ASSOCIATION MEMBERSHIP FOR HEALTH CARE PROVIDERS

A member who provides health care services with an interest in home health, hospice or community-based care and is **not** a direct provider of home-based care services.

CONDITIONS AND OBLIGATIONS OF MEMBERSHIP

Applicants understand and agree that, by applying for and accepting membership in the Connecticut Association for Healthcare at Home (Association), they accept the following policies and obligations.

Standards of Conduct

Association members are expected to conduct their businesses consistent with all applicable laws and regulations and in an ethical manner, as may be further articulated in a Code of Conduct adopted by the Association's Board. The Board of Directors of the Association reserves the right to terminate the membership of any Association member whose conduct, in the sole discretion of the Board, is unethical or inconsistent with all applicable laws and regulations or otherwise damaging to the Association.

Advocacy of the Association's Position

If a member wishes to take a stand different from the Association's position on any issue, he/she must publicly state that his/her position is independent of the Association's stand. Members must notify the Association's President & CEO in writing of this position in advance of their lobbying efforts.

Payment of Dues and Fees

Membership is for a full year, and by applying for membership each applicant is obligated to pay dues for the entire year regardless of whether the Member's status changes during the year for any reason. Membership dues for Business and Organization Members are billed and collected on a prepayment basis and paid annually.

Dues assessments for new members who join after the beginning of the Association's membership year will be pro-rated per quarter.

NOTE: The Connecticut Association for Healthcare at Home is a non-profit association that is tax exempt under section 501(c)(3) of the Internal Revenue Code. As long as our non-dues revenue from our educational programs and other revenue sources continues to cover our lobbying and related support and expenses, the cost of your dues will be tax-deductible for your organization. (Before the end of our 2nd quarter, we will be able to give the exact percentage that is tax-deductible. For the past several years it has been 100%.) Dues are non-refundable. (If you are a Medicare certified agency, your total dues are an allowable cost under Section 2138 of the Medicare Provider Reimbursement Manual.)
