

The Dayton Bar Association Foundation was created as a non-profit, 501(c) (3) charitable organization on July 16, 1984. Through the Foundation, the more than 1,400 DBA members join together to support a wide variety of good works and charitable activities on behalf of the greater Dayton legal community. The Foundation is supported solely by Members and Friends of the Foundation.

In support of the Foundation's mission, the Board of Trustees look for opportunities to promote the legal profession, to increase access to justice and do good works in our community in the name of the DBA.

This is accomplished through the award of grants to worthy organizations and law-related projects.
