Introduction

viii

Keynote Address

From Paradigm to Action in Environment-Behavior Research/Design 12

Plenary Sessions

The Science of Nature and Health: Discoveries and Design Recommendations from the Frontier 13

Innovation, Collaboration and Cross-disciplinary Working: Shifting the Ground of Environmental Design Evidence 14

Evidence-based Design: Driver of Social Investments in Early Childhood Environments 15

Mobile Sessions

Mobile Session #1: Nature Play and Learning Places. 18

Mobile Session #2: Collaborate and Transform. 18

Mobile Session #3: Designing Spaces of Attention: Lessons in Communication and Materiality from the North Carolina Museum of Art Park 19

Mobile Session #4: Shifting Ground and Swinging Nets: Play Affordances of Tree Canopy Architecture 19

Mobile Session #5: Public Infrastructure Walking Tour of Downtown Raleigh 20

Award Winners

Career Award
Lynn Paxson, Professor, Architect, Advocate, Mentor, and Leader. 22

Service Award
Cherif Amor, Ph.D., EDRA, IDEC, & IIDA 24

Michael Brill Grant Award
Developing an Online Platform for Participatory Resilient Urban Landscape Design
by Nastaran Tebyanian. 26

Full Papers

Connectedness-to-Home Reduces Depression in Long-Term Facilities: A Theoretical Shift 32

The Role of the Physical Environment in Self-Agency: An Ecological Psychology Approach 39

Creative Enhancement in High-Rise Nursing Home to Support Well-Being 47

Developing a Transdisciplinary Research Methodology. 57

Shifting Ground: Collaboration and Creativity. A New Pedagogical Process for First Year Design Students.”	66
Can Outdoor Environment Improve Children’s Motivation to Learn?	71
Towards a Transdisciplinary Action Research Design Studio: Adapting a Human Dimensions of Natural Resources Education Structure	81
Shifting Lexicons: URBN STEAMLAB and The practice of Urban Innovation	87
Social Interaction in Student Residence Halls: An Architectural Perspective	94
Views From Apartment Buildings: An Analysis by Architects and Non-Architects College Graduates	105
Typology, Ecological Erameworks and a New Interdiciplinary Frame for Developing Greenway Planning Theory	115
Place and Space: Repositioning Collectivity and Interiority	127
Nature and the City: Are Attention Restoration Benefits Achieved by Singapore’s Urban Vertical Gardens?	133
Shifting Methods of Sketchbook Pedagogy	142
Reflection of Environmental Stress on In-Between Spaces	150

Individual Presentations

Active Living by Design	160
Building Process Alliance	166
Children, Youth & Environment	167
Cities & Globalization	176
Cultural Aspects of Design	180
Cyberspace & Digital Environments	180
Environment-Gerontology	182
Environmental & Architectural Phenomenology	187
Environmental Design Research Education	190
Health	199
Historic Preservation	213
Interior Design	215
Movement in Designed Environments: Nature & Ecology	217
Participation	220
POE/Programming	225

Residential Environments.....	230
Sustainable Planning, Design & Behavior.....	235
Work Environments.....	243
None/Not Tied to Any Network.....	245
Group Presentations	
Pre-Conference Intensives.....	254
Symposium.....	281
Professional Development Tutorial.....	299
Workshop.....	302
EDRA Shorts	305
Poster Presentations	323
Person Index	329
