Dear AHS Exhibitions Judge:

Today you have completed a refresher course for senior judges, which upon submission of this application will extend your credentials as an active judge for an additional four years. **If you have provided an email address, you will receive an updated credentials certificate as an email attachment.**

The AHS Board of Directors wishes to express our appreciation for your services as an AHS Exhibitions Judge during your next four-year term.

Your willingness to serve has helped promote the daylily and the AHS, and will continue to be an integral part of our Society. We trust that you have found it a rewarding experience and that you will be able to continue to serve the Society as an AHS exhibitions Judge for many years.

- ❖ **This four-year log record is for recording judging experiences and personal data, to be included when you apply for re-certification.** Remember to pay your dues each year by January 1; to attend refresher clinics whenever you can (and no later than the last year of your term), and to notify the Exhibition Judges Records chair in the event that you are unable to comply with the criteria.

Please complete and mail this form to the exhibitions chair following your refresher clinic. This record, along with your attendance at the refresher clinic, will enable the chair to process your application quickly when you apply for re-certification.

Your cooperation and conscientious service are both appreciated and essential to the program.
