Seventeenth Annual Dysphagia Research Society Meeting
March 5-7, 2009 • Westin on Canal
Special Pre-Conference
Wednesday, March 4, 2009

Jointly Sponsored by
The Dysphagia Research Society and
Continuing Medical Education Resources, Inc.
Course Overview
The meeting is attended by clinicians and researchers from a variety of disciplines, including gastroenterology, neurology, otolaryngology, radiology, speech-language pathology, nutrition, biomedical engineering, dentistry, pediatrics, psychology, and basic sciences. The course provides an excellent opportunity for clinicians to gain understanding of the scientific bases for the treatment selection and implementation. The conference includes a number of symposia aimed at providing comprehensive and objective coverage of topics of interest to researchers and clinicians, in the form of focused lectures, original research paper presentations and poster presentations.

Target Audience
This meeting is designed for a variety of clinicians, researchers, resident physicians, fellows and students from a wide range of disciplines including gastroenterology, neurology, otolaryngology, radiology, speech-language pathology, nutrition, biomedical engineering, dentistry, pediatrics, psychology, and basic sciences.

Course Format
A series of lectures, panel discussions, and oral and poster presentations of submitted scientific abstracts will be provided.

Educational Objectives
Following the conference, the participant should be able to:

- Satisfy the NBJT in treatment of dysphagic conditions arising from the oropharynx and esophagus
- Describe the dysphagic complications from use of botulinum toxin
- Distinguish the differing presentations of eosinophilic esophagitis in young patients vs. adults
- List the performance characteristics and diagnostic criteria for high resolution manometry in the evaluation of esophageal and oropharyngeal motor disorders
- Identify the presentation, diagnostic criteria, and management options for patients with esophageal and oropharyngeal motor disorders
- Assess the reliability and reproducibility of different techniques for quantifying gastroesophageal reflux
- Recognize the fluoroscopic features and clinical relevance of gastroesophageal reflux
- Identify the neural pathways by which gustatory sensory stimuli are transmitted to the central nervous system
- Comprehend the behavioral dynamics of food choices across the lifespan

Annual Meeting Objectives
- Recognize the controversies surrounding the diagnosis and management of laryngopharyngeal reflux
- List how the physical and chemical properties of food are sensed by the body and how these stimuli modulate eating behavior
- Recognize the different contributions of strength and skill training in the rehabilitation of swallowing function
- Determine the appropriate initial bolus consistency for evaluating swallowing function in different clinical scenarios
- Define the proper slide formatting and organization for a professional oral presentation
- Identify the role of nociceptive pathways in transmitting symptoms from the deglutitive structures
- Describe the important role of clinical investigators in mentoring the next generation of researchers

CME Accreditation and Credit Designation
This activity has been planned and implemented in accordance with the Essential Areas of the Accreditation Council for Continuing Medical Education. Continuing Medical Education Resources is accredited by the ACCME to provide continuing medical education for physicians.

For further information, please contact:
Angela Davis, Meeting Manager
International Meeting Managers, Inc.
4550 Post Oak Place, Suite 342
Houston, Texas 77027
Phone: (713) 965-0566
Fax: (713) 960-0488
DRS@meetingmanagers.com
www.dysphagiaresearch.org

If you have any special needs, please contact International Meeting Managers in writing at the above address.

Determination of educational content for this meeting and the selection of speakers are responsibilities of the planning committee and its chair. Firms providing financial support do not have input in these areas.

Disclosure Policy: Speakers will disclose to participants the nature of any significant financial relationships they have with the commercial firms providing support, as well as the commercial manufacturers of products and/or the providers of services discussed in their presentations. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).

### Pre-Conference

- **9:30 AM - 10:15 AM**
  - Emerging Trends and Techniques in the Esophagus
  - Moderator: Benson T. Massey, MD, FACP

- **11:15 AM - 11:35 AM**
  - Techniques to Measure Retrograde Transport
  - Moderator: Colin D. Rudolph, MD, PhD

### Clinical Use and Consequences of Botulinum Toxin Injection: From Lips to LES

- **8:00 AM - 8:20 AM**
  - Use of Botulinum Toxin for Disorders of the LES and Esophageal Body
  - Moderator: Gregory N. Postma, MD

- **8:20 AM - 9:15 AM**
  - Use of Botulinum Toxin for Disorders of the UES and Larynx
  - Moderator: Albert L. Merati, MD, FACS

- **9:15 AM - 10:00 AM**
  - Use of Botulinum Toxin for Dystonia and Sialorrhea
  - Moderator: Douglas J. Van Daele, MD

