Lyon, le 06/14/2025

Dear President and Chairman of the EANS Individual Member Committee,

By the present letter, I wish to postulate to become an IM Delegate for the next term.

I'm involved since more than 10 years in the EANS Hand-on courses, in the Board of the Skull Base Section of EANS for 8 years and attend EANS meeting as speakers or Chairman session since the beginning of my career.

EANS is of paramount importance for our neurosurgical community to promote training for young and push forward the excellence of our specialty in a collaborative European network.

I would be delighted to continue my involvement in the EANS, promoting these actions and its philosophy.

Regards

Pr E JOUANNEAU, EANS Member, Board of the EANS Skull Base Section

JOUANNEAU EMMANUEL, M.D., Ph.D.

Skull Base and Pituitary Department, Neurological hospital, Hospices Civils de Lyon

59 Boulevard Pinel, 69003 Lyon, France

Phone: (33)4 72 35 74 95

Mail: emmanuel.jouanneau@chu-lyon.fr

Civil status
