The future of nutrition care in Wisconsin is greatly impacted by state lawmakers and other elected officials. State nutrition and health related legislation and regulations impact public policies, and your livelihood as a nutrition and dietetics practitioner. The Wisconsin Academy of Nutrition and Dietetics Political Action Committee, or **WANDPAC**, is our organization's official political contribution program. WANDPAC allows members to conveniently make political contributions to help elect state candidates who support effective nutrition policies.

WANDPAC Mission

WAND maintains a Political Action Committee (PAC) program to strengthen the organization's relationships with elected officials here in Wisconsin, and to provide members with the opportunity to engage in the political process.

WANDPAC Funding

Outside of administrative costs, the PAC program relies solely on member contributions. All voluntary contributions from members go into a single account. Under the direction of the governing board, these contributions are distributed to candidates running for elected state office who support our organization and nutrition related legislation.

WANDPAC Benefits

- Provide WAND with a monetary way to support elected state officials and candidates who recognize and support our organization's policy priorities
- Give WAND members a convenient and effective way to participate in the political process
- Raise the profile of WAND as an organization at the State Capitol and with Wisconsin's elected officials
- Provide WAND with more opportunities to educate lawmakers about critical nutrition-related legislation
