

LinkedIn Pages – Overview

Distribution Management Association of Southern California: Company Page and Group

The mission of DMA is to facilitate involvement, partnerships, professional development and connections for our members and community. Please read below on how to become involved with the DMA on LinkedIn.

Pages on LinkedIn allow you to explore organizations you're interested in, get the latest company updates, and learn about new job opportunities on your desktop and mobile devices. When you [follow DMA's LinkedIn Page](#), you can view their updates directly on your homepage news feed.

Through DMA's Page, you'll receive a high-level summary along with information such as its specialties, events, industry news, and more:

1. Updates on topics ranging from meeting and tour announcements to industry news
2. Friends and colleagues who are connected to the association
3. Affiliated pages that showcase various aspects of the organization

Following the DMA on LinkedIn

You can follow or unfollow DMA on its [DMA LinkedIn Page](#) and get updates on key developments that are posted.

To follow DMA:

1. Click on the **Search** box at the top of any LinkedIn page and type **DISTRIBUTION MANAGEMENT ASSOCIATION**. Press **Enter**.
2. Click the **More** dropdown and select **Companies**
3. Click the correct organization name from the filtered results list.
4. Click the **Follow** button near the organization name in the search results list.

- If you'd like to learn more about the organization before following their Page, click the organization name to see more details. You can click the **Follow** button near the top of that page to follow.
