Dairy Business Association
Dairy Business Association
Success Together

The Dairy Business Association is a nonprofit organization of Wisconsin dairy farmers, milk processors and business partners who work together to boost the state’s dairy community. DBA’s members come from across the dairy spectrum, from farms of all sizes to cheesemakers to animal health companies, lenders, insurance providers and more.

As the most effective lobbying organization for dairy farmers and business partners in Wisconsin, we ensure the interests of the dairy community are well represented in state and local government. We work to foster a healthy business climate and to serve as a dependable resource for hundreds of dairy farmers and businesses representing hundreds of thousands of cows.

With you and for you, we are building a trusted and vibrant dairy community that balances business, environmental and social responsibilities.

We’re focused on:
• Representing farmers in day-to-day state policy developments
• Empowering members to stand up for dairy’s policy interests
• Providing input on proposed rules at the state and local levels
• Creating practical, science-based manure-handling standards
• Ensuring transparency and efficiency in state regulatory permitting programs
• Protecting farmers’ investments in high-capacity wells
• Working toward viable long-term transportation funding
• Sharing positive messages and combating misinformation through social media and news media

We can help you with:
• Permitting questions and processes
• Local government meetings
• Farm sustainability and continuous improvement
• Educational meetings and webinars
• Media interviews
• Social media strategies

Help us move DAIRY FORWARD - Join DBA today!

Eligibility
• Any person or entity that owns dairy cows, heifers, calves or livestock

Annual Investment
• First-year rate: $0.75 per mature animal
• Renewal rate: $1.50 per mature animal
