A CME Presentation co-hosted by UF Health and the American Liver Foundation

The Latest Developments in the Treatment of Hepatocellular Carcinoma

June 25, 2019 | 6 PM – 8 PM

Deercreek Country Club | 7816 McLaurin Road North, Jacksonville, FL 32256

6:00 PM Networking
6:30 PM ALF Welcome
6:30 PM – 8:00 PM Educational Program, Q&A, and Dinner

Learning Objectives:

Upon completion of this activity, participants should be able to:

1. Describe the best practice for early recognition of HCC and the importance of sending patients for curative treatment
2. Discuss the new advances in medical and surgical treatments of HCC
3. Describe the evaluation and management of cirrhosis related hepatocellular carcinoma and the importance of multi-disciplinary care for best outcomes

Target Audience: This lecture is intended for GI physicians, Hospitalist, Primary Care Physicians, Physician Assistants and Nurses.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Florida College of Medicine and the American Liver Foundation. The University of Florida College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: Drs. Zarrinpar and Cabrera have disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.
