

August 2022 NSSP Community of Practice Data Quality Subcommittee Call

August 12, 2022 – 12:00pm EST

National Syndromic Surveillance Program
Community of Practice

Resources that Advance the Science and Practice of Syndromic Surveillance

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.

Agenda

- CSTE and NSSP Announcements
- New Co-Chair Introduction
- Asthma in Kansas Emergency Departments: ESSENCE vs. KHA Data
- Associated Facilities
- Open Mic

****Please note all NSSP CoP calls are recorded and posted onto the NSSP CoP Knowledge Repository****

The background of the slide is a solid orange color. Overlaid on this background is a faint, abstract network diagram. It consists of numerous small, light-orange circular nodes connected by thin, light-orange lines. Some lines are straight, while others are curved, creating a complex web-like pattern across the entire slide.

NSSP Announcements

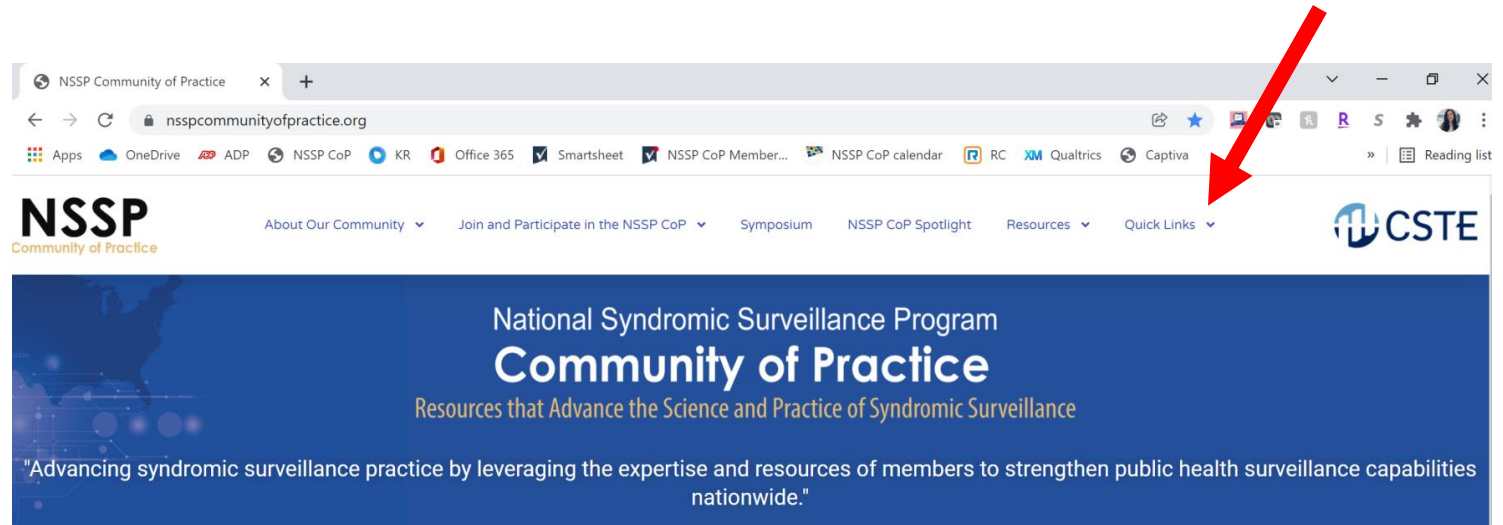

The NSSP CoP is supported by Cooperative Agreement # 6NU38OT000297-02-01 between the Centers for Disease Control and Prevention (CDC) and the Council of State and Territorial Epidemiologists. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.
