Call for CSI Counselors' Bookshelf Section Editors: Books to Become a Better Counselor and Movies & TV Shows

The CSI Counselors' Bookshelf is a forum at www.csi-net.org that provides reviews of books, movies, TV shows, and music that CSI members have found useful in their work with clients.

When a CSI member makes a submission to a section of the Counselors' Bookshelf, the Section Editor invites feedback from members of the section's Editorial Review Board. After receiving their feedback, the Section Editor works with the Senior Editor to determine whether the submission should be approved for publication, returned for revisions, or rejected. The Senior Editor then conducts a final review and submits the decision to CSI Headquarters.

The Society invites applications for two section editors of the CSI Counselors' Bookshelf: Books to Become a Better Counselor and Movies & TV Shows. The Books to Become a Better Counselor and Movies & TV Shows Section Editors will serve a 3-year term at the pleasure of the CSI Executive Council, beginning May 1, 2026 through April 30, 2029.
