**Title:**

Gourd-geous Saints

**Goal 1**

**Description:**

The Sisters of Rebecca Matoaka Chapter of Shrewsbury Parish Church in Kennedyville, Maryland in Province III's Diocesan Assembly of Easton recently held its annual Gourd-geous Saints event in the community of Chestertown, Maryland. Members gather at the local farmer's market each fall close to All Hallows Eve, spreading God's Good News with hands-on activities for children (of all ages!) with gourd painting, bible stories, fellowship, and giveaway bags filled with Christian centered books, games, toys and balloons. This year's event reached 60 children. The Chapter has an Easter-oriented event in the Spring and has previously held similar events for Bible School and Christmas. Goals being accomplished are: Strengthen Our Call to Service and Evangelism, Foster Community and Build Connections, and Nurture and Grow Our Members. Blessings!
