

January 2020 Overdose Surveillance Committee Call

Co-Chairs: Peter Rock, Sandra Gonzalez, & Yushiuan Chen

CSTE Support: Hayleigh McCall & Alyaa Altabbaa

Agenda

- ▶ **Announcements and updates**
- ▶ **CSTE overdose activities**
 - ▶ CSTE Overdose Subcommittee
 - ▶ OD2A-related projects
- ▶ **CDC's Overdose Data to Action (OD2A)**
 - ▶ Presentation: Overdose Data to Action, Brief Overview - Lawrence Scholl (CDC)
- ▶ **NSSP CoP ODSC activities in 2020**
 - ▶ Discussion: syndromic surveillance projects needed and opportunities for collaboration
- ▶ **Next meeting: Friday, March 20th at 1pm ET**

Housekeeping

- ▶ **Call Courtesy**

- ▶ Mute line unless speaking
- ▶ Do not place call on hold

- ▶ **Questions**

- ▶ All questions will be addressed during the open mic and Q&A portion of the call
- ▶ Avenues for questions: chat box, raising hand, asking question during Q&A

- ▶ **Feedback or Topic Suggestions?**

- ▶ Please email syndromic@cste.org

NSSP CoP Membership

Even though CSTE is a member-based organization, involvement in the NSSP CoP and its related groups will remain **free of charge** and **independent of CSTE membership**

Email syndromic@cste.org to be added to the NSSP CoP or any of its related groups

CSTE Supported Online Spaces

Collaborative spaces

- CSTE building out an online collaborative space for the NSSP CoP and all CoP-related groups
- In the interim, each group will have a Basecamp space
- Links to join included in all call-related email communications

Knowledge Repository

- Have a resource you want considered for addition to the KR?
Email syndromic@cste.org

Check out CSTE's landing page for the NSSP CoP

- Find at www.cste.org/page/nsspcop
- ***NEW*** includes call calendar!

2020 CSTE Annual Conference

Call for Abstracts is open and closes **TODAY (Friday), January 10, 2020 at 11:59pm EST!**

2020 CSTE Annual Conference will highlight SyS-related sessions

Official travel letters with travel sponsorship details will be sent to approved sponsored travelers **on or after February 5th**

The “CSTE SyS Team”

Introducing Alyaa Altabbaa!

Look out for emails from her regarding the ODSC and other Nssp CoP-related groups

CDC's Overdose Data to Action (OD2A)

Presentation: Overdose Data to Action, Brief Overview - Lawrence Scholl (CDC)

