In March of 2023 the Dysphagia Research Society had the honor of hosting the 3rd WDS - World Dysphagia Summit! This was the first time DRS hosted the Summit and brought together our global community of scientists and clinician scholars to educate, motivate, and innovate Dysphagia Care via Transdisciplinary Approaches to Aerodigestive Function and Disorders Across the Lifespan!
WDS - HIGHLIGHTS & COMMENTS

"All talks were amazing!"

"Truly transdisciplinary and great focus on team science."

"Debates were so much fun!"

"Open discussion sessions were the best way to end both days!"

"The patient/caregiver panel was so impactful!"
WDS - HIGHLIGHTS & COMMENTS

"Seeing everyone in person again was the best!"

"Such FUN times during the breaks and at the WDS Chairs' reception!"

"Breathtaking scenery!"

"Excellent mindfulness session!"
THANK YOU

We would like to thank all of our partners and sponsors. Without their support this Summit would not be possible!
THANK YOU
