EXECUTIVE DIRECTOR REPORT

It's hard to believe that we are approaching our second international meeting in New Orleans in just a few weeks. Since our first meeting last year, we have almost doubled the number of chapters (N=41) and continue to grow in members as well. These are good signs but we are even more proud of the activities of CSI and its chapters.

We continue to receive reports like those in this newsletter. Chapters are now combining their efforts to sponsor programs and hold initiations. Great ideas and information are being forwarded to us to be shared with others.

As you will soon learn in greater detail, we have secured the agreement of top scholars in the field to come gratis as speakers to chapter initiations - and CSI is instituting a grant program to help underwrite a portion of their expenses!!

In short, CSI and its chapters are healthy and growing stronger. If you're interested in helping, get involved! If you have a useful idea or suggestion, let us hear from you. If you're in New Orleans, come by Booth #219 and say hello to other members and, by all means, come to our meetings, programs and initiation/reception and meet the leaders in our profession!

AACD/CSI THEME SESSION

We are proud to announce our first convention theme session, "Scholars Across the Generations". Dr. Charles Lewis, our convention program chair, has secured three of the top scholars in counseling, Dr. John Holland, Dr. Donald Super and Dr. Gilbert Wrenn to make presentations and, in small groups, dialogue with you on their views about research, trends, etc. They are the first of what will be a select group to be inducted into CSI as honorary members. In turn, they are donating their time to speak at chapter initiations in the future for only their actual travel expenses. This will be a continuing program of CSI with up to $200 grants to chapters in need of assistance to meet their travel expense.

FIRST ANNUAL CHI SIGMA IOTA ALL-OHIO-STATE CONFERENCE

Eta Chapter at Youngstown State University is Sponsoring a Spring Conference, April 3rd & 4th, 1987. A fantastic program is planned for an educational and rewarding weekend. The conference has been approved by the NBCC for nine hours of continuing professional education. Everyone is welcome!

Cost for the conference is $20.00 for members of Chi Sigma Iota and $30.00 for non-members. A $15.00 late fee will be charged for registrations after March 20th. The fee includes the wine and cheese reception, presentations, refreshments, lunch, parking and certificates of participation. A copy of the registration form is attached to this newsletter.

DATES TO REMEMBER

July 8-10, 1987: The 1987 International Conference on Inviting Wellness in Young People. Sponsored by the Alliance for Invitational Education and the Counseling and Guidance Program of the University of North Carolina at Greensboro. To be held at the new Sheraton Greenboro Hotel.

General session addresses by internationally recognized authorities on wellness in young people, including Dr. David Aspy, author of numerous books including "Students Don't Learn From Teachers They Don't Like", Dr. William W. Purkey, author of "Self-Concept and School Achievement" and others.

July 5-8, 1987: Vienna, Austria. The Third International Consultation on Counseling Disabled People and their Families.

OFFER NBCC CONTINUING EDUCATION CREDIT

An excellent suggestion has been received from Richard W. Rymer, NCC, Counseling Psychologist. Rich has suggested encouragement of chapters to offer NBCC continuing education credit to those members who are also NCCs, for attendance at chapter meetings which, according to NBCC Guidelines, focus on "enhancing and upgrading professional counseling knowledge and skills."

CSI chapters are affiliated with academic departments of counseling in universities that, in most cases, have already been granted provider status by NBCC. Using the department's NBCC provider number, the Faculty Contact could certify the NCCs attendance at those chapter meetings which meet the NBCC guidelines. A copy of the guidelines for receiving approval has been included in this newsletter.

Thanks, Rich, for this excellent idea. A proposal has been submitted to the Executive Council for CSI to seek its own NBCC provider number.

CONGRATULATIONS OMEGA CHAPTER

Congratulations to Omega Chapter! In preparing the member reports for chapters at the beginning of the year, we were delighted and proud to find that Omega Chapter at Wright State University in Dayton, Ohio, has initiated 124 members, since it was chartered in February of 1986 and all of those members are current. Keep up the good work, Omega!

IRS TAX EXEMPT STATUS

CSI is currently working on securing tax exempt status. Unfortunately, we have been told that each chapter will be required to do the same if they desire this status. As we gain more experience with this process, we will pass it on to chapter contacts.

SPONSORS

Chapters are reminded to send to the International Headquarters the names of accepted sponsors for member applications. Applications for membership will only be accepted when the sponsor's signature is also on the application.

REMINDER

RENEWAL NOTICES

Please return your renewal card with your check when renewing your membership. The information on the card is necessary for proper processing. If the card is misplaced, please include your chapter name and member number on your check. Thanks!

SPEAKERS ROSTER

The list of speakers for the speakers roster is growing. We also welcome self-nominations. The recommendation sheet is again included in this newsletter.