- **10:00 AM - 10:45 AM**
  - The Application of High-Resolution Manometry in the Upper Esophageal Sphincter
  - Moderator: Sudip K. Ghosh, PhD

- **10:45 AM - 11:15 AM**
  - Panel and Audience Discussion

### Disorders of Retrograde Transport Across the Age Spectrum

- **11:15 AM - 11:35 AM**
  - Techniques to Measure Retrograde Transport
  - Moderator: Michael F. Vaezi, MD, PhD, MSc(Epi)

- **11:35 AM - 11:55 AM**
  - Rumination Syndrome
  - Moderator: Paul E. Hyman, MD

- **11:55 AM - 12:15 PM**
  - Intravesophageal Reflux: Incidental Finding or Clinical Entity?
  - Moderator: Peter C. Belafsky, MD, PhD, MPH

- **12:15 PM - 12:45 PM**
  - Panel and Audience Discussion

### Gustation & Food Choice Across the Age Spectrum

- **12:45 PM - 1:25 PM**
  - Multisensory Aspects of Gustation
  - Moderator: Joan C. Arvedson, PhD, CCC-SLP, BRS-S, BC-NCD

- **1:25 PM - 1:50 PM**
  - Determinants of Infant Flavor Preference and Food Selection
  - Moderator: Joan C. Arvedson, PhD, CCC-SLP, BRS-S, BC-NCD

### Lunch On Your Own
THURSDAY, MARCH 5, 2009

7:00 AM - 5:30 PM  Registration
7:00 AM - 8:00 AM  Continental Breakfast
7:50 AM - 8:00 AM  Welcome and Opening Remarks
8:00 AM - 9:30 AM  Scientific Paper Presentations
9:30 AM - 10:30 AM  Break - View Posters and Exhibits
10:30 AM - 12:00 PM  Scientific Paper Presentations

Point/Counter-point Session: LPR is Under-Recognized vs. LPR is Over-Diagnosed
Moderator: Reza Shaker, MD

12:00 PM - 12:15 PM  Under-Recognized
Peter C. Belafsky, MD, PhD, MPH

12:15 PM - 12:30 PM  Over-Diagnosed
Michael S. Vaezi, MD, PhD, MSc(Epi)

12:30 PM - 12:45 PM  Panel and Audience Discussion

12:45 PM - 2:00 PM  Lunch On Your Own

12:45 PM - 2:00 PM  Optional: Meet the Mentors Luncheon (open to the first 30 registrants - additional fee applies)
Chairman's Room

2:00 PM - 3:30 PM  Scientific Paper Presentations
3:30 PM - 4:00 PM  Break - View Posters and Exhibits
River and Terrace Rooms

Complexities of Chemical Interactions in Food Preparation and Experience
Moderator: Cathy A. Pelletier, PhD, MS, CCC-SLP

4:00 PM - 4:20 PM  Rheology and Dysphagia: A Partnership out of Pandora's Box
Julie A.Y. Cichero, BA, BSpThy(Hons), PhD

4:20 PM - 4:40 PM  Early Events in Gustatory Processing
Sidney A. Simon, PhD

4:40 PM - 5:00 PM  Flavor World of Children
Julie Mennella, PhD

5:00 PM - 5:15 PM  Panel and Audience Discussion
Meeting the Mentors Luncheon

The purpose of this luncheon is to provide information for mentors and mentees on the pathway to achieving scientific success. This luncheon will allow new investigators the opportunity to meet with senior researchers and discuss their own (new investigator) research in an open and non-judgmental forum. Please note that this luncheon is limited to the first 30 registrants, so please sign-up now! The cost of this luncheon is $35.00 per person. We hope to see you there!

The Zen of Presentation

This luncheon will be lead by Dr. Rebecca German of Johns Hopkins School of Medicine. The purpose of this luncheon is to provide information on how to give an effective presentation. This workshop will cover the mechanics of preparing and delivering a talk, along with the use and abuse of PowerPoint. Please note that this luncheon is limited to the first 30 registrants, so please sign-up now! The cost of this luncheon is $35.00 per person.
The Westin New Orleans Canal Place

100 Rue Iberville
New Orleans, Louisiana 70130
Concierge Phone: (504) 566-7006
www.westin.com

The guest room rates for DRS attendees are:

- Single/Double Room: $189.00*
- One-Bedroom Suites: $289.00*
- Two-Bedroom Suites: $478.00*

*Rates do not include the 13% room tax or $2.00 occupancy tax per night, per room (Tax rate at time of brochure printing).

