

DBA ST COW ACADEMY

DAIRY BUSINESS
ASSOCIATION

DAIRY
FORWARD

SEPT. 22-24

Presented by **STgenetics**[®]

Hosted by **Grotegut Dairy**
Farm Wisconsin Discovery Center
Manitowoc, Wis.

DBA is partnering with STgenetics to offer ST Cow Academy – an all-inclusive event where herd professionals and reproduction managers can come together to learn, network and share ideas. Participants will gain insight on applying data from farm management software reports to reproduction protocols, basic herd management and A.I. training. Participants are guaranteed to return to their dairy farm with knowledge they can apply to every-day on-farm routines.