CORRECTION

We apologize to Tim Daly for locating him incorrectly in the November newsletter. Tim is at the University of Alabama in Tuscaloosa, not in Birmingham as previously stated. Sorry Tim!
CHAPTER NEWS

ALPHA IOTA CHAPTER
(Loyola College)

Three chapters in Maryland, Alpha Iota, Lambda and Mu are planning a joint initiation this spring. They are also planning other programs where they can go together to invite guest speakers and share expenses, to promote better programs.

Our sympathy is extended to the students, friends and family of Edward Daubner, Coordinator of Guidance and Counseling at Loyola College in his unexpected death. His professional and personal caring will be a loss to those who knew him as well as to those who will never have the benefit of his teaching.

ALPHA ZETA
(Our Lady of Holy Cross)

Alpha Zeta Chapter and Alpha Eta Chapter held a combined initiation on November 20, 1986 at Algiers Landing Restaurant. Marilyn Jefferson, Program Specialist in Guidance and Counseling for Orleans Parish Schools, shared information on programs offered in the public schools.

For those of you planning to attend the annual convention in New Orleans - Algiers Landing Restaurant is fantastic! (Ellen)

ETA CHAPTER
(Youngstown State)

Eta chapter recently held its second annual initiation. Thirty-seven area professionals and professionals-in-training were inducted into Chi Sigma Iota. The keynote speaker was Dr. David Cliness, chairman of the YSU counseling Department, who spoke on "New Directions in Counselor Education at YSU."

KAPPA SIGMA UPSILON CHAPTER
(Kent State)

Kent State has prepared a calendar of events for 1987. On their calendar, they have listed the events, times/dates, person or persons responsible for planning and where the event will take place. The events are divided into two categories. The first is for continuing professional development and the second is for recognition and unity.

The calendar gives an excellent overall view of the chapter's plans for the year. It also lets members plan ahead.
Continuing Education Guidelines

Approved Content Areas

Continuing education activities must focus on increasing knowledge and skills in the practice of counseling in one or more of the following areas:

Counseling Theory includes a study of basic theories, principles and techniques of counseling and their application to professional counseling and their application to professional counseling settings.

Human Growth and Development includes studies that provide a broad understanding of the nature and needs of individuals at all developmental levels. Emphasis is placed on psychological, sociological, and physiological approaches. Also included are such areas as human behavior (normal and abnormal), personality theory and learning theory.

Social and Cultural Foundations includes studies of change, ethnic groups, subcultures, changing roles of women, sexism, urban and rural societies, population patterns, cultural mores, use of leisure time and differing life patterns. Such disciplines as the behavioral sciences, economics and political science are involved.

The Helping Relationship includes philosophic bases of the helping relationship; consultation theory, practice, and application; and an emphasis on development of counselor and client (or consultee) self-awareness.

Group Dynamics, Processing and Counseling includes theory and types of groups, as well as descriptions of group practice, methods, dynamics, and facilitative skills. This also includes supervised practice.

Lifestyle and Career Development includes such areas as vocational choice theory, relationship between career choice and lifestyle, sources of occupational and educational information, approaches to career decisionmaking processes and career development exploration techniques.

Appraisal of individuals includes the development of a framework for understanding the individual including methods of data gathering and interpretation, individual and group testing, case study approaches, and the study of individual difference. Ethnic, cultural, and sex factors are also considered.

Research and Evaluation includes such areas as statistics, research design and development of research and demonstration proposals. It includes understanding legislation relating to the development of research, program development and demonstration proposals, as well as the development and evaluation of program objectives.

Professional Orientation includes goals and objectives of professional organizations, codes of ethics, legal considerations, standards of preparation, certification, licensing, and role identity of counselors and other personnel services specialists.

Guidelines for Receiving Approval of Submitted Hours

When submitting an activity for continuing education hours, please remember the following:

1. The activity must occur after the date you first became certified.
2. The activity must be completed before your request is submitted.
3. Be certain to indicate the number of contact hours you are requesting for each activity.
4. The focus of the continuing education activity must be on enhancing and upgrading professional counseling knowledge and skills.
5. A sponsor must have been an approved provider at the time you took the activity. Please consult most recent NBCC Newsletter. Newsletters are published in May and November of each year.
6. Continuing education activities can be granted only if they are obtained in the approved content areas.
7. Inservice activities must include specific dates and titles and hours of each meeting/session that was attended.
8. Contact hours cannot be granted for activities in which you were an instructor, presenter, or supervisor. Continuing education activities are defined as direct participation in a structured educational format as a learner.
9. Hours can only be granted for actual time spent as a learner. Breaks and lunches must be deducted.
