Dysphagia Research Society
19th Annual Meeting

Jointly Sponsored by the Dysphagia Research Society and Continuing Medical Education Resources, Inc.
COURSE OVERVIEW AND INTENDED AUDIENCE
The meeting is attended by clinicians, researchers, resident physicians, fellows and students from a wide range of disciplines, including gastroenterology, neurology, otolaryngology, radiology, speech-language pathology, nutrition, biomedical engineering, dentistry, pediatrics, psychology, nursing and basic sciences. The course provides an excellent opportunity for clinicians to gain an understanding of the scientific basis for the evaluation and treatment of patients with dysphagia and aspiration due to a variety of causes.

COURSE FORMAT
The conference includes a number of symposia aimed at providing comprehensive and objective coverage of topics of interest to researchers and clinicians, in the form of focused lectures, panel discussions and original research paper and poster presentations.

EDUCATIONAL OBJECTIVES
Following the conference, the participant should be able to:
- Recognize and make decisions on head and neck cancer treatment principles and options
- Discuss appropriate criteria regarding radiation induced fibrosis and swallowing
- Describe new enteral tube feeding nutrition and dysphagia in head and neck cancer patients

Annual Meeting Objectives:
- Recognize the importance of device facilitated interventions for swallowing rehabilitation
- Describe the development of sensory testing in taste and swallowing
- Identify the role of sensory pathways to improve swallowing in the picky pediatric eater
- To recognize and implement from the past how to direct future dysphagia research and therapy

CME ACCREDITATION AND CREDIT DESIGNATION
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation CME A

Post-Graduate Course Objectives:
- Recognize and make decisions on head and neck cancer treatment principles and options
- Discuss appropriate criteria regarding radiation induced fibrosis and swallowing
- Describe new enteral tube feeding nutrition and dysphagia in head and neck cancer patients

Annual Meeting Objectives:

The Medical University of South Carolina is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. ASHA approval of CE Provider status does not imply endorsement of course content, specific products, or clinical procedures. This program is offered for up to 2.7 CEUs (Advanced Level Professional Area). The break down of CEUs is as follows:

Post-Graduate Course: Maximum of 6 AMA PRA Category 1 credits™
Annual Meeting: Maximum of 16.75 AMA PRA Category 1 credits™

An annual ASHA CE Registry fee is required to register ASHA CEUs. CE Registry fees are paid by the participant directly to the ASHA National Office. The annual ASHA CE Registry fee allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CE staff at (800) 498-2071 ext. 8591 for CE Registry fee subscription information.

DRS 20TH ANNUAL MEETING
March 8-10, 2012
Post-Graduate Course: March 7, 2012
The Ritz-Carlton
Toronto, Ontario, Canada

The purpose of this luncheon is to provide information for mentors and mentees on the pathway to achieving scientific success. This luncheon will allow new investigators the opportunity to speak with senior researchers about their own (new investigator) research ideas in an open and non-judgmental forum. The panelists will also provide insight on various components that take place during research, from how to get funded and how long it takes to complete a project to how to involve other researchers and decide on the right publications for your research. Please note that this luncheon is limited to the first 30 registrants, so please sign-up now! The cost of this luncheon is $35.00 per person. We hope to see you there!
The Registration Form and Hotel Reservation link are available online at www.dysphagiaresearch.org.

Registration materials may be picked up on-site at the registration desk in the El Cabildo Foyer.

Omni Select Guest Program:
You can also take advantage of additional amenities by joining the complimentary Omni Hotels Select Guest Program online at www.omnihotels.com. A few of the amenities offered include complimentary Wi-Fi service and morning beverage delivery. San Antonio is the second largest city in Texas, and has grown around the Alamo, which lies in the heart of downtown. The old mission has been preserved as a Shrine of Texas Liberty, and is featured prominently on San Antonio’s flag and seal. The San Antonio River Walk is also a favorite, with its numerous shops and restaurants lining the banks of the San Antonio River.

The Omni La Mansión del Rio is a luxury hotel in the heart of San Antonio overlooking the historic Paseo del Río, or River Walk. The hotel is approximately nine miles from San Antonio International Airport. The Omni is within two blocks of The Alamo, Hard Rock Café and Majestic Performing Arts Center. Six flags Fiesta Texas is 20 miles away and Sea World of Texas is 16 miles from the hotel.

As described on www.civistasanantonio.com and www.travel.yahoo.com

(Pricing at the time of publication)
**Activity Information**

**There are two options for the tours, The Home on the Range Tour and The Mission Tour.**

The Home on the Range Tour starts off with a warm Texas welcome! From the moment you arrive, you are fed and entertained with home grown Texas hospitality and fun! This tour includes a Hay Wagon tour along the banks of the river and what a better way to experience a ranch than to enjoy an old style BBQ for lunch. After lunch everyone can join in on a Chili Cook Off. Join your fellow ranch hands to cook, hand and market your choice of more than a dozen homemade chili recipes. Also enjoy a river barge ride where you may see a variety of different Texas wildlife. Enjoy strolls thru Ranch Gardens and Nature Trails or “Rope a Call.” Other outdoor ranch games vary from volleyball to horse-shoe pitching. The price for this tour is $120 (the tour includes lunch and transportation).

The first stop on The Mission Tour is to the first and most famous of all the missions-The Alamo. Guests will tour the chapel and walk the grounds as we learn about the battle for Texas Independence. The “Queen of the Missions”, Mission San Jose, is also a stop and is one of the best restored of the San Antonio’s five missions. We will also visit other missions such as the Mission San Juan Capistrano, Mission Espada, and the Mission Concepcion. The price for this tour is $110 (the tour includes lunch and transportation).

*Both of these tours need a minimum number of participants, so please encourage your colleagues to attend with you. If we do not meet the minimum, the tour(s) will be cancelled, and refunds will be distributed accordingly. The tours are rain or shine; however, in extreme weather a refund in the amounts that can be covered by the tour company will be provided. No other refunds will be granted; however, if you need to cancel your reservation and are able to locate someone to submit payment and participate in your place, then a refund will be granted.*

**Things To Do On the River Walk**

**Rivertower Mall**