Along the mighty Mississippi River and adjacent to the historical French Quarter, The Westin New Orleans Canal Place is the perfect address to savor the Crescent City’s zest for living. Just steps from fine dining, Harrah’s Casino, upscale shopping, museums, art galleries, and the central business district, you will enjoy comfort and service that will make you feel right at home.

HOUSING DEADLINE

The deadline for guaranteed rate is Sunday, February 15, 2009. Reservations made after the deadline date will be taken on a space available basis.

**HOTEL RESERVATION AND CANCELLATION POLICY**

Reservations may be made conveniently by phone at 1-888-627-8180. When making reservations over the phone, you must say you are affiliated with the “DRS Annual Scientific Meeting” and provide them with the group code: DRO35A, in order to receive the discounted room rate. You may also submit your reservation online by visiting the DRS website, www.dysphagiaresearch.org and selecting the “Reserve Your Room Now” link. Reservations must be received by February 15, 2009 in order to guarantee availability.

It is possible that hotel rooms may sell out prior to February 15, 2009; therefore, it is strongly recommended that you make your reservations as early as possible. Discounted room rates are available three days prior and three days following the meeting dates subject to availability.

The hotel will require a valid credit card number upon reservation to hold a room. Reservations must be cancelled at least (72) seventy-two hours prior to the scheduled arrival date in order to receive a refund of the entire deposit. When canceling your reservation, please obtain a cancellation number for your records. Check-in time is 4:00 p.m. Check-out is 12:00 noon. The Dysphagia Research Society strongly encourages you to book your overnight accommodations at the Westin New Orleans Canal Place (the conference’s headquarters hotel). For a list of alternate hotels, please contact the DRS meeting office.

**AIR TRAVEL INFORMATION**

Continental Airlines is an official carrier for the conference. Continental offers discounts off published fares of 2% to 15% or zone fares. For fare and schedule information and to make your reservations, please visit www.continental.com or call Continental Airlines MeetingWorks at 1-800-468-7022. Refer to Z Code: ZEKJ and Agreement Code: C44ZSC. There will be a $15 service fee collected, per ticket, for all tickets issued through MeetingWorks Reservations, or any Continental Airlines ticketing facility. The service fee is non-refundable and applies to all itineraries, one-way or roundtrip. To avoid a service fee and receive an additional 3% discount*, book your reservations online at www.continental.com. Enter both your Z Code and Agreement Code (without a space) in the Offer Code Box: ZEKJ-C44ZSC. Additional 3% discount applies to published fares only. Travel agencies must list the Z Code in the Ticket Designator Box and Tour Code Box on the ticket. For reservation assistance outside the toll free MeetingWorks dialing area, contact your local Continental Airlines Reservations Office.

American Airlines is an official carrier for the conference and they have arranged for attendees to receive a 5% discount off Coach and First Class fares. For fare and schedule information and to make your reservations, please visit the American Airlines website or call the American Airlines Meeting Services at 1-800-433-1790 and provide the discount code A3339AA. There will be a $15 service fee collected, per ticket, for all reservations made over the phone. To book a reservation online go to www.aa.com for AA/AE flights only. Enter the discount code A3339AA in the promotion code box.

**GROUND TRANSPORTATION**

Avis Rent A Car has provided the DRS meeting with the Avis Worldwide Discount (AWD). To make your rental car reservation, please dial 1-800-351-1600 and give the AWD Number, D757379. You may also make your reservation online by visiting https://www.avis.com/AvisWeb/reservation/ReservationInitializer?AWD_NUMBER=D757379. On the “Discounts & Rental Options” page, the AWD Number should already be filled in. Please make sure this is done in order to receive the discount.

Taxi, shuttle and limousine services are available from the Louis Armstrong New Orleans International Airport (MSY) to the Westin on Canal Place. The preferred transportation services are the following:

- Taxi: $29.00 total, 1-2 people in one vehicle
- Airport Shuttle: $12.00 per person
- Limousine: $18.00 per vehicle

**Advance Registration**

To make advance registration, you can visit your local Continental Airlines Reservations Office. If you call the American Airlines MeetingWorks Reservations at 1-800-433-1790, you must provide the discount code A3339AA. There will be a $15 service fee collected, per ticket, for all tickets issued through MeetingWorks Reservations, or any Continental Airlines ticketing facility. For reservation assistance outside the toll free MeetingWorks dialing area, contact your local Continental Airlines Reservations Office.
Forever New Orleans is a statement of permanence and renewal for a people and a city that remains an authentic destination—a place like no other…The Crescent City—a sportsman’s paradise…the birthplace of Jazz. It is a city teeming with music bubbling up from the streets, immersed in art and architecture, lavished in celebration and beauty. New Orleans is forever a feast for the soul. Come and see for yourself. The city is alive. The experience continues—Forever.

