Career Services in order to work with our CSI members on their resumes and development of a professional presence. Our chapter will also be holding NCE and CPCE study sessions throughout the summer and fall semesters for students who have not yet taken these exams.
Area of greatest accomplishment	Membership growth|Events
Greatest Accomplishment (description)	Our chapter has continued to maintain active involvement within the counseling program at UNM and the Albuquerque community. We also seek to include both master and doctoral level counseling students in our events. Our chapter strives to advocate for the counseling profession through our annual UNM CSI Counseling Conferences. During our 4th Annual UNM CSI Counseling Conference, Dr. Bill Miller gave a presentation at no cost to our chapter on Motivational Interviewing. We had several mental health providers from the community in attendance who participated or gave presentations. We also had doctoral-level counselor educators who presented on various topics pertinent to the fields of mental health and school counseling. During the past year we have had several CSI members actively involved in all of our events and planning processes. For the upcoming year we hope to continue to build a strong community of counselors and counselor educators within New Mexico.

Area of greatest accomplishment	Events
Greatest Accomplishment (description)	Our chapter's greatest accomplishment was the planning and completion of events, as a whole. Our executive council worked tirelessly to offer a wide variety of events to reach Master's and Doctoral students in Counselor Education, faculty members, alumni, past members, community helping professionals, and community members. We excelled in areas of service, both to the community and the counseling profession; social engagement for chapter members, students, and program faculty; and collaboration as an executive council. We welcomed new students, provided opportunities to fellowship with one another and network with community professionals, served our community, department, and profession, inducted new members, promoted professional development, completed fundraisers, and formally recognized the contributions of our executive council members and chapter faculty advisor, as well as honored excellence in our students. We are proud of our efforts to ensure continuous chapter activity.
