

March 2022 NSSP Community of Practice Data Quality Subcommittee Call

March 11, 2022 – 12:00pm EST

National Syndromic Surveillance Program
Community of Practice

Resources that Advance the Science and Practice of Syndromic Surveillance

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

Agenda

- **CSTE and NSSP Announcements**
- **ESSENCE Demo**
- **Chief Complaint One Pager**
- **Open Mic**
- **Wrap-up**

****Please note all NSSP CoP calls are recorded and posted onto the NSSP CoP Knowledge Repository****

CSTE Announcements

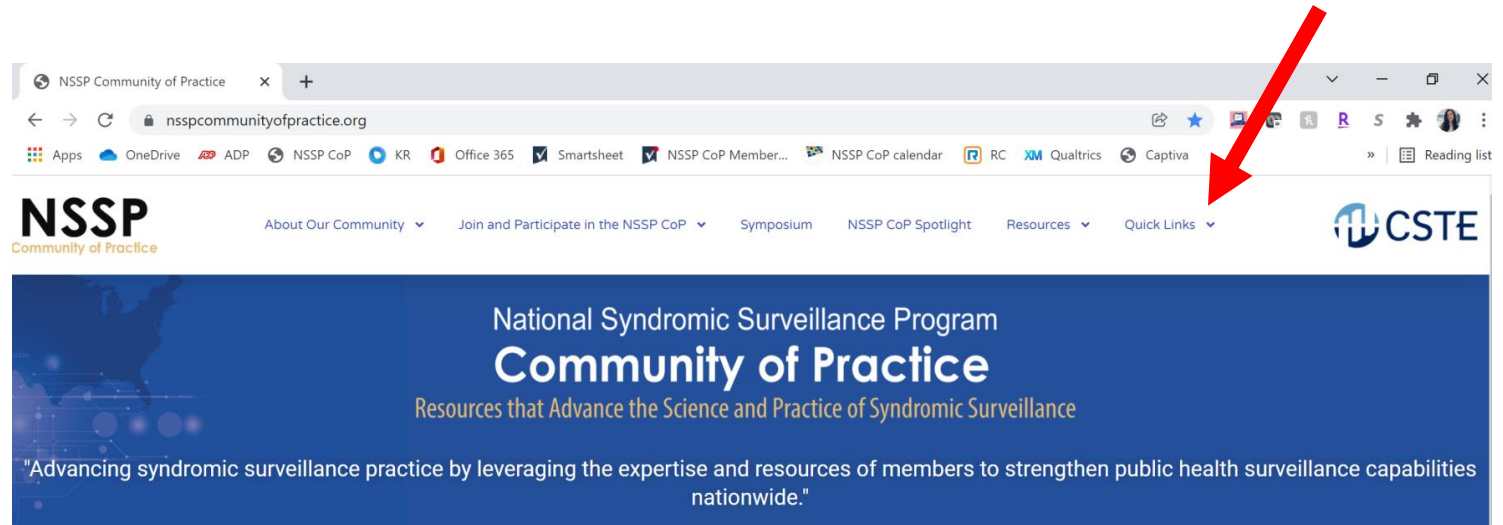

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

Joining NSSP CoP or Updating Membership

Membership is voluntary, free of charge, independent of CSTE membership, and open at any person or organization interested in advancing Sys

To join the CoP or update your membership:

- 1) Visit nsspcommunityofpractice.org
- 2) Click on **Quick Links**
- 3) Click **Join NSSP CoP**

NSSP CoP Slack Workspace

Participation in and access to the NSSP Community of Practice Slack Workspace is limited to staff (FTE or contractor) from federal agencies and state, territorial, local, or tribal (STLT) health departments.

To request access to Slack:

- 1) Visit nsspcommunityofpractice.org
- 2) Click on **Quick Links**
- 3) Click **Request to Join Slack**

Open Call for Data Quality Subcommittee Co-Chair

Position Eligibility

- Any active NSSP CoP member working at STLT health department is eligible to serve

Position Responsibilities

- Plan and facilitate monthly subcommittee calls
- Represent the DQ subcommittee on the NSSP CoP Core Committee as a SME and community representative
- Dedicate ~3-4 hours per month to related activities

If interested, please email syndromic@cste.org.

