DADE COUNTY BAR ASSOCIATION JUDICIAL POLL RESULTS

At 10:00 a.m. on August 20, 2018 the Dade County Bar Association will release the results of the 2018 Judicial Poll.

This poll rates the current Florida Supreme Court Justices and Third District Court of Appeal Judges who are seeking retention, Circuit and County Court Judges in 11th Judicial Circuit seeking re-election and candidates for judicial office seeking election.

The Dade County Bar Association began evaluating judges in the early 1940's. The DCBA continues to conduct the poll as a public service to the bench, bar, and public - often providing the only realistic feedback of a judge's performance to the judiciary and public.
