Transportation to and from Renaissance from an overflow hotel: Some of the hotels listed below offer shuttle service within 3 to 5 miles; however, current hours of operation are limited. The Triennial Committee is working with the overflow hotels to accommodate the Triennial schedule. As changes become available the updates will be added to the hotel list below. As a reminder, Daughters are responsible for their own travel arrangements. As there are many providers of transportation services, Daughters should look for the options that best meet their needs.
