Join us Feb. 14 - Legislative Breakfast and Home Health & Hospice Day at the Capitol

The Association Annual Legislative Breakfast and Day at the Capitol is Wed., Feb. 14 from 8 am - 10 am. The event is FREE to all Association members. No registration required.

Have coffee with your colleagues, learn from the Association staff and the lobbying team about our CT legislative priorities, and hear from your state legislators about the 2018 Legislative Session and "State of the State". Tour the Legislative Office Building and meet with your legislator following the breakfast to share your story about the value of healthcare at home.

Adams Re-Appointed to CT Healthcare Cabinet, New CT Office of Health Strategy Established

Susan Adams, Association Board Chair, has been re-appointed to the CT Healthcare Cabinet by State Rep. Joe Aresimowitz, Speaker of the House.

The Healthcare Cabinet is an advisory body chaired by Lt. Governor Nancy Wyman which brings together health care stakeholders to explore ways to improve health care for all Connecticut residents and has examined cost containment models in other states.

Axxess to Integrate Simione Financial Monitor and Cost Reporting Services for 2,000+ Clients

Simione Healthcare Consultants, a leader in home health and hospice business improvement, and Axxess, the fastest growing home health technology company, have announced a new partnership that will enable thousands more agencies access to revenue management tools to help contain costs and grow business. More than 2,000 Axxess clients will receive preferred pricing for the Simione Financial Monitor and Cost Reporting services, while both organizations will focus on related education and outreach to support financial improvements for interested home health providers.

AXXESS Released Short Film on Value of Care In the Home

AXXESS, an Associate member and home care technology solutions partner, has been producing educational videos and webinars for our Association members free of charge to assist with Medicare compliance and other regulatory issues.

AXXESS is expanding their productions to consumers with its first short film in a series
called Fresh Air, part of a broader campaign to advance messages around the value of care in the home. Axxess will be leading an effort to improve awareness about what our industry is and what it has to offer. Among topics expected to be addressed are when home care is appropriate, how a person qualifies for home care, the various types of home care, key issues for family caregivers, comparing home care with hospital care, and many more.
