The Association for Early Learning Leaders believes quality early care and education programs begin with strong leadership. We recognize that administering these programs poses daily challenges. Our mission is to provide the resources **you** need to be efficient, successful directors, owners and administrators of early learning centers.

Member Toolkits are designed to house much needed professional resources in practical, accessible ways. The toolkits focus on the unique needs of owners, executive leaders and directors by providing support in areas such as human resources, budgeting, family engagement, quality curriculum, leadership, legal insights, and staff development.

## **Subscriber benefits include:**

- **Professional Membership** with a certificate to proudly display your commitment to the field and the families that you serve.
- **Free access to more than 20 clock hours of leadership webinars** led by field experts in the areas of staff development, legal issues and human resources and **free interactive Discover Excellence accreditation webinars**, presented by the National Accreditation Commission Staff, featuring step-by-step procedures for accreditation.