CSTE 2022 Annual Conference

**Registration for the CSTE
2022 Annual Conference is
now open!**

[https://www.csteconference.
org/](https://www.csteconference.org/)

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

NSSP Community of Practice

New Date & Time!: NSSP CoP Monthly Call

Moving forward, the monthly NSSP Community of Practice call will be held **4th Wednesday of the month** **from 12-1:30pm EST** (no longer 3rd Tuesday at 3-4pm)

An NSSP-CoP wide email announcement was shared yesterday with the updated information.

Please be sure to delete any previous calendars with outdated meeting information or date/time (i.e., delete anything with RingCentral and/or on the 3rd Tuesday of the month at 3:00-4:00pm)

If you are a member, and did not receive the announcement, email Alyaa (aaltabbaa@cste.org)

The background of the slide is a solid orange color. Overlaid on this background is a faint, abstract network diagram. It consists of numerous small, light-orange circular nodes connected by thin, light-orange lines. Some lines are straight, while others are curved, creating a complex web-like pattern across the entire slide.

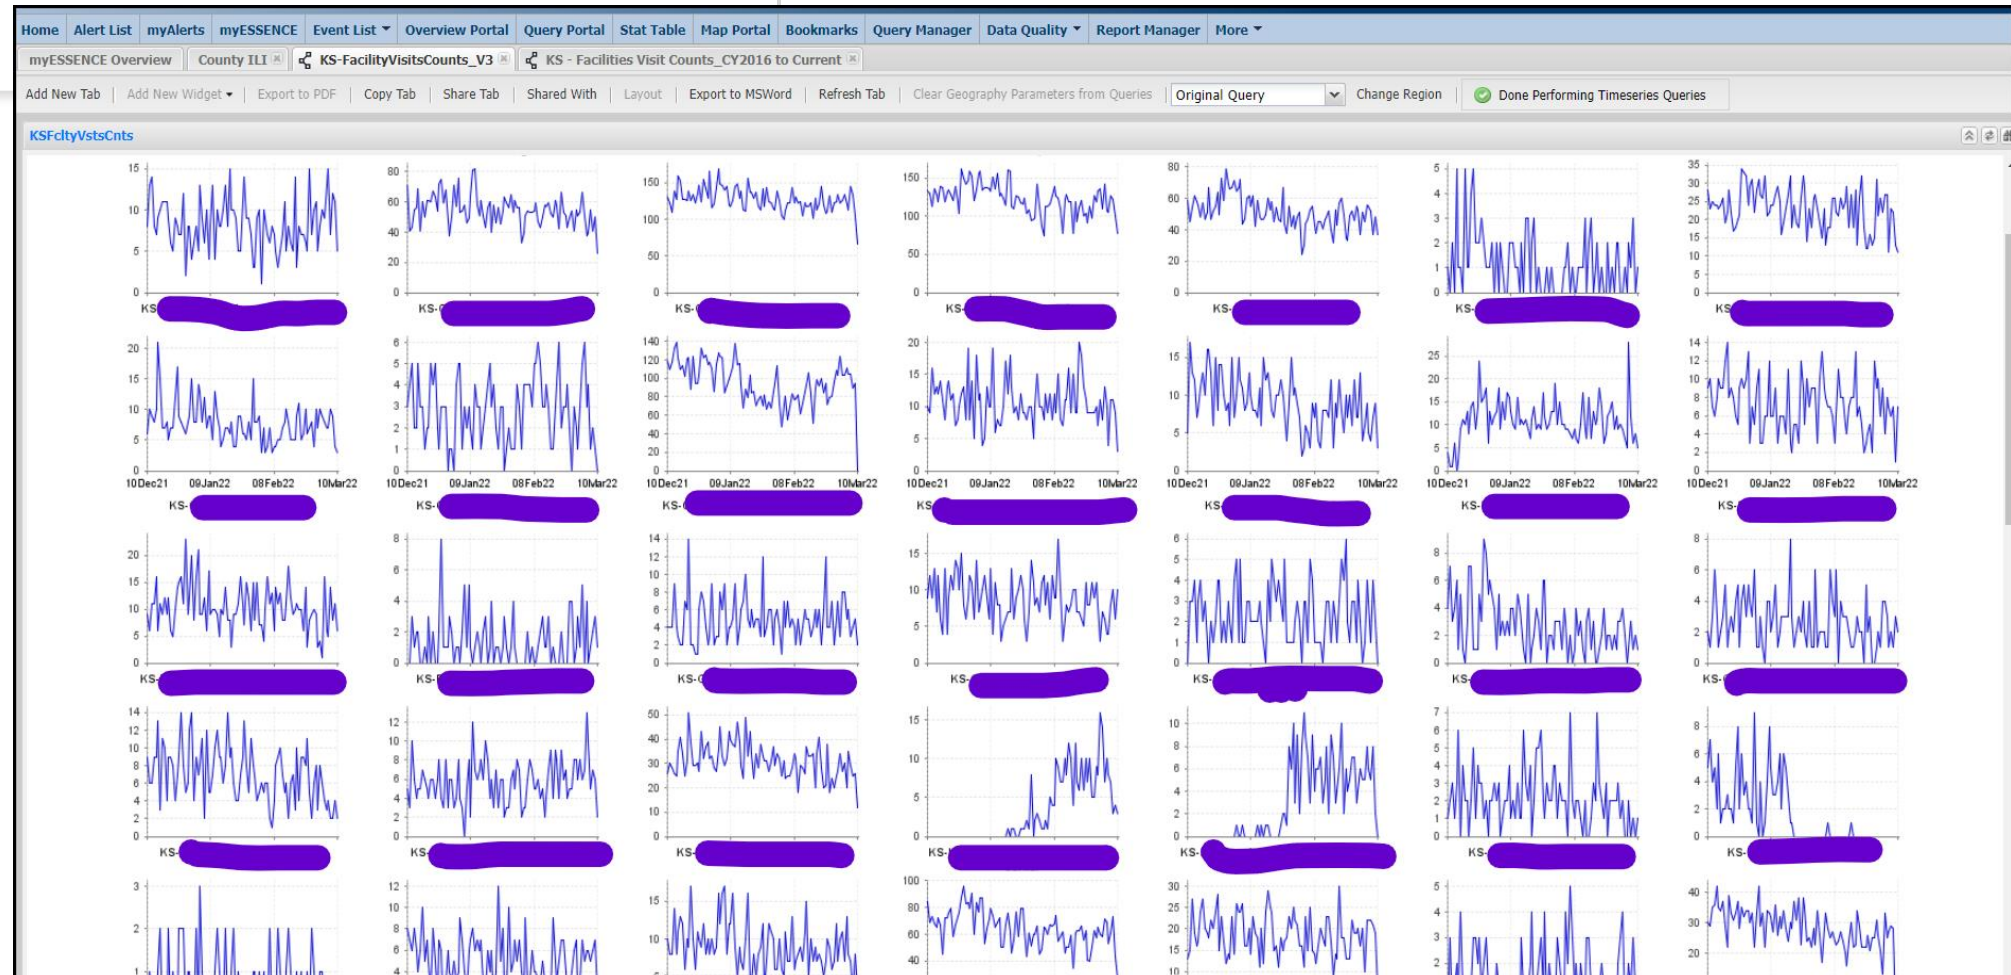

ESSENCE Tools for Analyzing DQ

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

DQ and ESSENCE

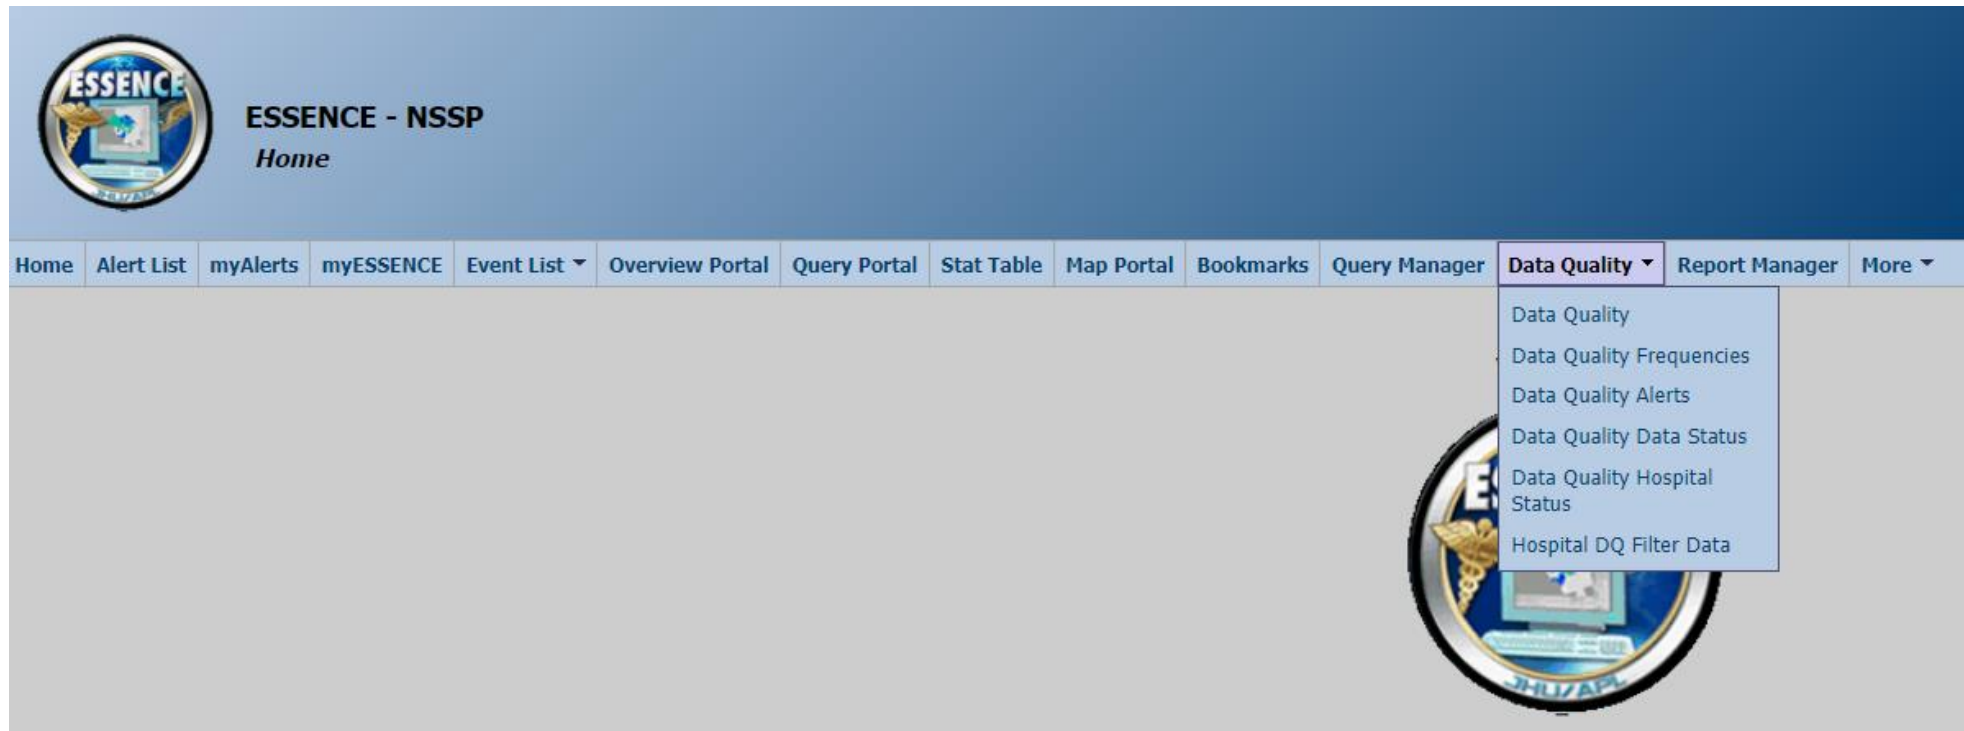

How I use ESSENCE daily

- Checking daily site level trend lines - <https://www.cdc.gov/nssp/dqc/articles/are-the-lights-on.html>
- Look for facilities with no new visits or fewer/more visits than normal

