

## FOUNDATION NEWS

October 2018 Newsletter

### Support EFF

EFF is a 501(c)(3) organization that strives to expand its programs and offerings to the endocrine fellow community. With the assistance of educational focused individuals, we are able to continue to educate fellows and we invite you to donate now.

### Alumni of the Month

Dr. Mahmoud Hamdan!

Mahmoud published an article recently that was related to his research in part funded by EFF!

[Click here to read the article!](#)

Send us your accomplishments! We want to hear from any fellow whom has attended an EFF program or received an EFF grant.

Have you been published? Received and honor or award? [Let us know!](#)

### Presidents Letter

The coming fall brings with it one of EFF's most valued programs, the EFF/ASBMR fellows program which precedes the annual ASBMR meeting each year. Under the design and guidance of Dr. John Bilezikian, an international faculty of bone and mineral metabolism thought leaders along with 60 fellows from around the world attended this year's meeting in Montreal. The program traditionally consists of three plenary sessions and eight smaller breakout sessions, allowing for a more direct exposure to an outstanding faculty. Fifty posters were presented by attendees as well, leading to an outstanding educational opportunity for those interested in bone metabolism. I encourage you to consider attending next year's program as well as applying for Dr. Bilezikian's preceptorship in bone metabolism held each spring at Columbia University.

We are busy preparing for the Diabetes Research forum held in late January and once again are excited to welcome Dr. Defronzo, Arslanian, Leroith and Burant to this year's faculty. This meeting is a two day faculty intense meeting in diabetes with an emphasis on improving research and presentation skills as well as working closely with a very respected and fellow motivated faculty. There are still a few openings to attend this meeting January 24-27 in San Antonio Texas and I would strongly encourage you to apply.

I look forward to seeing you there!

Dr. Mark Stolar

2018 Grant Cycle 2

### Coming EFF Events

#### Preceptorship in Diabetes

New York, NY  
November 12-16, 2018

#### Research Forum on Diabetes, Obesity & Metabolism

San Antonio, Texas  
January 24-27, 2019

### Medical Education Events

#### Endocrine Society Endo 2019

March 23-26, 2019  
New Orleans, LA

#### ADA Scientific Sessions

June 7-11, 2019  
San Francisco, CA

#### ASBMR 2019 Annual Meeting

September 20-23, 2019  
Orlando, FL

### Social Media

### Job Openings

Would your organization like to post a job opening here and on the EFF website for over 3,000 people to see?

EFF will post job openings for 45 days for \$30 or 90 days for \$50.

Applications are currently closed for this cycle. Check back in early January as we will open Cycle 1 of 2019 the first week of January. Notifications for Grant Cycle 2 will be sent in Mid-late November

### 2019 Research Forum on Diabetes, Obesity & Metabolism

EFF is now seeking applications for the 2019 Research Forum. The deadline for applications is October 16th by 11:59 ET. Applications must include a letter of support from your program director, personal letter of interest, and an abstract. Abstracts are not for review, they are required as all attendees will be asked to present either an oral or poster presentation.

Applications should be emailed to April Duquette, [aduquette@endocrinefellows.org](mailto:aduquette@endocrinefellows.org).
