

Day 1 – Wednesday, March 15, 2023

Learn, Motivate, Innovate Together

Time	Activity/Topic
7:00–7:45am	Registration & Breakfast
7:45–8:00am	Welcome & Introductions by the Annual Meeting Co-Chairs <i>Georgia A. Malandraki, PhD, CCC-SLP, Laura Baijens, MD, Debra Suiter, PhD, CCC-SLP</i>
8:00–8:20am	Tribute to Dr. Bronwyn Jones Moderator: <i>Mark Nicosia, PhD</i> Speakers: <i>Adrienne Perlman, PhD, JoAnne Robbins, PhD & Reza Shaker, MD</i>
8:20–9:20am	Scientific Papers I: Pediatric Dysphagia
9:20–10:35am	Scientific Papers II: Dysphagia in Neurogenic, Airway, and Spinal Disorders
10:35–11:35am	Poster & Exhibit Viewing
11:35am–12:45pm	Lunch Break & Networking (<i>Lunch on your own</i>)
12:45–1:25pm	New Investigator Finalists Session
1:30–3:00pm	Scientific Papers III: Dysphagia in Head and Neck & Esophageal Cancer
3:00–4:00pm	Poster & Exhibit Viewing
4:00–4:15pm	Break/Transition
4:15–5:15pm	Invited Session: DEI Perspectives in Dysphagia Moderators: <i>Luis Riquelme, PhD, CCC-SLP & Apoorva Ramaswamy, MD</i>
	Topics and Speakers: People with Swallowing Disabilities: Why Culture and Food Sovereignty Matters <i>Mershen Pillay, PhD</i> Big Data Approaches to Exploring Social Disparities in Dysphagia <i>Harrison Jones, PhD</i> Veterans Affairs Diversity, Equity, and Inclusion Program to Develop Future Scientists <i>Lina Kubli, PhD</i>
5:15–6:15pm	Invited Session: Surgical Innovations for Dysphagia Management Moderators: <i>Jacqui Allen, MD, PhD & Gokul Bala, MD</i>
	Topics and Speakers: Foregut Airway Interactions <i>Walter Chan, MD</i> Enhanced Management of Velopharyngeal Dysfunction <i>Maggie Kuhn, MD</i>
7:00–10:00pm	President's Dinner (<i>ticketed event</i>) <i>Greek night with Greek food, music, dancing and more!</i>

Day 2 – Thursday, March 16, 2023

Learn, Motivate, Innovate Together

Time	Activity/Topic		
7:00–7:45am	Breakfast		
7:45–8:00am	Welcome Back by the Annual Meeting Co-Chairs <i>Georgia A. Malandraki, PhD, CCC-SLP, Laura Baijens, MD & Debra Suiter, PhD, CCC-SLP</i>		
8:00–9:30am	Scientific Papers IV: Screening & Evaluations for Dysphagia		
9:30–11:00am	Scientific Papers V: Dysphagia Treatment		
11:00am–12:00pm	Poster & Exhibit Viewing		
12:00–1:00pm	Lunch Break & Networking (<i>Lunch on your own</i>)		
12:15–12:55pm	<i>Pediatric Special Interest Group Information Session</i>		
1:00–2:00pm	Breakout Sessions (<i>Three offered; Participants choose to attend 1</i>)		
	Early-Stage Investigators Education Session: Scientific Communication Skills Moderators: <i>Michelle Troche, PhD, CCC-SLP & Liz Ward, PhD</i> Topic & Speaker: Scientific Communication Skills: Understanding Their Potential, Developing Them Effectively <i>Carrie Cameron, PhD</i>	Pediatric Special Interest Group Session: Laryngeal Clefts in Children – Concepts and Controversies Moderators: <i>Maureen Lefton-Greif, PhD, CCC-SLP & Sree Viswanathan, MD</i> Topics & Speakers: Basic Anatomy, Embryology, and Classification of Laryngeal Clefts <i>Miranda Cullins, PhD</i> Swallowing Dysfunction in Laryngeal Clefts <i>Cheryl Hersh, MS, CCC-SLP</i> Controversies in Management of Laryngeal Clefts <i>Seckin Ulualp, MD</i>	Basic & Translational Science Session: Bridging the Gap between Basic, Translational, and Clinical Science Moderator: <i>Michelle Ciucci, PhD, CCC-SLP</i> Topic & Speakers: Bridging the Gap between Basic, Translational, and Clinical Science: How to and Examples from our Work <i>Rebecca German, PhD & Heidi Kletzien, PhD</i>
2:15–3:30pm	Scientific Papers VI: Normal Mechanisms and Quality of Life (QOL)		
3:30–4:30pm	Break & Exhibit Viewing		
4:30–5:30pm	Scientific Papers VII: Basic & Translational Science		
5:30–6:30pm	Scientific Papers VIII: Innovations in Dysphagia Care		
6:30–6:50pm	Tribute to Dr. Art Miller Moderator: <i>Catriona Steele, PhD</i> Speakers: <i>Shaheen Hamdy, MD, Susan Langmore, PhD, & Eiichi Saitoh, MD, DMSc</i>		
7:00pm	Free Evening		

Day 3 – Friday, March 17, 2023

Learn, Motivate, Innovate Together

Time	Activity/Topic
6:30–7:30am	Breakfast
7:30–8:00am	Annual Membership Meeting
8:00–8:30am	Welcome & Gold Medal Award Ceremony
8:30–9:15am	<p>Invited Session: Interprofessional Perspectives on Dysphagia Focus on Pulmonary Function and Disorders – Adults Moderators: <i>Jim Coyle, PhD, CCC-SLP & Debra Suiter, PhD, CCC-SLP</i> Topics & Speakers: Pulmonary Aspiration <i>Harmeet Singh Bedi, MD</i> Aspiration Management – from Oral Cavity to Pharynx <i>Margaret Walshe, PhD</i></p>
9:15–10:00am	<p>Invited Session: Interprofessional Perspectives on Dysphagia Focus on Pulmonary Function and Disorders – Pediatrics Moderators: <i>Heather Bonihla, PhD, CCC-SLP & Sree Viswanathan, MD</i> Topics & Speakers: Pulmonary Function and Disorders in Pediatrics – MD perspective <i>MyMy Buu, MD</i> Pulmonary Function and Disorders in Pediatrics – SLP perspective <i>Pamela Dodrill, PhD, CCC-SLP</i></p>
10:00–10:30am	Break
10:30–11:00am	Awards Ceremony
11:00am–12:00pm	<p>Dodds Donner Lectures Moderator: <i>Georgia A. Malandraki, PhD, CCC-SLP (DRS President)</i> Topics & Speakers: Dodds Donner Lecture 1: Management of Dysphagia: Where have we been, where do we go? <i>Cathy Lazarus, PhD</i> Dodds Donner Lecture 2: Deglutology: A Personal Look Back and Forward <i>Michael Crary, PhD</i></p>
12:00–12:30pm	Closing Ceremony
1:30–4:30pm	<p>Friday Afternoon Social (<i>ticketed event</i>) Special Extra Event at the Winery Collective (<i>ticket includes lunch buffet, hosted wine & soda bar with a “Mix It Up” Wine Tasting that includes two white wines and three red wines</i>) Come celebrate the end of an extraordinary week of dysphagia science!</p>
