

Access to EAS Academy – step-by-step guide

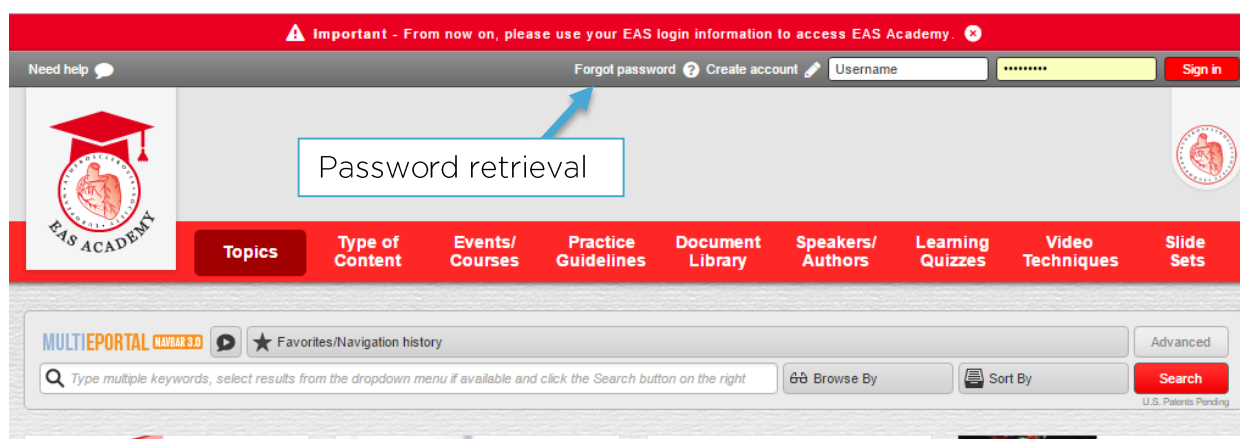

1. Go to <http://academy.eas-society.org/eas>
2. Sign in with the Username & password you use with your EAS member profile.
3. Start to access the educational content.

If you can't remember your Username & password, go to step 4.

If you don't have a member profile, see steps 5 & 6.

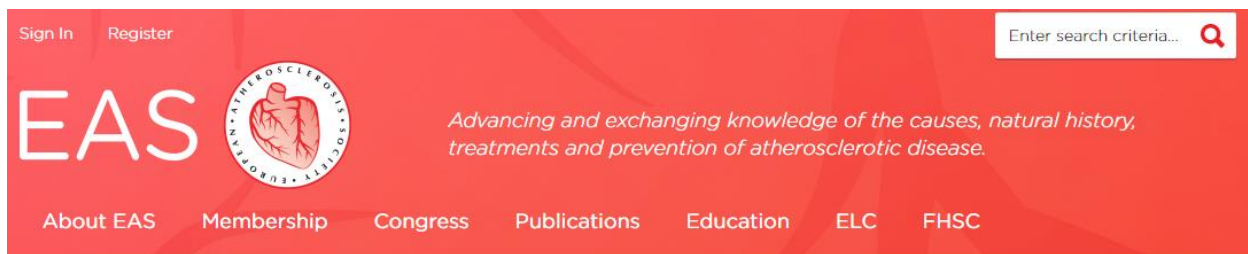

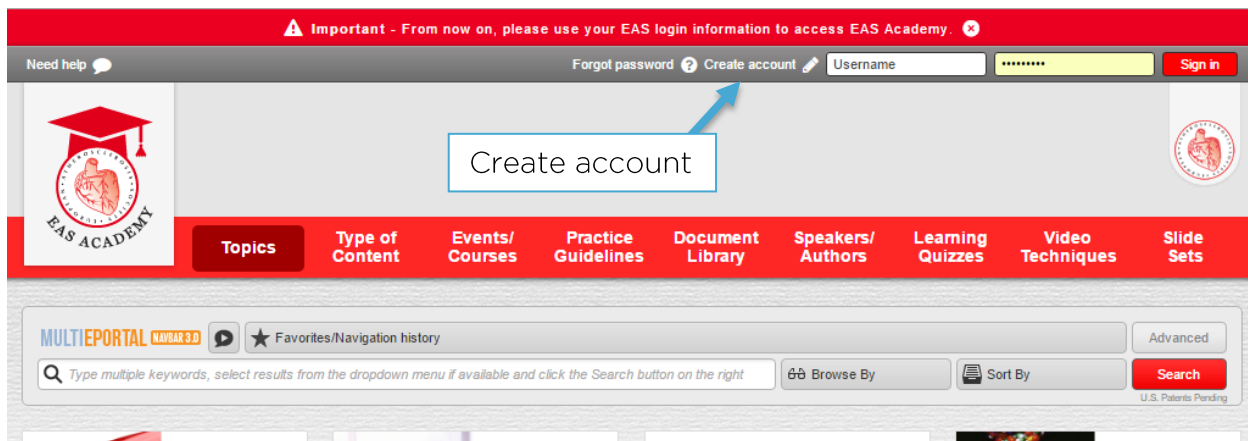

4. Password retrieval – click on “Forgot Password” to reset the password to your EAS member profile.

5. Access to the very latest updates on EAS Academy, Premium content, is a benefit available only to [Individual EAS members](#).

If you want to access Premium content:

- Click on “Create account”.
- You will be directed to the Society website.
- Select “Individual Membership” and complete the registration process.
- Use your Username & Password to access the EAS Academy (Steps 1-3).

Registration options

Thank you for your interest in membership of EAS.

Please select from the alternatives below.

- I would like to apply for [Individual Membership](#)
- I would like to receive information on how to register as members a group of people from one of the following:
 - an Organization (hospital, university or institute)
 - a National Atherosclerosis Society, or similar
 - an Industry partner
- I would like to access only free non-Premium educational content on the EAS Academy with a [Limited-Access Membership](#)