New Orleans Attractions:

Audubon Aquarium of the Americas
1 Canal St.
(504) 581-4629, (800) 774-7394
www.auduboninstitute.org

The Audubon Aquarium of the Americas, one of the top museums of its kind in America with 15,000 sea life creatures, representing nearly 600 species (fish and sea life of all kinds), living happily in a state-of-the-art facility. The Caribbean Reef tunnel is 30 feet long and allows the visitor a view of the Caribbean sea life viewed only by divers. Look for the white alligator—just 18 of these animals were found in a Louisiana swamp. These alligators are not albino— their steel blue eyes and white skin are mesmerizing. In Cajun lore, seeing a white alligator is considered good luck!

Audubon Zoo
6500 Magazine St.
(504) 581-4629, (800) 774-7394
www.auduboninstitute.org

If it walks, crawls or flies, there’s a good chance you will see it on display at the Audubon Insectarium in the Old New Orleans Customs House. The Insectarium is the largest free-standing museum in the United States devoted to the 900,000-plus known species of insects and their relatives. It gives visitors up-close-and-personal glimpses into the lives of selected members of the largest group of living, visible, mobile organisms on earth.

The Audubon Zoo
6500 Magazine St.
(504) 581-4629, (800) 774-7394
www.auduboninstitute.org

Audubon Zoo is a New Orleans landmark and a living museum filled with some of the rarest and most beautiful creatures of nature. Audubon Zoo is 58 acres of animals in their natural habitats. The Zoo consistently ranks among this country’s best. Animal favorites include elephants Jean and Panya, the Komodo dragon and the white tiger brothers from California. But also look for bears, monkeys, snakes, orangutans, elk and more exotic animals than you can imagine! At the Audubon Zoo, visitors can stroll through a real swamp right in the middle of uptown New Orleans.

French Market
1008 N Peters St., # 2
(504) 522-2621
www.frenchmarket.org

The aroma of freshly ground coffee and fresh herbs float through the aisles of the historic French Market, located at the foot of the French Quarter. This wonderful outdoor market is reminiscent of the European markets so loved by locals and tourists. It is also the perfect package of shopping, dining and music with an Old World ambiance.

Jackson Square
751 Decatur St.
Located on Decatur Street, between the Jack Brewery Shopping Mall and the French Market, in front of the St. Louis Cathedral, Jackson Square earns it name for one of three bronze statues of Andrew Jackson located in the center of the square.

Located in Jackson Square, the Cabildo, the Presbytere and one of the apartment townhouses of the Lower Pontalba Apartments are now state museums. Jackson Square is also the location of an open-air artist colony, where artists display their work on the outside of the iron fence.

The National World War II Museum
945 Magazine St.
(504) 527-6012
www.ddaymuseum.org

Since its opening day in June 2000, more than one million visitors have toured the National World War II Museum. A must-see for history lovers and all patriots, the Museum has been designated by the U.S. Congress as the country’s official World War II Museum. Oral histories, powerful images and extraordinary artifacts bring to life the American Spirit, the courage, teamwork and sacrifice of the young men and women who won the war and changed the world. From the 1930s prelude to war, to the Normandy Invasion and the battles of the Pacific Islands, visitors trace America’s role in the war and on the Home Front.

Steaminboat Natchez
1 Toulouse St.
(504) 586-8777, (800) 233-2628
www.steaminboatnatchez.com

Description: This classic Mississippi riverboat sails three times daily, at 11:30 a.m., 2:30 p.m. and 7 p.m. Traditional New Orleans jazz is featured and the evening cruise includes dinner (reservations required).

Cemetery, Swamp, Plantation and City Tours:

Cities of the Dead
Swamp Tours
Have you ever wanted to get up close and personal with an alligator? Cruise leisurely along the mysterious, moss-draped bayou? See exotic flora and fauna found nowhere else in the country? As your boat floats lazily under the shade of age-old cypress laden with Spanish moss, the captain lures a 10-foot gator alongside the hull so you can take pictures to show your disbelieving friends and family back home. Deadly snakes (observed from a safe distance, of course), kumhutting nutria (cousins to the more familiar American muskrats), and the occasional raccoon or swamp deer may also be observed at various times. You never know what you’ll see and each tour is a unique adventure that never happens exactly the same way twice.
