

Crystal River Watersports is thankful that the area sustained minimal damage from Hurricane Irma. The manatees, birds, and fish of Florida's Nature Coast are waiting to greet you.

Our Captains, Guides and Dive Pros are ready to help make a memorable vacation or weekend get-away for you and your friends.

This local economy relies heavily on tourism and we are ready to host you.

Manatee Tours, Gulf Snorkels, Fishing Charters, Dives in the local Springs and Dive Training are all available from Crystal River Watersports. Check out our web page for a full listing at www.crystalriverwatersports.com

Crystal River Watersports is the only PAD 5-Star Resort. We can arrange lodging, meal and some dry entertainment to make your weekend complete for yourself, family, friends, dive clubs and students.

We look forward to hosting you soon.