Overdose Data to Action

Brief Overview

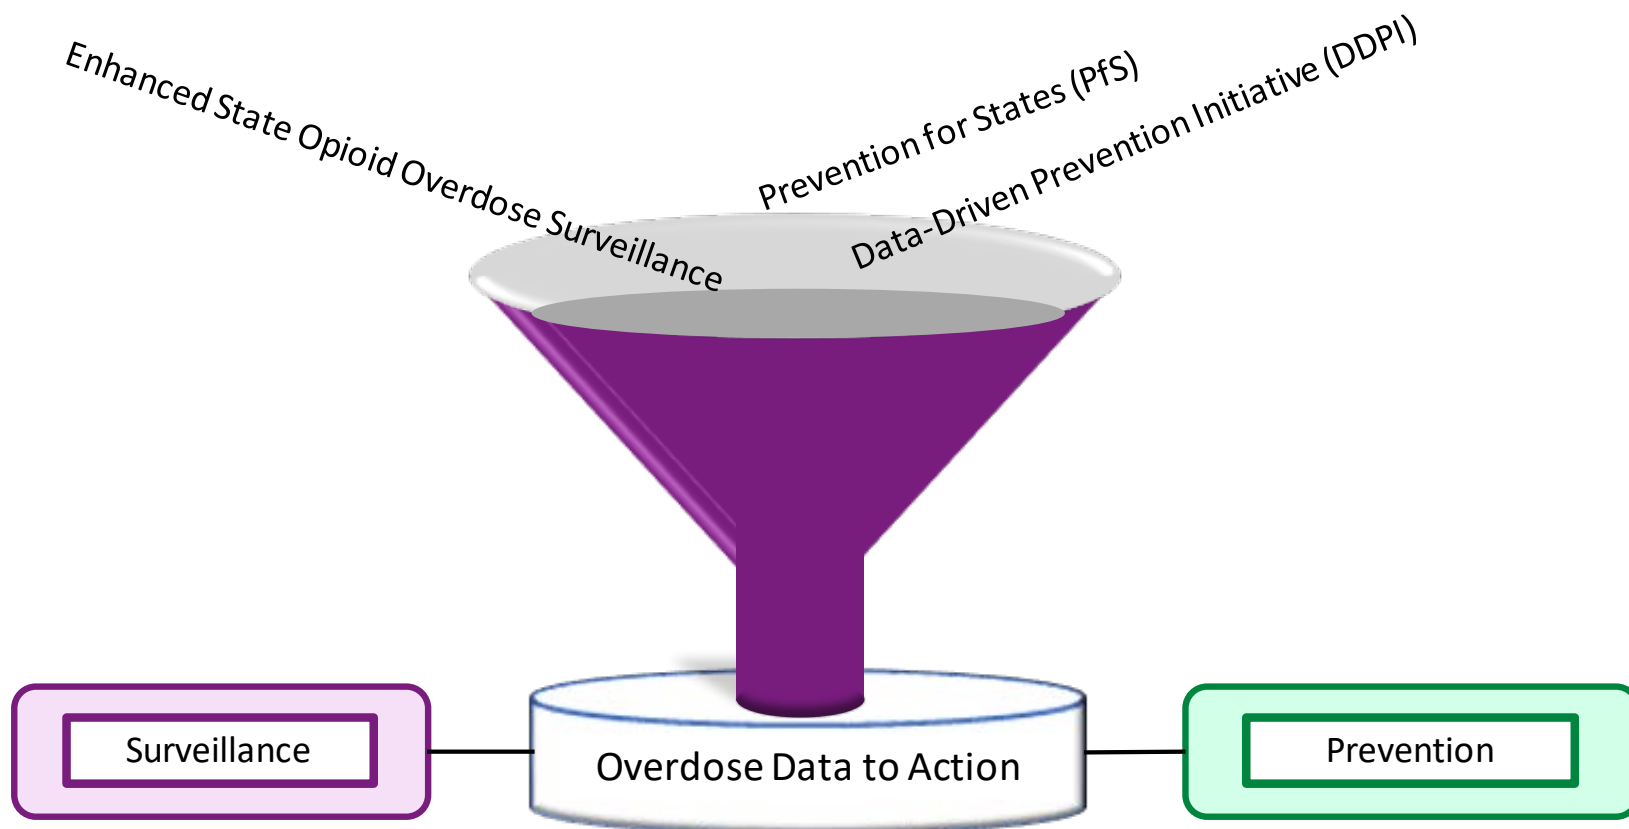

10 January 2020

ODSC Call

Lawrence Scholl, PhD, MPH

Division of Overdose Prevention

Linking Surveillance and Prevention Components

Components and Strategies: At-a-glance

- **Surveillance Component**
 - *Morbidity*
 - *Mortality*
 - *Innovative Projects*
- **Prevention Component**
 - *Prescription Drug Monitoring Programs (PDMPs)*
 - *State-local integration*
 - *Linkage to Care*
 - *Providers and Health Systems Support*
 - Public Safety Partnerships
 - Empowering Individuals
 - Innovation Projects

Italicized strategies are required

Surveillance

Required Strategies

- Morbidity
 - Reporting every 2 weeks, monthly, or quarterly
- Mortality
 - Lag of 6-11 or 8-13 months
- Innovative project

Optional Strategies

- Additional quarterly reporting of hospital billing data
- Rapid opioid overdose death collection (<1 month)

Surveillance

Required Strategies

- Morbidity
 - Reporting every 2 weeks, monthly, or quarterly
- Mortality
 - Lag of 6-11 or 8-13 months
- Innovative project

Optional Strategies

- Additional quarterly reporting of hospital billing data
- Rapid opioid overdose death collection (<1 month)

Prevention

Required Strategies

- Improving PDMP
- State/local integration
- Linkages to care
- Providers and health systems support

Optional Strategies

- Public safety partnerships
- Empowering individuals
- Prevention innovation project
- Peer-to-peer learning coordination

What Are the Major Changes from ESOOS?

- Even faster data
- Morbidity: **Only** ED data are required – more coverage (>75%) & more comprehensive
 - Required: suspected all drug, opioid, heroin, stimulant overdoses
- SUDORS: all drug overdoses, not just opioid-involved
 - More funding to medical examiners/coroners
 - Preliminary counts of opioid-involved deaths based on clinical and scene evidence (optional)
- Innovative projects
- Funding to territories, counties, and cities