ESSENCE DQ Tab

- Description: https://essence.syndromicsurveillance.org/nssp_essence/usersguide/systemcomponents/DataQuality.jsp
- Useful items include Data Quality, Data Quality Frequencies, and Data Quality Alerts

Data Quality Tab: Data Quality

- The Data Quality Portal looks at Completeness, Timeliness, and Validity for several parameters
- For DQ by facility choose Facility Location (Full Details)
- Quality Factor choices are completeness, timeliness, and validity
- Time resolution looks at DQ percentages by day, week, month, quarter, and year
- Adjust start and end date

▼ Data Quality Configuration

Datasource: Facility Location (Full Details) ▼

Quality Factor: Percent Completeness ▼

Time Resolution: Daily ▼

Start Date: 03Mar22

End Date: 10Mar22

Data Quality Tab – Data Quality

- Example of Completeness for one KS facility
- Several Priority 1 fields included
- You can download API for these queries

Data Quality Tab: Data Quality Frequencies

- The Data Quality Frequency looks at the number of times a value is received in ESSENCE for a certain parameter
- For Frequency by facility choose Facility Location (Full Details)
- Time resolution looks at DQ percentages by day, week, month, quarter, and year
- Adjust start and end date

Data Quality Filter

- Available Query Fields >> Data Quality Filters
- Time Series shows number of records filtered
- Data Details pulls all the records according to the Filter used
- For example, the first graph is the weekly counts of DD noninformative
- Second graph is the daily counts of CC not available

ESSENCE Resources for DQ

- Helpful tabs and queries explanation
- ESSENCE Training Course in
KR: <https://knowledgerepository.syndromicsurveillance.org/essence-online-training-course>
- Parameters added to DQ
Tab: <https://www.cdc.gov/nssp/dqc/articles/parameters.html>

The background is a solid orange color. Overlaid on this is a network of thin white lines and dots of varying sizes. The lines are mostly horizontal and vertical, with some diagonal and curved segments. The dots are placed at various points along these lines, creating a complex, interconnected pattern that resembles a circuit board or a data network.

Chief Complaint One-Pager

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

Chief Complaint One-Pager

- Small group had a meeting on 3/2 to focus the Group's thoughts on CC
 - Created a working document
 - Transferred Muralboard ideas
 - Thought of good questions:
 - Focus Calculated CC or CC?
 - Who is our audience?
- I've added the working CC document to Slack: https://cste-my.sharepoint.com/:w:/g/personal/kparks_cste_org/ETa6bxQfaSI0tSR2P3PTIDQB9DI8eIVrz5O04jnYfQLi0g?e=33qU57

Chief Complaint Details

Example: OBX|3|TX|8661-1^CHIEF COMPLAINT – REPORTED^LN||STOMACHACHE THAT HAS LASTED 2 DAYS; NAUSEA AND VOMITING; MAYBE A FEVER|||||F|||201102171531

- Chief Complaint: Patient's self-reported chief complaint or reason for visit
 - Chief_Complaint_Text
 - Distinct from the Admit Reason field which is the **provider's** reason for admitting the patient
 - Providers may send multiple CC to ensure the most complete description
- Calculated Chief Complaint (ESSENCE): Calculated field that stores the patient's reported chief complaint as well as the admit reason from the physician
 - C_Chief_Complaint

Hierarchically defined (select first non-null):

- * Chief_Complaint_Text
- * Admit_Reason_Description

Open Mic

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.
