The Environmental Bankers Association (EBA) is a non-profit trade association representing the financial services industry. Established in 1994, EBA's members include lending institutions, property & casualty and life insurers, attorneys, and the environmental consulting and appraisal communities. In response to heightened sensitivity to environmental risk issues, the need for environmental risk management, sustainable development, due diligence policies and procedures in financial institutions, the EBA engages with its members to invest in their success.

**EBA Mission:**
To protect and preserve bank net income and assets from environmental exposure and liability resulting from lending and trust activities through the deployment of environmental risk management.

**EBA Vision:**
Enhance visibility and awareness of environmental risk management's global role in promoting environmentally sound lending and fiduciary activities, sustainable development, and new concepts of social responsibility for the financial services industry.

Located in the heart of Southern California, Long Beach blends the urban sophistication of a big city with the relaxed atmosphere of a beach resort. World-class attractions, cutting-edge museums, award-winning restaurants and a thriving, multifaceted arts and culture scene serve as the backdrop for EBA's Winter Conference in January of 2016. Bordered by the Pacific Ocean, with 5.5 miles of sandy beach front, plus miles of inland bays and waterways, Long Beach basks in the warm glow from year-round California sun. The Renaissance Long Beach Hotel is the perfect host for our conference as we engage with our membership in learning and networking opportunities. Room rates start at $159.00 per night plus tax. Make your hotel reservation by calling 877-622-3056.

EBA has attendee registration information and sponsorship information posted on our website: www.envirobank.org.
