

EPS Individual Member Travel Grants

The EPS makes a limited number of travel grants available to EPS Individual Members to attend Europhysics and Recognised Conferences.

Selection procedure and criteria

- The EPS Grants Committee will review applications.
- Grants will be awarded normally to early career researchers.

Conditions for participation

- Grants are only available to EPS Individual Members who are up to date in the payment of his/her membership fees.
- Only one grant will be awarded per person per year.
- The person must have an accepted oral or poster contribution to the conference.
- The Conference must be either an EPS Europhysics Conference or an EPS Recognised Conference.

Reporting

Within 60 days of the end of the conference, IMs who have received a travel grant are required to submit a report using this [report form](http://www.eps.org/?page=grant_im_report_form): http://www.eps.org/?page=grant_im_report_form.

Application procedure

- Applications must be made using this [application form](http://www.eps.org/?page=grant_im_app_form): http://www.eps.org/?page=grant_im_app_form.
- To be complete, applications must be accompanied by a CV and a copy of the acceptance letter from the organisers of the applicant's contribution to the conference.

Time Period

Applications may be made at any time, as soon as possible after receiving confirmation of an accepted contribution. The decision process requires approximately 2 months.

How to Apply

Applications must be made using this [application form](http://www.eps.org/?page=grant_im_app_form): http://www.eps.org/?page=grant_im_app_form.
